

Speech Club Fetes Tutor

Ewauna Toastmistress Club honored Mrs. Roy Fenning with a potluck dinner at its regular meeting Monday night held at the home of Mrs. Robert Davies. Mrs. Fenning, who is leaving Klamath Falls to teach at Oswego School, has been a member of Toastmistress for many years. Members of Mrs. Fenning's club, Mount Mazama Toastmistress, were invited to participate in the meeting.

Topics, led by Mrs. H. F. (Bud) Smith, were excerpts from Shakespeare. The program, with a theme of State Parks, was introduced by Mrs. Robert Davies. Rowena McDonald spoke on "Parks to the East—Parks to the West." "Cascade Wonderland" was the title of a speech given by Mrs. Fred Journey. Mrs. A. R. Whetstone gave an impromptu speech entitled "Farewell to Leigh" and presented Mrs. Fenning with a gift.

Critics for the evening were guests from Mt. Mazama Club. The next meeting of Ewauna Toastmistress will be August 10.

Fete Ends In Tragedy

EL PASO, Tex. (AP)—A family birthday celebration ended tragically Wednesday when a father shot two of his children to death, then killed himself.

Police said Pedro Acosta, 39, fatally shot his daughter Patricia and his son Alejandro. The girl was celebrating her eighth birthday and her brother his sixth. Acosta also critically wounded another daughter, Celia, 19.

Relatives told police Acosta had been out of work for several months and had suffered a nervous and mental breakdown. He seemed in good spirits during the party. The family was drinking soda pop in the front yard. Then Acosta sent the children into the house and followed them. His wife heard shots and ran to a neighbor for help.

Ray Brackman, Valley Falls lecturer, who acted as master and three youths presented a baseball skill.

Robert Crape of Midland Grange and Earl Sheridan, Lost River Grange, also were guests. Potluck dinner was served and the evening ended with piano music by a Valley Falls member.

Trucks Available For Cemetery

NEW PINE CREEK—Chief Partin, Lake County road foreman in charge of county trucks, has announced that recent action of the Lake County Court has made trucks available for cemetery use.

When graves are dug mechanically, dirt can be thrown into a dump truck and moved outside the cemetery until after the services. Then the truck load of dirt can be brought back and put into the grave, relieving pallbearers of re-filling the grave.

Individuals desiring the use of a county truck for this purpose will be required to obtain permission, go get the truck and return it.

Anyone wishing to secure a truck may contact Alvin Butler, member of the cemetery committee.
