Shower Honors Mary Wolcott

A large group of friends attended a surprise wedding shower on July 17 honoring Mary Lou Wolcott at her home at 122 Hillside Avenue.

Several games were played during the evening after which the guest of honor opened her many gifts.

The gift table was attractively decorated in pink and white by the use of a white lace umbrella centerpiece surrounded by pink snapdragons and white daisies. Ice cubes were attached to the bows of the umbrella and during the evening slowly melted, dripping on the flower arrangement, giving an appearance of an actual shower. Tall white tapers and a decorated sheet cake in pink and white, appropriately inscribed, added to the decor.

Refreshments were served by the hostess, Mrs. Joe Mick, assisted by Susan Wolcott and Mrs. Mabel Wolcott, sister and mother of the bride-elect.

Mary Lou Wolcott became the bride of Leonard Munson on Saturday afternoon.

Past Noble Grands Meet For Picnic

A potluck picnic and social meeting was enjoyed by the Past Noble Grand's Club of Prosperity Rebekah Lodge, No. 104, at the Veterans Memorial Park on July 9.

Among the large number present was a special guest, Fred Jones of Pittsburg, California, and formerly of this city, who recounted early days of Klamath Falls with many of the members. Other guests included three grandsons of Vera Clemmons, who are visiting for the summer months. Due to the absence of President Sadie Wallace, the meeting was

in charge of Helen McCornack, secretary, and Vera Clemmons, treasurer. Plans were made for projects this fall, among them being an apron booth at the carnival and bazaar to be held by all groups of the order, with some of the proceeds to aid the United Nations Pilgrimage Fund which the Odd Fellows and Rebekahs sponsor each year.

Meetings of the club will be resumed on the first Tuesday of each month, the next being scheduled for August 4, at the home of Helen McCornack on Lakeshore Drive. All members are asked to be present for the potluck luncheon at 12:30 p.m. on that day.

FOOT EXERCISE
If your feet and ankles tire during the day, remove your shoes. Then rotate your ankles about 10 or 12 times while sitting. Also wriggle and stretch your toes. This not only strengthens the muscles but also relaxes tired feet.
