## KF Nine Suffers Defeat

CENTRAL POINT — The Klamath Falls American Legion baseball team fell off the top of the District 4 league standings when Central Point dealt them a 4-3 defeat in Medford Friday night.

The loss, the second in a row for the KF squad, came in the last of the seventh inning off a pair of CP hits, a hit batter, and a fielder's choice.

Fueled for the defeat was Klamath Falls chucker John Webb. Webb gave up only four hits, walked two men and struck out three over the seven innings. The winner, Bill Anhorn, relieved John Anhorn in the fourth canto. Between the two Central Point pitchers the KF club picked up four singles, five strikeouts and six walks.

Klamath batters who collected hits were Blake Griggs, who worked in leftfield, catcher Dave Saks, second baseman Smiley Herrera, and shortstop Steve Binney.

Central Pointers credited with safeties were shortstop Hartley Dickerson, first sacker Steve Harris, second baseman Brad Getling and centerfielder Jerry Hauck.

Getling led off the winning inning with a single, was followed by Hauck who was hit by the pitcher and then both scored when Dickerson rapped a clean single.

The Klamathites overcame a first-inning one-run deficit to score a pair of markers in the fourth frame when Bob Yuncck laid down a bunt after Griggs had walked and Depew singled. A pair of stolen bases made the most of Yuncck's effort.

A pair of Klamath miscues in the fifth stanza allowed the Craterians to even the count, two-all. Klamath Falls picked up one tally in the top of the seventh when Don Willey walked, stole a base then scored off a sacrifice by shortstop Steve Binney.

## Player Credits US Experience

MUIRFIELD, Scotland (AP)—South African Gary Player, the youngest golfer to win the British Open championship in 91 years, Saturday gave a lot of credit for his success to experience gained in the United States.

"I played there for the last three years," the 23-year-old Player said, "and competing on the United States circuit has taught me a lot."

"It has given me a better temperament for big-time golf. And it has also improved my swing."

Player won the British Open Friday over the Muirfield links with a 72-hole total of 75-71-70-68—284. That was two strokes better than Fred Bullock, 40-year-old little known English professional, and Flory Van Donck, 47-year-old Belgian.

## New Manager Seeks Hustle

BALTIMORE (AP) — Bill Jurges, an aggressive shortstop in the National League for 17 seasons, says he'll expect the same kind of play from the Boston Red Sox when he takes over as manager Saturday.

"We'll do the best we can and we'll hustle like hell," Jurges said of the slumping Red Sox who are mired in the American League cellar, 10½ games off the lead. "Boston's not an eighth-place team—and they're not going to be."

The 31-year-old Jurges, a coach with the Washington Senators since 1956, was hired Friday to replace the ousted Mike Higgins. The Sox had a 31-42 record under Higgins.

Higgins was in his fifth season as manager. His teams twice finished third and fourth on two other occasions.

General Manager Bucky Harris declined to disclose the length of Jurges' contract or the salary. Jurges managed in the minor leagues in 1950 and 1953.

## Klamath Falls Swim Group Slates Four-Way Test July 18

The Klamath Falls swimming team, 35 strong, opens the summer season Saturday, July 18, when they play the role of the host to four other teams in a meet scheduled to be held at the Klamath Falls Municipal Pool.

The local group, under the coaching of Dick Hicks, takes on swimming teams from Lakeview, Chiloquin, Medford and Malin, beginning at 8 o'clock in the morning. The meet will get an early start in order that the regular swim day may get underway at 1 p.m.

Saturday, July 25, the Klamath squad will hold an invitational

meet with state-wide entrants at the local pool. Invitations have been sent to about 10 other swim clubs throughout the state.

Klamath's team is included in one of four districts which the state is divided into. Other members of the district with Klamath are Lakeview, Grants Pass, Medford and Ashland.

The meets are divided into five age groups—the novice, midget, intermediates, junior and senior divisions—with ages ranging from 8 to 17.

The local team, which began this summer with 52 hopefuls has only 13 members returning from last year's squad.

Hicks, who is the adviser for the team aside from being the coach, is being assisted by JoAnn Geiss and Carolyn Garrison.

Ella Redkey, pool manager, stated that the sole purpose of the state-wide swimming program is to "give the children as much experience as possible."

Officers elected by the local club earlier this year are Jay Cox, president, Dale Cummin, vice president, John Hees, secretary-treasurer, Sue Parisotto, reporter and Ina Arrington, associate reporter.

## Boxing Picture Clearing

Sugar Ray Robinson was on the outside looking in, world heavyweight champion Ingemar Johansson was winging his way home to Sweden for a hero's welcome and Archie Moore was resting his aching feet Saturday.

Robinson, at least temporarily, will have to take a back seat to Gene Fullmer and Carmen Basilio. They meet in the San Francisco Cow Palace on Aug. 28 and the winner will be recognized as the world middleweight champion by the National Boxing Assn.

After 90 days, the winner might take on Robinson, still recognized as the titleholder by the New York State Athletic Commission.

The NBA ruled that Robinson had forfeited his crown through idleness.

Johansson and his entourage left Idlewild Airport Friday night for Sweden after resting almost a week in Florida.

A crowd of about 53,000 of his Goteborg home folks were eagerly awaiting him at the city's big outdoor stadium. Plans were to fly Ingemar into town by helicopter.

As for the 43-year-old Moore, there's a bone bruise in the heel of his left foot which caused him to put off the July 15 defense of his world light heavyweight title with Yvonne Durrelle in Montreal until July 29.

"I never asked for a postponement before in more than 20 years of fighting," proclaimed Archie.

"But this is a most important fight for me. I don't want to short change the customers and I want to protect my championship."

Moore came up from four knockdowns to stop Durrelle in the 11th round in their first meeting in Montreal last Dec. 10.

## Pat McMurtry Meets Atley

SEATTLE (AP) — Tacoma heavyweight Pat McMurtry, answering the opening gong for the second time in his current comeback try, will meet Earl Atley of Philadelphia July 21 in Seattle.

Atley, 195 pounds, stopped Terry Lewis in the first of a scheduled 10 rounds in Spokane last month. McMurtry belted out a victory over Garvin Sawyer in Portland recently in his first comeback outing.

The Tacoman was a highly rated heavy until he met his match in Nino Valdez at Madison Square Garden last December.

Matchmaker Mike Connelly said Saturday he plans to feature Mike McMurtry, Pat's brother, in his pro debut in one of the preliminaries. The younger McMurtry boxed for Idaho State College for four years. No opponent has been lined up yet.

Others for whom Connelly said he is seeking opponents are Jim McCarter, former University of Washington football player and national amateur heavyweight champion; Floyd Joiner, Arizona heavyweight, and Johnny Riggins of Detroit.

## Chattanooga Eyes Bribery

NASHVILLE, Tenn. (AP) — Two Chattanooga baseball players, one of them the club's all-time home run leader, were suspended indefinitely Friday on charges they failed to report a bribery attempt.

Charles Hurth, president of the Southern Assn., said the action against slugger Jess Levan and Waldo Gonzalez was the first taken on such charges in the 74-year history of the league.

Levan, a first baseman, and Gonzalez, a shortstop, could not be reached for comment.

Hurth would not elaborate on the charges except to say the two men had been approached by gamblers, whom he did not identify, and asked to "tip off the opposing team on what pitches were coming."

He did say there is no evidence thus far that either had accepted any money. Investigation will continue, he said.

# Recruiting Rhubarb Looms At Tempe

TEMPE, Ariz. (UPI) — The National Collegiate Athletic Association provided the holiday fireworks today for Arizona State University with a request that the school answer charges of athletic recruiting violations.

Clyde Smith, athletic director credited with helping lead Arizona State out of a serious recruiting crisis several years ago, said a complete report concerning all three charges would be submitted to the NCAA Infractions Committee.

Smith denied the university promised and provided financial assistance to prospective student athletes, contrary to Border Conference and NCAA regulations. He acknowledged violation of regulations against providing free transportation to prospective student athletes for the purpose of enrollment and providing excessive entertainment to prospective athletes.

"All evidence and circumstances point to the fact there was no attempt to circumvent the regulations," said Smith. He said he accepted full responsibility for "misinterpretation of the rules" on entertainment and transportation.

Smith said money for transportation against providing free transportation to prospective student athletes for the purpose of enrollment and providing excessive entertainment to prospective athletes.

Joe Paparella of the American League will open at first base, Augie Donatelli (NL) at second and Ed Runge (AL) at third. The foul line umpires will be Shag Crawford (NL) and John Rice (AL).

After four and a half innings Barlick and Paparella will switch positions and so will Donatelli and Runge.

## Arizona On Pan

Arizona State was placed on probation by the NCAA in 1953, a year after disclosure of recruiting irregularities that led to a shakeup of the school's athletic organization. Smith, former Indiana coach, was named head football coach in 1952 and Dr. Donald Van Petten was chosen as interim athletic director.

The school returned to the good graces of the NCAA within a year and continued an ambitious athletic program that Smith, who succeeded Van Petten in 1955, believed could be carried out within the framework of the NCAA.
