Klamath Falls 13-4, Central Point 3-3

The Klamath Falls American Legion baseball team put a golden zipper on the 1959 league season with a pair of triumphs over the Central Point Cheney Studs at Gem Stadium Sunday afternoon.

The KF squad, despite the fact that they had been unable to practice for a week, had little trouble in unleashing a 10-hit barrage featuring a deep-center homerun off the bat of Rich Depew for a 13-3 victory over the Studs in the first game. They came back in the second test, the non-counter, with a come-from-behind 4-3 win.

Pitcher Blake Griggs, who dispensed a four-hitter to win the first game for KF, was the big gun in the second test with a timely single and a double that accounted for the necessary Klamath Falls four runs.

Depew, the KF centerfielder, smashed one of the longest blows ever to land inside the park to inspire a five-run sixth inning for the winners in the first game. His blow scored Don Willey, left field, ahead of him. Willey collected a triple and single in three trips, Griggs, immediately following Depew in the sixth, came close to duplicating the four-master with a resounding three-bagger of his own.

KF second-sacker, Bob Yunk, got the other extra-base blow, a two-run double in the third, plus a single in the sixth.

Both of the day's losses were charged to Cheney's Bill Anhorn, Anhorn, who was relieved in the first game by cousin, Jeff, came back to the mound in the fourth inning of the second game, just in time to give up the winning run. Gary Beber collected the victo-

ry in the second game, going all five innings.

## IOC President Boosts Hopes

PHILADELPHIA (UPI) — Chances of Nationalist China competing in the 1960 summer Olympic games in Rome were given a boost today by Avery Brundage, president of the International Olympic Committee.

Brundage, of Chicago, said here Sunday he will "recommend and support" recognition of the Nationalist Chinese as Olympic competitors under the name of "The Olympic Committee of the Republic of China."

The statement by Brundage came as something of a surprise in sports circles, for he has been criticized in various quarters ever since May 28 of this year when the IOC voted at its meeting in Munich to cease recognition of the Nationalists under the name "China."

The IOC ruled that the Nationalists do not control sports throughout China and should reply for recognition under a name indicating they represented only Formosa.

## Pasarell Wins Match

LOUISVILLE, Ky. (UPI) — Charles Pasarell of Puerto Rico won the singles title in the Kentucky State Junior tennis championships Sunday by defeating Jerry Cromwell of Long Beach, Calif., 6-3, 6-1. Cromwell and Rodney Kopp of Honolulu won the doubles crown with a 6-2, 6-1 victory over Pasarell and Jorge de Jesus of Puerto Rico.

## Braves Lose Again, Yanks Bounce Back

By THE ASSOCIATED PRESS

It is just like old times for the Dodgers. Duke Snider and Gil Hodges are hitting home runs. Cleo Labine is winning in relief. And an important series with the Giants is coming up next.

The old rivalry that flourished in Brooklyn and New York seems to have lost little of its vigor transplanted 3,000 miles west in Los Angeles and San Francisco.

The Giants' National League lead measured 2 1/2 games with the second place Dodgers coming to town Monday for a two-game series.

Pittsburgh shaved the Giants' lead a half game Sunday when Bill Virdon's eighth-inning home run beat the pace setters 3-2 in the first game of a scheduled doubleheader. The second game went only two innings before it was postponed because of the Sunday curfew.

Just when you get ready to count the Yankees out, they pop right back into the thick of the American League fight.

A week ago, after losing an entire 5-game series in Boston, they were dead. On Friday morning they were very much alive with a series sweep over Cleveland.

The magic of Early Wynn and Bob Shaw gave Chicago the first two games of an important week-end series. Once again they were ready to hang the crepe on Casey Stengel's office door.

Stengel's office door. The Yanks knocked the lid off the coffin Sunday by sweeping two from Chicago. The explosion knocked the White Sox out of first place. The Cleveland Indians, who had been eased out of the lead by the Yanks, regained "control" by .001 percentage. New York is 5 1/2 back.

This should teach people a lesson. From the looks of things at this stage, nobody is going to romp off with this American League pennant until late September. Each club has a vital weakness.

## NY 6-6, ChiSox 2-2

Stengel found help from unexpected sources in his Sunday sweep, ending a streak of eight straight Sunday defeats dating back to June 7. In the first game it was 43-year-old Enos Slaughter, oldest active player in the majors, hitting a pair of two-run homers in a 6-2 victory for Whitey Ford. In the second it was Ell Grba, a 6-2, 200-pound rookie from the Richmond farm, turning back the White Sox 6-4. Ryne Duren helped out both Ford and Grba, but Chicago did not score an earned run all day.

The rain that left them slipping and sliding around Yankee Stadium in the late innings, gummed up things at Boston.

## Tribe 5-5, BoSox 6-3

The Red Sox nipped the Indians in the opener 6-5 on Frank Malzone's double with two out and the bases full in the last of the ninth. Cleveland grabbed first place by taking the second 5-3, a game interrupted and finally

## Records Fall At Redding

REDDING, Calif. (UPI) — It's on to Lansing, Mich., and try-outs for the Pan-American Games for the country's record-smashing feminine mermaids today.

Fresh from conquering the warm waters of the Lake Redding Pool in the National A.A.U. Championships, the girls will move next to Michigan State University for the Pan-Am try-outs on Aug. 6-9 and 11-12.

The star of the four-day meet here was Chris von Saltza, a 15-year-old platinum blonde from San Jose, Calif., daughter of a radiologist.

The jet-propelled miss captured three crowns — the 110-yard, 220-yard and 440-yard freestyle events. She smashed the American record in each event.

The mermaids, gathered from all sections of the country, smashed four world, 11 American and 14 meet records during the four days of competition.

There were only 14 events in swimming — so a meet mark was set in every one — and new American records were set in all but four events.

## Davis Cupper Named

RIVER FOREST, Ill. (UPI) — Six promising young players were named today to the U.S. Davis Cup squad for experience. They were R. Dennis Ralston, Bakersfield, Calif.; Paul Palmer, Phoenix, Ariz.; William Bond, La Jolla, Calif.; Ramsay Earhart, Ventura, Calif.; Charles McKinley, St. Louis, and Marty Riesen, Hinsdale, Ill.

Willie Shoemaker won nine stakes races at Hollywood Park in 1956 and again in 1958.

called because of rain as Boston came to bat in the ninth.

The big man for the Indians in their second game victory was Tito Franco who drove in three runs. Al Cicotte, third Cleveland pitcher, struck out five in three innings to earn his second victory.

Gary Geiger of the Sox and Jim Baxes of the Indians homered in the first game.

## Nats 7-5, KC 0-6

Washington's Camilo Pascual won his seventh straight 7-0 by holding Kansas City to five hits in the first game but the Athletics took the second 6-5 in 10 innings on Hal Smith's home run.

Not even Harmon Killebrew's 32nd homer and Bob Allison's 25th (his second of the day) could save the Senators in the second.

## Orioles 2, Tigers 1

Baltimore got three-hit pitching from Billy O'Dell, who developed a blister on his pitching hand, and Billy Loeb for a 2-1 decision over Detroit. It was the Tigers' 14th defeat in their last 17 games despite Charlie Maxwell's 21st homer.

## Pirates 3, Giants 2

It took 3 1/2 hours to play the first game at Pittsburgh with three rain delays interrupting the battle between Vern Law and Stu Miller. Pittsburgh led 1-0 after two innings of the second game which must be replayed.

## Bums 8-2, Phils 4-3

Hodges' 17th homer clinched the first game for the Dodgers as it came with Jim Gilliam and Snider on base. They started strong in the second game, but the Phils got to Johnny Podres for three big runs while Taylor Phillips pitched effectively in the clutch.

## Cards 9, Braves 5

Vinegar Bend Mizell won his 11th at the Braves' expense but had to leave the game after seven innings because of a pulled back muscle. Marshall Bridges held the fort although touched for homers by Eddie Mathews and Joe Adcock in the ninth.

**DUNSMUIR** — The Dunsmuir Merchants rapped a total of 13 hits, including four extra-base blows, to whip the Klamath Kubs 10-6 in a Northern California League baseball game played here Sunday afternoon.

Other action saw the league leading Yreka Indians dump Weed 5-3 while the Scott Valley Stars crushed Mount Shasta 10-6.

The Merchants rolled to their victory behind the 12 strikeout, 11-hit pitching performance of Bob Molton. The Kubs managed a pair of two-baggers but couldn't get their hits bunched efficiently.

The loss was charged to the Kubs' Wayne Hironaka, who was relieved in the eighth frame by Ed Vegley.

Catcher Marv Cartwright led the Merchants, collecting three hits, while holding the KF squad to three in the eighth and one in the ninth.

The next Northern California League action is the annual All-Star game which is scheduled for Weed Sunday. The North and South All-Star teams are led by Denny O'Brien and Charley Farrell, respectively.

## Doe Hunts Readily Accepted

SACRAMENTO (UPI) — California is getting closer to longer either-sex deer hunts.

Hunters are accepting doe hunts more readily. There are not so many objectors and each year there are less.

Fred Jones, deer management chief for the Fish and Game Department, said, "public opinion on doe hunts is not so antagonistic."

Jones spoke on the basis of 15 hearings during the past month on proposed antlerless or either-sex deer hunts this fall.

The hearings were conducted under a legislative rule that the Department of Fish and Game must have approval of county supervisors before calling such hunts. The public must also agree.

It was Jones' job, as the top expert in the department, to attend all the hearings and offer the department's view as well as advise hearing officers.

He said he could not be certain on recommendations finally made by the hearing officers, but had concluded there was "not quite" as much opposition as in other years.

"In many areas," he said, "people are accepting the principle of a doe hunt as sound deer management. This acceptance is increasing."
