WALL STREET
 NEW YORK (AP) — The stock market closed higher today in a brisk recovery from Monday's setback.
 Volume for the day was estimated at 3,200,000 shares compared with 3,360,000 Monday.
 Selected industrials posted gains of fractions to a point or so. A good assortment of losers remained from the earlier irregularity.
 Gains of more than a point by U.S. Steel and Jones & Laughlin highlighted the steel section.
 American Motors advanced more than a point. Chrysler was about a point higher.
 Aluminums found renewed strength and airbrakes staged a minor rally.
 Reynolds Metals was up more than 4 and Kaiser Aluminum well over a point.

Lads Sought By Officials
 PIXLEY (UPI) — Manhunters combed a 30 square mile area south of here today for two youths who hijacked a sheriff's car from a deputy and later abandoned it.
 The youths were armed with two pistols and a .357 magnum revolver taken from Alpaugh Resident Sheriff's Deputy Richard Pulliam Tuesday morning. They got Pulliam's gun and commandeered his vehicle after flagging him down south west of Pixley when a car they stole from Pedro Ramirez, Earlimart, broke down.
 Pulliam said the gunman, one about 16, and the other in his early 20s, got the drop on him, took his gun and drove off.
 The deputy's vehicle was found about 17 miles west of Delano in Kern County Tuesday afternoon. Officers reported tracks led into the sagebrush from the car.
 Sheriff's spokesmen believed the pair may be hiding out in the Earlimart-Delano-Pixley Wasco region awaiting a chance to steal another vehicle to make their escape.

Marines Trudge Through Heat
 DEATH VALLEY, Calif. (UPI) — Marines of the 1st Reconnaissance Battalion marched through 100-degree-plus heat during the night in the 18-mile second-leg of "Operation Lo-Hi."
 The marchers made their way to Panamint Valley to camp early today as they moved slowly upwards from the 252 feet below sea level to Mt. Whitney Peak.
 None of the 250 Marines attempting the 14-day trek has been reported disabled by the scorching heat so far. The Marines are members of the 1st Marine Division from Camp Pendleton, Calif.

Man Pleads 'Not Guilty'
 SAN FRANCISCO (UPI) — Robert Runyon pleaded innocent Tuesday to a bigamy charge and was jailed for lack of \$2,500 bail.
 Both of his wives said they wanted to help him in every way possible — but whether either of them will live with him again was another question.
 Runyon, 30, Pleasant Hill, awaits preliminary hearing here Monday. His first wife, Mrs. Dorothy Runyon, 30, said:
 "I want to help him in every way I can. You can't be married to a man for seven years without having a great deal of feeling about him."
 She said she had not decided whether to take him back.
 Runyon's more recent wife, Joan Nelson, 23, former airline stewardess who quit her job to wed him and take a honeymoon trip to Las Vegas, said she was going home to St. Louis soon.
 "I'd like to see everything done for him that can be. I want to see him straightened out. But I think I must heal my broken heart. Robert belongs with his wife and children."
 Both women are slim, attractive brunettes and remarkably similar in appearance.

FATAL ACCIDENT
 COVELO (UPI) — Arthur E. Carpenter, 21, Covelo, was killed Tuesday when the car in which he was riding smashed into a bridge abutment on the Covelo-Longvale Road.
 The driver, Fred G. Downing, 25, also of Covelo, escaped with cuts and bruises.

Non-Surgical Method Cures Hemorrhoids Painlessly
 A relatively painless, non-surgical method of treating hemorrhoids (piles) is working therapeutic miracles for thousands who suffer from rectal and colon disorders.
 A recently developed electronic treatment is proving more effective than surgery, with none of the after effects of surgery.
 The treatment requires no hospitalization or confinement. Patients show marked improvement almost immediately, and uncomplicated cases can be frequently corrected in as little as 10 days.

Girl Killed; 27 Injured In Accident
 ARCADIA, Calif. (UPI) — An out of control bus loaded with 99 boys and men returning from an outing careened brakeless down a steep hill Tuesday, killing a girl in one of three cars it rammed before toppling over on its side.
 Twenty seven boys aboard the Catholic Youth Organization bus suffered minor cuts and bruises and four motorists were injured, one of them seriously.
 "I tried to keep from hitting traffic," said bus driver Brady Bolt, 29. "I hit a power pole on purpose to try to slow us down but I had no horn, no air, no brakes."
 The large bus rumbled down Santa Anita Ave. past the busy intersection of Sierra Madre Drive at speeds up to 55 miles an hour. It struck two cars, one of which in turn smashed head on into another auto, knocked down several trees and a power pole before hitting a parked car and overturning on top of it.
 The parked car was crushed nearly flat. It was unoccupied.
 The eight young men and adult counselors in the bus were credited with preventing their charges, aged 7 to 12, from panicking after the bus overturned at the end of the approximately one-block wild ride.
 The dead girl was identified as Corrine Matson, 3, of nearby Sierra Madre. Seriously injured was A. E. Debias of Pasadena.

Mayor's Meet Ends Today
 LOS ANGELES (UPI) — The three-day meeting of the U.S. Conference of Mayors winds up today with a program highlighted by a discussion on national civil defense problems by Leo A. Hoegh, director of Civil and Defense Mobilization.
 Mayor Robert F. Wagner of New York, along with Mayors Frank P. Zedler of Milwaukee, offered the 400 delegates at the convention Tuesday proposals dealing with the needs of growing cities.
 Wagner warned that mayors should guard against "super government," adding that "the great need in the sphere of metropolitan growth is not for panaceas, painless cure-alls, but for a willingness to try new inventions and to experiment."
 Zedler proposed the creation of large, unified all-purpose governments for each metropolitan area in order to cope with "the huge population increase in the United States, barring atomic war, by the year 1960."
 He said he believed the state and federal governments ought to "define by law the major metropolitan areas of the U.S." so such all-purpose governments could be created.

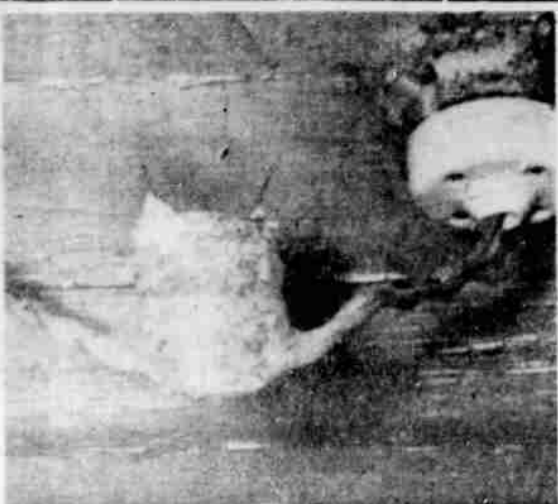

Funerals
TROY
 ALTURAS — Funeral services were held recently for Alva Troy, 62, under the auspices of the Alturas Elks Lodge. Interment was in the Alturas Cemetery. He was a native of Kansas and a resident of Lookout. Mr. Troy died in Niles on July 5, after a long illness. He is survived by the widow, Gladys; two sons, Alva Jr. and William, both of Hayward; two daughters, Mrs. Helen Hetherwick and Mrs. Georgia Smith, Alturas; a sister, Edith Troy Gresham; Sacramento and a number of grandchildren. He was employed by the Nevada-California-Oregon Railway and the Southern Pacific Company prior to operating a ranch near Lookout with his wife.

Funerals
MCCULLY
 ALTURAS — Funeral services were held recently for Kerr McCully for Louis E. McCully, 63, a native of Davis Creek and veteran Odd Fellow. He died Tuesday, July 7, in Alturas. Mr. McCully was born on April 26, 1876, and lived all his life in Modoc County. In 1910 he purchased a ranch near Cedarville, which he operated until 1942 when he moved to Alturas. Besides the widow, Ethel, he is survived by two daughters; Mrs. Lonella Chace, Alturas and Mrs. Dorothy Brennan, Washington, D.C.; five sisters, Mrs. Emma Roth, Miami, Florida; Mrs. Aileen Burch, Cannon Beach; Mrs. Maty Myers, Shady Grove; Mrs. Mamie Reed, and Mrs. Nora Ward, Cedarville; two brothers, Rod, Cedarville and Tom, San Francisco; four grandchildren and two grandsons.

Funerals
HICKS
 ALTURAS — Funeral services were held recently for Mrs. Florence Marie Hicks, 69, in the Chapel of the Twin Cities, Yuba City. She was a resident of Tierra Buena and died in Reno July 6. Survivors include the widower, Carroll, Tierra Buena; a daughter, Mrs. Stanley Guise, Yuba City; two sons, Donald, Alturas and Gail, Cedarville and a number of grandchildren. Mrs. Hicks was well known in Modoc County, where her husband was in charge of the electric generating plant of the power company which was purchased by the California Oregon Power Company.

BIDS SOUGHT
 DUNSMUIR — Dr. J. W. Reynolds and Dr. H. A. Meredith have asked for bids for a new medical center which they propose to build in the Kaleta subdivision in north Dunsmuir. The building is to be at the corner of North First and Park avenues and will be of frame construction with rustic exterior. There will be parking facilities at the rear of the building. Dr. Reynolds is a physician and surgeon and Dr. Meredith, an optometrist.

RESTS
 BURNEY — The state of California division of beaches and parks has announced roadside rests will be available to motorists in Northern California within the next few months. The rests include one at the Shasta State historical monument on U.S. Highway 299, and another at McArthur-Burney Memorial State Park, on State Route 89, Shasta County.

HOSTS TO HUMMINGBIRDS for the seventh year in succession, Mr. and Mrs. C. B. Kay, Montague, are delighted that one of the tiny birds has again built a nest in the loop of the electric cord for their front porch light. In the picture, two tiny birds are visible at the top of the nest. Another hummingbird has built her nest in a tree near one of their windows.

Annexation Vote Set August 11
 DORRIS — Siskiyou County School Superintendent W. E. Roberts has announced the election to determine annexation of the Mount Hebron School to the Macdoel School will be held August 11 in the Mount Hebron School.
 The annexation, which failed in three previous elections, is expected to carry. If the annexation is approved, it will become effective July 1, 1960.
 The election is one of three scheduled in Siskiyou County. Etna Elementary District voters will decide July 23 whether to allow an increase in the tax rate from the statutory 90 cents to a maximum of \$1.50. The measure was defeated last May.
 Since the decision was made to ask the voters a second time, the district has received unexpected revenues, but board members say they will go ahead with the election on the assumption of using only part of the maximum requested.
 Forks of Salmon voters will vote August 11 on a \$4,000 local bond issue and \$60,000 state allocation to build a new one-room school with kitchen, for 17 pupils, plus \$6,000 for a water system and electric generator.

Dunsmuir Woman Buys Sweet Shop
 DUNSMUIR — Audrey English has purchased the Sweet Shop from Mr. and Mrs. Don Bottega and, after being closed for a week-end for minor changes, opened for business Monday.
 Miss English, a Dunsmuir resident for many years, has recently operated a restaurant in Vallejo. She is the daughter of Mrs. Glen Akers.
 The Sweet Shop, a breakfast, lunch and snack bar in downtown Dunsmuir, has been operated by the Bottegas for the past 12 years. They plan to give full time to the Frosty Stand, which they built last year in north Dunsmuir.

NAMED MANAGER
 DUNSMUIR — Raymond Stryker has been named manager of the local Diamond Gardner lumber and building material yard, succeeding Dan Padilla, who was transferred to Red Bluff. Stryker comes to Dunsmuir from Redding, where he has been a salesman in the Redding Diamond Gardner store.

Woman Killed By Sight Bus
 SAN FRANCISCO (UPI) — A woman tourist from Massachusetts was killed here late Tuesday when an unattended Gray Line sight seeing bus rolled over her.
 Rose Gerardin, 61, Worcester, Mass., was the victim. She was stepping down from the bus when the accident occurred.
 Police said the bus had developed engine and transmission trouble. When the driver went for help, passengers alighted from the vehicle.
 The bus suddenly lurched as Miss Gerardin stepped down, and she fell under the wheel as it jumped the curb, crossed the sidewalk and crashed against a building, narrowly missing other passengers.
 The driver said he set the emergency brake but apparently it was ineffective due to the mechanical failure.

Money Budgeted For Prison Camp
 RIEBER — Lassen County has budgeted nearly \$300,000 to build a minimum-security conservation camp near here. Construction on the camp will begin as soon as property negotiations are completed.
 Richard A. McGee, state director of corrections, stated at a recent meeting in Susanville, that the state lacks facilities for 2,500 prisoners who are able and willing to work.
 Inmates will be used to assist public agencies in natural resource programs in California. It is anticipated 26 such camps will be in operation in the state by January 1, 1960. They will provide work and housing for 1,945 men.

Big Schooner Finishes Race
 HONOLULU (UPI) — Ralph Larabee's big schooner Goodwill crossed Diamond Head in a rain squall Tuesday night — the first of 41 trans-Pacific yachts to complete the San Pedro-Honolulu run.
 The 161-foot schooner crossed the finish line at 9:16:15 p.m. h.s.t. (12:16:15 a.m. p.d.t. Wednesday) in an elapsed time of 10 days, 12 hours, 16 minutes and 15 seconds. The handicap time was 11 days, 22 minutes and 15 seconds.
 This was far off the record of 9 days, 15 hours, 5 minutes and 10 seconds established four years ago by the Ketch Honoring Star.
 Hundreds of cars honked a loud welcome and thousand of spectators gathered on the rainy slopes of Diamond Head to cheer the white-hulled Newport yacht.
 Although it was the first to finish the biannual race, the Goodwill — being the scratch boat — was not a top contender for the handicap race.
 It lost a topsail last week and was slowed for 48 hours before the 53-man crew was able to jury-rig another sail. The vessels then came with a push in the last two days to lead the pack across the line.

State To Pay For Art Work
 SACRAMENTO (UPI) — California today agreed to pay artist Cameron Booth \$3,000 for a disputed portrait of former Gov. Goodwin J. Knight.
 But Finance Director Bert Levitt was unable to give any assurance that the picture would ever hang in the Capitol corridor with other gubernatorial portraits.
 Levitt said the portrait will have a public preview starting Monday in the Palace of the Legion of Honor in San Francisco.
 From there on, nobody is certain what will be its fate.
 Knight last week threatened to tear down the portrait himself if it ever hangs in the Capitol. Among other matters, he did not like the eyes, which he said stared off vacantly.
 Booth, however, was satisfied with the painting. Said Levitt of Booth: "I suppose he's happy but I don't think an artist likes this sort of thing."
 Levitt was a little unsure of Knight. He said that he hoped Knight will accept the portrait "after the smoke blows away."

FOUND GUILTY
 DUNSMUIR — Found guilty in Dunsmuir Justice Court last week, Garrett Corrigan, Anderson, was fined \$25. William Grossen, McClelland, who was arrested on McClelland's complaint and originally charged with reckless driving, was found guilty of speeding and fined \$16.
