

COOL NEWS

Stop Glare!!! Reduce Heat! Stop Fade!

It's The Biggest Thing To Ever Hit the Klamath Basin
Shades, Drapes, Awnings, Blinds Now Obsolete

NOW! THERE'S AN AMAZING NEW AND EXCLUSIVE PROCESS THAT ACTUALLY FILTERS OUT THE HARMFUL EFFECTS OF THE SUN!!!

PLASTIC GLASS TINT

Stops the Sun At A Fraction of the Cost of Tinted Glass

No more fading of merchandise, furniture or store displays. Ideal for that big picture window in your home. Stores may display their merchandise in their plastic glass tinted win-

dows in full sunlight without fading. Ask KC's experienced applicators for references where Plastic glass tinting has cut fade-loss to almost zero! It's applied to your present windows!

Guaranteed Not to Crack, Craze, Peel! Cleans like Ordinary Glass

8 Beautiful Colors to Choose from...

- | | |
|---------|---------------------|
| ★ Clear | ★ Blue Transparent |
| ★ Amber | ★ Blue Glare |
| ★ Gold | ★ Green Transparent |
| ★ Aqua | ★ Green Glare |
