Siskiyou Artists Plan Entries At County Fair

YREKA — Mrs. Calla Lukes, president of the Siskiyou Artists Association, recently mailed letters to all members calling attention to the Arts and Crafts Exhibit Department being offered by the Siskiyou County Fair, and urged members to enter exhibits.

Mrs. Lukes stated that it is an amateur exhibit, limited to Siskiyou County entrants, and they were permitted two entries per sections as follows: four sections each in the oil and watercolor media of landscape, portrait, still life and "all others." The latter is the miscellaneous section which could include such sub-

jects as marine, wild life, birds, horses, and similar subjects. There is also one section for charcoal, ink and pencil drawings.

The crafts cover ceramics and china, leather and metal work, with sections covering all kinds and types of work in these crafts.

All entry blanks must be in the fair office or mailed not later than August 7. Articles themselves will be accepted at the fairgrounds, south of Yreka, August 20. Addi-
