NO CARS ALLOWED

LANSING, Mich. (UPI)—Mackinac Island, situated between Michigan's two peninsulas in the Straits of Mackinac is one place where parking is no problem. No automobiles are allowed. Sightseeing must be done on foot, or on a bicycle or horse and carriage.

Males May Be Colorful

ROME (UPI)—If Italian fashion designers for men have their way, males are going to be more colorful than the ladies in their attire this summer and fall.

One new ensemble exhibited at the Rome collections bore the name "Crociera a Miami" (Cruise to Miami), and consisted of a loose-fitting dark gray jacket, dark blue trousers and a flame-red waistcoat. This was suggested for evening wear.

Another number for men was styled by Angelo Litrico, who gained fame by outfitting Soviet premier Nikita Khrushchev with Italian suits. Litrico's ensemble was called "Arrivederci Mosca" (Goodbye Moscow) and consisted of a camel-colored suit for spring, with a light overcoat adorned with Persian collar of maroon-hued lamb's wool.

Litrico also showed what he called a pair of Russian-styled pa-

jammas. They were fawn colored, with short-legged, stove pipe trousers, a jacket gathered at the waist, and a tunic-style side buttoning, with high collar.

For the space-traveler, Rome tailors showed an ensemble called "Dalla terra alla luna" (From earth to moon). It was a white and maroon checked suit with tobacco-colored borders on trouser cuffs and jacket pockets.

NATURAL CHOICE

HOLLYWOOD (UPI) — Robert Louis Stevenson, namesake and distant relative of the author of "Kidnapped," will direct Walt Disney's filming of the classic in Scotland and England.
