Why there is no orange or lemon like a **SNOBOY**

In sunny California is found the climate oranges and lemons like best. There, sun, soil and temperature work full-time to produce SNOBOY'S true coloring, matchless flavor, and extra juiciness.

Ripe and ready! And no SNOBOY orange or lemon is ever picked until it is. Both sugar tests and taste tests are used to be sure texture, juiciness and flavor have reached their very peak.

After conditioning under carefully controlled temperature and humidity, the fruit is washed, graded by hand, sized, and then packed—also by hand. SNOBOY'S care here means quality at your store.

SNOBOY'S tree-to-grocer care continues as the oranges and lemons are rushed in cool, cool trucks to your grocer's. There you get famous SNOBOY quality... picked for flavor quality!

THERE'S NO CARROT LIKE A SNOBOY EITHER!

Fresh from the fields, SNOBOY Carrots are washed, brushed, graded, packaged and cooled.

With carrots, speed is important. And SNOBOY Carrots are harvested, packaged and shipped all in the same day! When they arrive at your grocer's, they're fresh, crisp, full of flavor!
