

Nixon Held To Be Match For Khrushchev In Meet

WASHINGTON (AP)—Vice President Richard M. Nixon is proving himself a match for Soviet Premier Nikita Khrushchev, in the opinion of several Congress members.

Sen. Mike Mansfield of Montana, the assistant Democratic leader, said Nixon is "making the best of a very difficult and delicate situation" during his visit to Moscow.

"He is rolling with the punches thrown at him by Khrushchev," Mansfield said. "He is also sending back some good punches."

Sen. John Sherman Cooper (R-Ky.), a former ambassador, said in a separate interview he thinks Nixon has matched Khrushchev in "directness and toughness" in their informal, caustic exchanges. "Nixon is doing exactly what is needed," Cooper said. "He's talking the only kind of language Khrushchev can understand."

Rep. Richard M. Simpson (R-Pa.) said in a statement that Nixon's verbal encounter with Khrushchev was "a superb example of courage and intelligence."

Sen. Everett M. Dirksen (R-Ill.), the Senate GOP leader, told a television audience he thinks Nixon has helped both himself and the nation by his actions, and added: "Frankly, I'm quite proud of his performance in the Soviet Union."

Nixon and Khrushchev engaged in a series of spirited exchanges as they toured the American National Exposition which Nixon formally opened in Moscow Friday.

The two top officials, who met in a long secret session Sunday told newsmen they considered the Friday exchanges "hard hitting, direct, frank — but not belligerent." They denied any implication either was offended.

Because Nixon is all but an avowed candidate for the 1960 Republican presidential information, there has been a great deal of speculation in Congress about the political effect of his trip.

The vice president, seemingly caught off base by Khrushchev's original outburst, came back strong in the latter rounds in the meeting that left diplomats

aghast at their public exchanges. The fact that Nixon tried to be polite and circumspect at first but was willing and able to return shot for shot when he found it necessary, was regarded by political friends here as a sign of their favorite's adaptability to any circumstances.

Along that line, Simpson commented that "for once Khrushchev ran up against a man who refused to be intimidated."

Mansfield, who is no Nixon rooter, said he thinks the vice president stands to benefit at home for the way he has conducted himself thus far in a decidedly cool and often hostile atmosphere.

Khrushchev's Behavior Normal

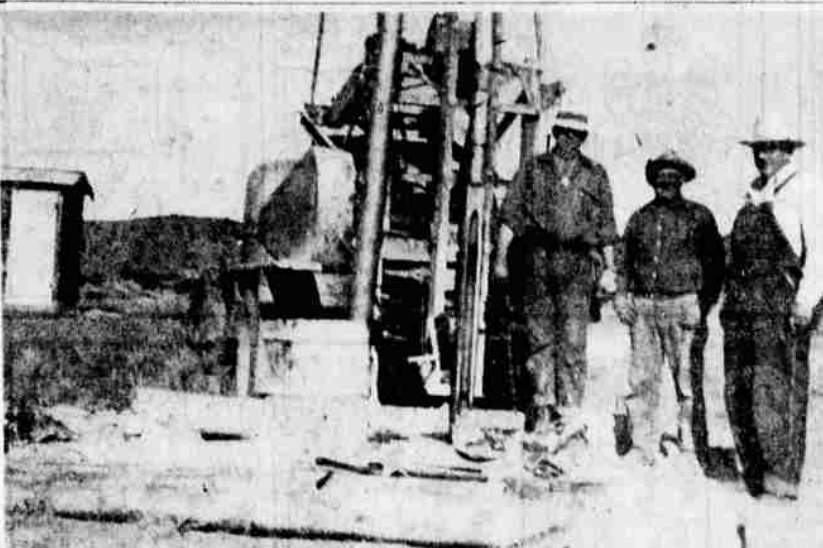

FLORENCE, Italy (AP)—Adlai Stevenson said today that Soviet Premier Nikita S. Khrushchev's verbal duel with Vice President Richard M. Nixon in Moscow Friday was nothing new.

"Khrushchev is that way often," the former Democratic presidential candidate said. "It's no novelty. He behaves according to his sudden changes in mood. He has done the same with other American politicians. He acted the same way with me when I went to the Soviet Union last summer."

Stevenson, here on vacation, said, he considered the international situation even more grave than it was a year ago.

Youth Held In Shootings

TUCUMCARI, N.M. (AP) — A handicapped 13-year-old boy was held for psychiatric examination today after he shot his father and mother with a high-powered rifle. Gordon Ellis, a hare-lipped cripple with a cleft palate, told officers he used a 30-30 rifle on his sleeping parents because: His father had "bawled him out" for failing to run an errand. His parents had refused to buy him a motor scooter, and They wouldn't let him go to his grandmother's home to watch television. His father, Ted Ellis, and mother, Charlotte, lay in Tucumcari General Hospital in serious condition. The father was shot in the cheek and left shoulder, Mrs. Ellis in the right shoulder and hip. "He doesn't seem to appreciate the gravity of what he's done or appear remorseful," Dist. Atty. Victor Breen said. He ordered the child held in the juvenile ward of the Quay County jail for a mental checkup. The first question young Ellis asked officers when they arrived near midnight Saturday after the shooting was reported was: "Do you think I'll get a spanking?"

Canal Claims Two Sisters

MERCED, Calif. (AP) — The powerful suction of an irrigation canal headgate drowned two sisters and nearly drowned their uncle. Melba and Dolores Campbell, 17 and 18, daughters of the Rev. and Mrs. M. F. Campbell of Merced, and their uncle, Cecil Campbell, were in a party of eight which sought to escape the 106-degree heat by picnicking at a large pool where a headgate backs up a canal. Melba and Dolores went swimming. Dolores got too close to the headgate and the current started to suck her through the three-foot opening. She lodged on a piling and Melba jumped in to help her. Melba was shot through the opening and drowned. Cecil Campbell then jumped in, but he too missed Dolores. He got through the opening and climbed out downstream to summon help. Dolores' body was found wedged in the headgate.
