

MARKETS and FINANCE

Stocks WALL STREET

NEW YORK (AP)—A mid-day rally sent most stock market prices a shade higher in busy trading this afternoon. Oils remained strong.

Volume for the day was estimated at 3,700,000 shares against 3,190,000 Tuesday.

Rails, docile in the market's recent upsurge, featured the rebound by running up some smart gains. Steels bounced back moderately.

Chemicals, metals and aircrafts generally moved fractionally higher. Electronics were mixed. Motors eased while some drugs suffered sharp losses.

After dropping a shade higher at the opening, the market backed down until early afternoon. Prices then edged higher again.

Oils, bolstered by improved company earnings reports, barreled ahead for the second straight day. Amersol and Shell Oil each soared almost 4. Richfield Oil jumped around 4. Royal Dutch and Gulf Oil advanced more than 2.

Southern Pacific paced the rail advance with almost a 2-point gain. Baltimore & Ohio and Illinois Central stepped up around 1. New York Central, Chesapeake & Ohio and Pennsylvania each added around half a point.

School Funds Distributed

McCLOUD—The necessary funds to balance budgets and for capital outlay were allocated for this year only to the following elementary school districts by the Siskiyou County Board of Education which met recently at Yreka:

Callahan, \$1,300; Klamath River Union, \$1,500; Gazelle, \$1,500; Hill, \$2,900 for furnace repairs; Gramada, \$1,300; Hornbrook, \$3,554; Quartz Valley, \$1,332; Happy Camp, \$1,250; capital outlay only; Montague, \$750 and Seiad, \$800.

The next meeting of the board will be held on August 19 at 8 p.m. at the courthouse at Yreka.

Other business brought up at the meeting included an allocation of \$1,000 from forest reserve funds to purchase a new school bus for Dunsuir. Also, Mount Shasta Elementary District made a comparable request and an allocation not to exceed \$1,000 was granted subject to findings of the county office.

Crawford & Porterfield, Sacramento, was retained to audit the county department of education books, after receiving information that a 10 per cent increase in cost of same was bid.

Credentials were approved as follows for James L. Montgomery, special secondary industrial arts grade; Thomas R. Cox, general secondary grade and Victor E. Breceda, provisional elementary grade.

Two life diploma applications were approved for Inez Elaine Moreno, Mount Shasta, general elementary grade and Bernice Malmquist Herlindahl, Yreka, general elementary grade.

Driver Draws Stiff Penalty

DORRIS — A fourth offense charge was levied recently in traffic court against a Colusa man, Tom Jackson Holsey, 55.

The complaint against Holsey was signed by the California Highway Patrol. He was charged with drunk driving and driving on the wrong side of the road.

Judge Les Chase fined him \$325 and he was given a 90 day sentence.

Holsey was also charged with driving without an operator's license and driving while his license was suspended.

Judge Chase added a \$300 fine or 60 days in the county jail.

He was committed in lieu of the fines.

Footprinters Hold Meeting

DUNSMUIR—Members of Dunsuir Chapter 6, Footprinters, at their recent meeting in the Piedmont Hotel at Mount Shasta, discussed scholarships for high school graduates who wish to study law enforcement.

The local chapter intends to award scholastic help to some youth in the area next month and hopes to make the award an annual event.

At the meeting Pete Bacchieri, local delegate, reported on the recent Footprinters conventions in Salt Lake City.

GRAINS

MISS MODOC COUNTY will be chosen from this sextette of young lovelies on Saturday at Cedarville as a prelude to the Modoc County Fair. The winner will be announced at midnight at the Queen's Ball. Photographed this week at the recently opened Alturas community swimming pool, the contestants are, from left to right, Sandra Fountain, Roberta Bowman, Susan Perry, June Wright, Carolyn Heryford and Jan Hofeldt. Photo courtesy of Bob Sloss, Alturas.

Mason Wins 50-Year Pin

DUNSMUIR—Herman G. Fischer, a resident of Dunsuir for the past 30 years and a master Mason for 50 years, received his 50-year pin at ceremonies conducted by Dunsuir Lodge, No. 297, AF and AM at the Dunsuir Masonic Temple recently.

Fischer, a member of Ashland Lodge, No. 23, received his pin from Robert Harris, master of the Dunsuir Lodge. He has been a valued member, Harris said in making the presentation, and has served on the degree team of the local lodge for many years.

His older son, Maj. Gen. Harvey Fischer, Fort Riley, Kansas, is also a Mason, and sent his regrets at being unable to attend the ceremonies for his father.

Fischer, a retired railroad engineer, makes his home with his son, Sidney Fischer, and his family.

A dinner served by the Dunsuir Rainbow Girls preceded the event.

Scrutiny Of Budget Set

DUNSMUIR — Final consideration of \$124,160 budget by the Dunsuir High School Board of Trustees is slated for Saturday at 1:30 p.m. at the Dunsuir High School. This is the public hearing prior to budget adoption, Del Poe, high school superintendent, said.

There is a slight increase over last year's budget according to Poe who did not have the 1958-59 figures at hand. He attributed the increase to salary adjustments and higher costs generally, but said with an increased state apportionment and higher assessed valuation of the district, the school will be well within its income this year.

Poe reported the faculty for this year is complete except for a commercial teacher. Driver training will be a new course taught by Joe Smith who is attending San Jose State summer session. Smith, a school custodian, will also drive the high school bus this year.

Dunsuir High School has been fully accredited until 1964 by the California Association of Secondary School Administrators as a result of the recent study of school plant, faculty and curriculum. Poe stated.

At the July board meeting, Sidney Fischer was named chairman of the board and Arthur Crowe, clerk.

Siskiyou Fair Plans Laid

YREKA—Ed Mathews, manager of the Siskiyou County Fair, which is slated for Friday, Saturday and Sunday, August 21, 22 and 23, issued a reminder Monday, that persons who are interested in competition for the \$36,000 in fair premiums, must submit entries not later than Friday, August 7. If sent by mail, they must be post-marked not later than that date.

According to Mathews, this year the fair will feature the Rudy Brothers Circus, instead of the usual rodeo, explaining that Siskiyou County has had three rodeos in the last two months, and a circus would be a greater attraction to the public. In addition, there will be a carnival.

Anyone desiring premium books and official entry blanks may obtain them by writing or calling the fairgrounds, south of Yreka, the Yreka Chamber of Commerce in the city hall.

Mathews also called attention to an error in the premium book, in the home economics department, preserved foods division. Classes 100 to 104, inclusive, listing quart glass jars, whereas pint jars are also permissible.

New Stamp To Be Issued

YREKA — Ed Anderson, work unit conservationist, has issued the following instructions to stamp collectors who want a "first-day cover" of the new soil conservation postage stamp to be issued August 26 at the post office at Rapid City, S.D.:

"You can get special first-day envelopes for the soil conservation stamp from the Soil Conservation Society, Des Moines, Iowa; from the National Association of Soil Conservation Districts, Service Department, League City, Texas, or from the Washington Press, 43 William Street, Newark 2, New Jersey.

1. Address the envelopes (as many as you wish) plainly and in the lower righthand quarter of the envelope to leave ample room for the stamp and the special cancellation device that will be used at Rapid City.

2. Place in the envelope a close-fitting enclosure of about postal card thickness and seal or turn the flap inside the envelope.

3. Enclose the addressed envelopes in a large envelope addressed to the Postmaster, Rapid City, S.D. Enclose a money order or certified check in the exact amount to cover the number of four cent stamps required. Write "First-day covers, Soil conservation postage stamp, August 26, 1959" on the outside of the shipping envelope. Make sure it carries adequate postage. Try to get your envelope to Rapid City two weeks ahead of the release date.

The stamp will go on sale over the country August 27. Of particular interest to this area, the stamp honors the local conservation district.

Burning Ban Imposed

SACRAMENTO—State Forester Francis H. Raymond has suspended all burning and blasting permits in all areas of state fire protection responsibility within the following counties effective until midnight, August 3: Siskiyou, Eastern Trinity, Shasta, Tehama, Glenn, Butte, Lassen and Modoc.

Charles A. Yates, supervisor of Klamath National Forest, also announced all burning and blasting permits would be suspended for the same period in all national forest lands in Siskiyou County.

Yates and A. Roy Bengard, Siskiyou County ranger, repeated earlier requests for cooperation of all citizens in the prevention of fire.

Timber Bid Winner Told

YREKA — Jess Lee of Happy Camp and Yreka was the high bidder on five million board feet of pine and fir timber in the Buker Point Unit in the North Scott Working Circle, John Murray, Klamath National Forest bidding officer, announced at the conclusion of the posting of sealed bids. Murray added this unit is the third sale under the set-aside program for preferential bidding by small business concerns.

Species, volume in board feet, advertised prices and high bid rates are: Ponderosa pine—2,300,000 b.f., advertised at \$13.20 per M and bid at \$25.50 per M; sugar pine—750,000 b.f., advertised at \$18.70 per M and bid at \$25.50 per M.

White and red fir—150,000 b.f., advertised at \$3.95 per M and bid at \$3.95 per M; Douglas fir — 1,650,000 b.f., advertised at \$14.35 per M and bid at \$22.50 per M; and incense cedar — 150,000 b.f., advertised at \$2.95 per M and bid at \$2.95 per M.

Total advertised value was \$69,067.50, while the value based on the highest bid was \$115,110.

Other companies bidding were Black Mountain Lumber Company, Northern Counties Logging Company, Trinity Lakes Lumber Company, and Evergreen Forest Products.

Girl Wins Scholarship

McCLOUD — Sandra Miller, daughter of Mr. and Mrs. Lee Miller, was recently awarded a \$300 scholarship at the school of her choice from the California Labor Federation AFL-CIO.

The award was granted on the basis of results of an examination taken on May 15 on labor history and labor-management relations.

In addition to the monetary gift, each of the three winners, chosen from California and Hawaii, received invitations to attend and to address the federation's convention to be held in San Diego from August 10 to 14. All expenses will be paid.

Other scholarships awarded Sandra have been the McCLOUD River Lumber Company, \$500 per year, which is renewable for four years, and the California State Scholarship, \$80 per year, renewable at the college of her choice, San Francisco State.

Pool Levy Near Death

MOUNT SHASTA—Prospects for a swimming pool at Mount Shasta were just about scuttled by the Siskiyou County Board of Supervisors at a special meeting in the city hall here Wednesday night.

After hearing detailed discussion on the proposal for a 25 cent increase in a special tax levy by the recreation district, the supervisors voted to withdraw the levy.

Three speakers spoke in favor of the move, while six others opposed it. A vote taken among those present indicated 31 favored and 21 opposed the special tax levy.

If the measure had carried, the money it raised would have been combined with some high school funds and money raised through public subscription to build a modern pool.

It was not immediately known whether the project for public financing of the pool would be continued or the project abandoned.

Antelope Hunt Slated

SACRAMENTO (UPI) — The Department of Fish and Game announced today that 250 permits will be issued for the antelope hunt in Modoc, Lassen and eastern Siskiyou counties Aug. 29 to Sept. 6.

Director William E. Warne said applications for the hunt will be accepted at the department's headquarters here until Aug. 20.

The antelope may be taken in seven zones, each with its own quota, Warne said, but applicants will not be permitted to select zones. Assignment to zones will be handled after a drawing is held.
