

Caller Sees Odd Objects In Night Sky

A concerned voice on the telephone Friday inquired whether the Herald and News had received reports from anyone else in town seeing "strange objects" in the sky about 12:10 a.m. Friday.

Questioning could not convince the caller to reveal his identity, but he hastened to say he was not given to hallucinations.

He said he first noticed three egg-shaped, very luminous objects traveling from north to south at a moderate rate of speed. They seemed to be flying in a cluster. He continued to watch them for about two or three minutes before they disappeared in the southern sky.

The gentleman assured us he had not confused the glowing ovals with navigation lights of conventional aircraft.

If anyone else was up at that hour Friday morning and noticed the unfamiliar night flyers, we are sure our unidentified caller would be happier knowing it.

JUST TAKE A LOOK IN HERE! IT'S THE DIRTIEST PART OF THE WHOLE CAR!

Reduction Due In License Fee

A \$1 fee reduction for chauffeurs' licenses will take effect August 5.

The required fee has been \$2. It will now be \$1, according to the Department of Motor Vehicles.

The fee change was made by the last session of the Legislature which decided it was unnecessary for applicants for chauffeurs' licenses to pay the \$1 fee earmarked for the student driver training fund. Chauffeurs already contribute to the fund when they obtain or renew a regular driver's license.

The change will affect applicants for original and renewal chauffeurs' licenses.

Art Classes Open Monday

Oregon State System of Higher Education will hold extension division classes beginning Monday, August 3. Representatives from Ashland will be at the OTI guest house at 9 a.m. to take the registrations of interested persons.

Ceramics classes will be conducted by Mrs. Ruth Curtis. Water color and oil classes will be under the direction of Demetrius Jameson of the Oregon State College faculty. Two of his paintings are being exhibited at the district garden club show at the county fairgrounds this weekend.

Fees are \$12.50 for one hour of credit, \$25 for two credit hours and \$37.50 for three credit hours.

Cadet Finishes Artillery Course

Cadet Larry C. Heaton, an Oregon State Student from Klamath Falls, left Reserve Officers Training Corps camp, Fort Sill, Oklahoma, after completing six weeks of field artillery training.

He is the son of Mr. and Mrs. Charles C. Heaton, 4012 Homedale Road.

At camp he fired the M-1 rifle, loaded and fired the 105 millimeter howitzer cannon, observed and adjusted artillery fire on simulated targets, and watched the firing of an "Honest John" rocket.

DEFENDS SELF

MOUNT SHASTA—Ross Eddy, a Buffalo Bill type individual, took his mustache and goatee into district court Wednesday to act as his own lawyer on a charge of being drunk in, and about an automobile. Judge John Kinstry found Ross guilty, but a 20-day jail sentence was withheld.

COURT VACATION
Circuit court closed Friday for a month's vacation. The court will not reconvene, under ordinary circumstances, until September 1.

DUEL OF DISDAIN — Clown Ray Sinclair's bejeweled dowager is matched in haughty aloofness by Omar, one of the Afghan hounds that will appear in Burger's Ken-L-Kade during the 11th annual Klamath Falls Shrine Cub-Polack Brothers Circus, coming to the Klamath County Fairgrounds for performances Tuesday and Wednesday, August 11 - 12. Tickets will be on sale at circus headquarters in the Klamath Falls Auditorium. Circus times both days will be 2:15 and 8:15 p.m.

County Lions Fete Senator

ETNA—State Sen. Randolph Collier, Yreka, was honored recently by Siskiyou County Lions and their families at a birthday barbecue at Pleasant Park.

Dad Dillman was in charge of barbecuing the beef; salads and cakes were furnished by Etna Lions. John Berry, in charge of entertainment, presented Janice Birdwell in four dance numbers. Ernest Hayden played his accordion.

The Rev. Orval Clay was master of ceremonies and presented the senator with a birthday cake.

Senator Collier spoke briefly to the group following the presentation.

Forest Fire Fine Levied

ALTURAS—Mrs. Marian Duncan of Box 2 Lookout, California, appeared before Judge Steele of the Adin-Lookout Judicial District and pled guilty to violating Section 13001 of the State Health and Safety Code. Mrs. Duncan unintentionally started a fire near Crank Spring by careless smoking. She was fined \$50 by Judge Steele and cautioned about the danger in careless smoking.

Modoc County Ordinance No. 134 prohibits smoking while traveling on foot, cycle, or domestic animal in any flammable cover between May 1 and November 1.

This ordinance further provides that smoking is permitted only as follows:

- (1) In improved campgrounds,
- (2) inside vehicles on roads,
- (3) at places of habitation, or
- (4) while stopped in a clear or barren area of at least three feet in diameter; provided, however, that in all instances burning and glowing substances are completely extinguished before being disposed of.

Due to the unusually dry conditions this summer, Fire Control Officer Harold Stratton cautions all users of the Modoc National Forest to exercise extra special care when smoking and in their use of campfires.

Check Passers Get Probation

Circuit Judge David R. Vandenberg placed two young men on probation Friday after each had admitted passing bad checks.

A probation period of three years was meted for Eugene Francis Samplauski, 24, who admitted passing a worthless \$10 check at Malone's Service Station July 6.

Finis Ray Copeland, 22, who admitted passing a worthless \$30 check at Lien's Store on Summers Lane was placed on probation for five years.

Both men had waived grand jury action and entered guilty pleas in circuit court Wednesday.

Bald, Bewigged Buffoons Boisterously Banish Blues

The balmy bunch of bizarrely bearded and bedecked, bulbous-beaked, bald and bewigged buffoons that ever banished the blues with blithesome burst of boisterous

Alturas Youth In Kentucky

ALTURAS—Army Pvt. Douglas L. Williams, son of Mr. and Mrs. Harlan S. Williams, 1650 Park Avenue, recently was assigned to a Military Police Company, Fort Campbell, Kentucky.

Williams entered the Army last December and completed basic training at Fort Ord.

The 17-year-old soldier is a 1958 graduate of Modoc Union High School.

Voters Reject Tax Increase

ETNA—The 60 cent increase in taxes in the Etna Union School District proposed by the school board of trustees was defeated at a special election July 28 at the elementary school in Etna and at the Greenview School.

Etna voters cast 85 votes in favor of an increase and 211 votes were cast against the measure. Greenview voters cast 16 votes for an increase and 39 against the increase.

bodinage, will cut capers on the sawdust during the coming Klamath Falls Shrine Club - Polack Brothers Circus that will be in Klamath Falls August 11-12.

It's the clowns that get the giggles from the boys and girls in the audience and the comedy accents this year, say advance reports, will be "broad, bold and blatant."

From Chester Sherman, with his 40 years experience in digging up didos to please the public, to teen-age Peluzza from Mexico City, who has learned the art of comedy pantomime in just four years, this season's Polack Circus clowns are seasoned mirthmakers.

Appearing here will be Ray Sinclair, Locke Lorraine, Joe Sherman, John Thomson and little Johnny Cirillino who will wear the gayest, gaudiest garments seen in circusdom.

On the show's lighter side too, will be Tommy Hanneford, comedy star of the George Hanneford Family of bareback riders who flips and flops in riotous routines on his favorite steed.

The Ricardos, trampoline perfectionists, and the tumbling-teeterboarding Five Amandis, Burger's Ken-L-Kade, Konyot's Chimpanzees, being funny doing just what comes naturally and Opal, the precocious elephant star will all be on the three-ring program.
