Sewer Collapses Killing Worker

ELLISVILLE, Mo. (AP) — The walls of a 16-foot sewer ditch collapsed and buried a 26-year-old Pacific, Mo., laborer alive Tuesday.

Clem Garner of St. Louis saw the walls start to collapse. He scrambled out of the ditch, grabbed the arm of Marvin E. Rickard of Glencoe, Mo., and pulled Rickard to safety.

Wagon Train Rolling West After Crossing Into State

NYSSA, Ore. (AP) — The Oregon Centennial Wagon Train rolls on today with its goal of the Willamette Valley three weeks off.

The seven wagons crossed into Oregon here Tuesday on the 2,200-mile journey from Independence, Mo., to Independence, Oregon, to celebrate Oregon's 100th year of statehood.

Some 3,500 persons turned out to welcome the 30ers to Oregon as they crossed the Snake River from Idaho. A carnival atmosphere prevailed in this border town.

The temperature was past 100 when the 30ers arrived in Oregon, but this failed to lessen the enthusiasm. Centennial costumes appeared and children climbed over the wagons.

A ceremony at the bridge heralded the arrival of the wagon train. A logger's chain stretched across the bridge between the two states. Wagonmaster Tex Serpa of Ashland was handed a key to Oregon to unlock the chain by four-year-old Deborah Ann Keller of Nyssa.

Mounted posse and an Oregon National Guard jeep led the wagon party its last few miles in Idaho.

Secretary of State Howell Appling told the gathering at the bridge that the wagon train "is a great credit to the state."

He said Oregon now must do better in welcoming the train than the other states. "We've seen the wagon train receive a tremendous reception in every state," he said.

The journey to Vale today will be marked with a new experience. The wagons will ford the Malheur River.

From Vale, the pioneers will travel to Junction for a stop Thursday, Huntington for a Friday stop and will spend the weekend near Durkee.

They plan to arrive at The Dalles Aug. 8, leaving there Aug. 10 for a barge trip down the Columbia. They will disembark near Portland and take to land for the final trip down the Willamette Valley to Independence for a celebration Aug. 15.

The wagons are now three days ahead of schedule but plan to arrive on schedule at Independence.

BOY STABS FATHER

NEW YORK (UPI)—A 12-year-old boy stabbed his father to death Tuesday night when he found him choking the boy's mother. Police said Raymond Wierzbicki was playing in the street with his younger sister and brother when he heard screams from their apartment and ran inside. Finding his father and mother struggling, he grabbed a knife and plunged it in the back of his 34-year-old father.

Candidates 'Names' Told

HONOLULU (AP) — Candidates of Japanese and Chinese ancestry running in Hawaii's first state election Tuesday seem to have a fondness for American nicknames.

Under Hawaii law, a candidate's nickname may appear on the ballot.

The ballot shows these Japanese-Americans among political hopefuls for the State House of Representatives: Democrats George (Scotty) Koga and Walter (Mits) Harada; Republicans Yoshiichi (Big Mice) Yoshida and Katsugo (Kats) Miho; Republican Lawrence (Peanuts) Kunishi is running for the state Senate.

Crews Rescue Explorer, 16

NASHVILLE, Tenn. (AP) — A young cave explorer who tumbled 70 feet into a subterranean pit was rescued Tuesday night, seriously hurt and delirious, after being trapped more than two hours.

"Oh my God! Oh my God!" cried Tom Wainman, 16, of Nashville, as he was hoisted from the pit by Jerry Allen, 17, a friend who joined scores of rescue workers.

Wainman lapsed into unconsciousness before arriving at a hospital in an ambulance. Attendants said he suffered a brain concussion, broken leg and cuts and bruises.

Don Tavalin, 16, one of three boys who were exploring the cave with Wainman, said Wainman lost his grip on a rope, tumbled about 40 feet and then fell into the 30-foot pit.

Rescuers lowered Allen on a rope sling. He tied Wainman to a stretcher. The injured youth was then hoisted by ropes up a cliff inside the cave and lowered down a sheer bluff outside the cave to the ambulance.

"I was the only one down there and he fought me," Allen said. "I couldn't get him tied on the stretcher. He was out of his head fighting."

Ex-Showgirl Asks Divorce

JUAREZ, Mexico (AP)—Joyce Mathews, former New York showgirl, was scheduled to appear in a Juarez court today for a divorce from Broadway producer Billy Rose.

Juarez court sources indicated the decree, which is uncontested, should be granted Thursday.

Miss Mathews was to appear in person before Judge Ignacio Martinez Aguayo of the First Civil Court to ask for the separation on the ground of incompatibility of characters.

Miss Mathews and Rose were married three years ago in New York when she was 36 and he was 56, but their romance had come to light in 1951 when she slashed her wrist and tried to jump out of a window of Rose's New York apartment.

Rose previously had been married to comedienne Fanny Brice and swimmer Eleanor Holm. Miss Mathews had been married on two different occasions to comedian Milton Berle. Her first marriage was to Gonzalo Gomez, son of a Venezuelan political leader.

Girl Assists In Capture

SACRAMENTO (UPI) — A teenage girl saw her father shot to death Tuesday night in an attempted robbery, then chased the alleged killer for five blocks to aid in his capture.

Henry M. Nakatomi, 45, was killed by a shotgun charge in the chest from a range of about two feet.

Police booked Roy Delaney, 36, Sacramento, into city jail as a result of the shooting. He was found hiding in the bathroom of a small hotel near where Lynn Nakatomi, 16, had chased him.

The shooting occurred in Nakatomi's neighborhood grocery store here. One man, still at large, engaged Nakatomi in conversation at the rear of the store while a second, believed to be Delaney, opened the cash register at the front.

Nakatomi captured Delaney with a butcher knife and held him while Lynn got a shotgun. The store owner was shot when he grappled with Delaney for the weapon.
