

PRESENTING CAMAY Pastels of Paris

CAMAY in pastels now comes in bath size bars. All the grocers in town have a special deal on the bath size bars, so plan to buy them double for the next few weeks, suggests Bob Weaver, Procter & Gamble salesman for Southern Oregon.

BATH SOAP

Pastel Camay has been available in smaller bars, but now Camay has white and four colors in bath size bars.

The current promotion features two bars together at a discount. Procter and Gamble has another special in local markets. The Home Laundry size package of Tide contains a plastic pitcher with tight-fitting top, non-drip-tip-spout and four 4-ounce plastic fruit juice cups. The handle of the pitcher is solid and the regular amount of Tide detergent is contained in the package.

ETIQUETTE

A recently published book on etiquette has this to say: "Eating a thick chowder? Then dip the spoon toward you. When eating thin cream soups or broths the spoon should be dipped away from you."

BEANS

Heat a can of blue lake green beans, drain and season with salt, pepper and chopped canned green chili. Toss lightly with a good handful of grated American cheese. Cover and let stand a minute until the cheese melts. Good with a meat loaf dinner.

low and bright blue and green for those shades, all in shiny foil. The King size Tide has the four cups in red, blue, green and yellow plastic, gold-flecked, as a bonus. If you buy the two sizes, you have the juice pitcher and eight cups. With picnic time here, this is an easy way to get your picnic juice set for a set for service on the patio) without extra cost.

A SHOWER DELICERT designed for a hag-stag might be any one of Klamath Falls' own fine flavors of ice cream, trimmed with semi-sweet chocolate petals. Make the petals in advance, of course.

ICE CREAM

June is Dairy Month and the traditional month of brides everywhere. Just as the most modern weddings feature wedding gowns designed for grandmother, so also does Grater Lake Creamery feature a time-honored recipe for Custard Ice Cream for June Dairy Month. Ice cream is such an easy dessert to serve that a great many homemakers keep extra packages of either ice cream or sherbet in the freezing compartment of their refrigerators to have ready at hand always. For a shower for a bride-to-be there are always so many last minute things to do that a prepared-in-advance dessert is a mighty important time saver. Chocolate leaves may decorate

your favorite flavor of ice cream and chocolate goes well with all fruit flavors, too. To make the chocolate leaves, select medium size leaves from Oregon grape or a philodendron. Wash and dry the leaves. Then melt semi-sweet chocolate pieces over hot water. Place the green leaves on a pastry board. With a small water-color paint brush dipped into the melted chocolate, paint the leaves. One layer of chocolate is usually sufficient. Place the leaves in the refrigerator to set. To serve, gently peel the leaves from the chocolate.

PRUNES
Dress up cooked prunes with walnut halves for salad luncheon plates. Remove pits from the prunes and insert the nuts. Serve with cottage cheese or cream cheese balls and fresh strawberries or some red fruit to add a color note on the plate of greens.

FLAVOR POINTER
A little grated lemon rind added to cream of asparagus soup (homemade or canned) points up the flavor.

TIDBITS
Melon balls, marinated in wine or in pineapple juice, make an interesting appetizer for a buffet. Serve in a hollowed-out half watermelon shell, thoroughly chilled, with picks on the side for easy eating.

TEA SANDWICHES
Cut canned date nut bread into slices, spread with softened cream cheese and arrange a couple of well-drained canned cling peach slices on top. Looks and tastes good.
