

Pair Lives In Shelter

MIAMI, Fla. (AP)—A couple to wed Sunday will spend a sheltered honeymoon — in an underground bomb shelter — for the greater glory of civil defense and shelter-manufacturers.

Then they'll have a more orthodox wedding trip at the expense of bomb shelter manufacturers who induced them to spend their first two weeks together 10 feet below North Miami.

Kelley Geiger, 25, a University of Miami Russian major, and Nancy Bellmyre, 23, a dance band singer, plan to climb down through the hatch of the 8-by-14 foot steel and concrete shelter after their wedding and reception.

The comforts of home below will include beds, a variety of canned food, powdered milk, drink-flavoring tablets, checkers and cards.

Geiger said something has to be done to dramatize civil defense.

GRANGE NEWS

Midland Grange held an open house and served a potluck dinner June 17. A large crowd attended.

James Flowers, master, opened the meeting and introduced Mayme Cammock, lecturer. She presented the evening's entertainment.

Laura Walker offered an opening prayer. Dorothy Flowers and her escorts, Lee Sukraw and Jimmy Flowers, presented the flag. Boy Scouts Charles and Bobby Britton led the salute to the flag.

The assembly sang "Jolly Good Neighbors" at the meeting's opening. Those attending introduced themselves. Out-of-town guests were Mrs. Hazel Salheim and Wayne Sonther of San Francisco, Mr. and Mrs. Robert M. Redding of Klamath Falls, formerly of Alaska, and Marianne McKinney of Keno.

Lillian Woodard and Frank Gray were crowned king and queen by James Flowers. They were members of the attendance who have lived longest in Oregon. Gray has been an Oregon resident for 63 years and Mrs. Woodard for 57 years.

Laura Walker read: "They're Coming to See You." Pauline Flowers presented a reading, "Sanctuary," and James Flowers performed a comic skit. He also sang "Auld Lang Syne" and did a square dance.

Raymond Andrieu received a Highway Safety Essay Award from Mayme Cammock. His essay won honors in a national grange contest recently.

Ramona Smith of the Ewauna Toastmistress Club delivered a talk, "Oregon, My Oregon." All present participated in a quiz concerning Oregon cities, and they took part in a grand march. Juvenile grangers sang "The More We Get Together" and they performed a dance.

Mr. and Mrs. Frank Gray received Centennial canes as prizes for stepping through an old-fashioned waltz.

Juvenile grangers Dorothy Flowers, Jimmy Flowers and Lee Sukraw retired the flag. The attendance sang "Goodnight, Neighbors." Frank and Bill Gray entertained with an old-fashioned fiddle and piano session. Grangers danced until midnight.

Next meeting of Midland Grange will be conducted July 1 at 8 p.m. at Midland Grange Hall.

Two More Banks To Hike Interest

PORTLAND, (AP)—Two statewide banking institutions have followed the lead of several Portland banks and announced increased interest on savings accounts.

The First National Bank of Oregon and the United States National bank said they will increase interest from the present 2½ per cent to 3 per cent on July 1.

Also increasing interest then will be the Portland branch of the Bank of California, the Portland branch of the Canadian Bank of Commerce and the Multnomah Bank.

KEEP OREGON GREEN

CONGRATULATIONS ARE IN ORDER TO THE PEOPLE OF THE KLAMATH AREA. LAST YEAR WE HAD AN ALL TIME LOW IN MAN MADE FOREST FIRES IN OUR AREA. IN ADDITION TO EACH ONE OF YOU BEING CAREFUL WITH CAMP FIRES AND OTHER BURNING MATERIAL, UPON SEVERAL OCCASIONS CAMP FIRES, MADE BY OTHERS VISITING OUR AREA, WERE PUT OUT BY YOU. CONGRATULATIONS AGAIN FOR A JOB WELL DONE.

DON'T BE A MISSILE FLIPPER!

Such a little bit of carelessness can cause such a great amount of damage.

Loss of life, loss of vacation lands, loss of timber and watersheds can result from one cigarette thoughtlessly flipped from a car window, or one burning match dropped beside the road.

During these fire hazard months, a spark of any kind can be a deadly missile. And every year, our forest areas become more and more vital to the nation's welfare.

So be extra careful this year. Use your car ash tray. Douse your campfires. Be sure all fires are out, dead out. Be sure you don't cause a shameful forest fire. (Every year, some people do. 9 out of 10 forest fires are still man-caused.)

Remember— **ONLY YOU CAN PREVENT FOREST FIRES!**
