**New York Life's new Guaranteed Insurability Option
guarantees the right to build financial security
later on—regardless of future health or occupation!**

A young man's right to buy more insurance later is guaranteed once he qualifies for New York Life's Guaranteed Insurability Option. Issued from birth to age 37, this valuable provision can be included with most new policies of \$5,000 or more—and at a cost of only pennies more per month! This option guarantees the right to buy another policy of equal amount (up to \$10,000) at any or all of seven option ages, beginning at 22 and every three years thereafter to 40. These additional policies will be issued at regular rates and without physical examination or evidence of insurability. Take this step to guarantee that your children or grandchildren (or you) won't be *uninsurable*—that they will be eligible to increase their insurance protection by as much as \$70,000 as needs and earnings increase.
