

# IT'S A PLEASURE

to Be A Member of the Klamath Falls Community

We are proud to be the first to develop a major commercial use for lodgepole pine ... thus creating a new payroll for the community ... providing a new market for local and State products and services ... and contributing to the economy of the entire Northwest.

We are happy to serve California, Oregon, Washington, Idaho, Montana, Nevada, Arizona, New Mexico, Utah, Wyoming, Colorado, and other areas with a complete line of insulating board building products for home, farm and industry.

We extend our thanks for the friendly encouragement and cooperation given us by many local, State and Federal officials and agencies.

The products we are making in our new Klamath Falls plant include ---

- Decorative Ceiling Panels
- Decorative Wall Plank
- Acoustical Ceiling Tiles
- Strongboard Sheathing
- Three-in-one Roof Deck and Insulation
- Building Board
