

DA, Commission Eye 'Promotional' Moves

NEW YORK (UPI)—Investigations by the district attorney's office and the New York state Athletic Commission were being made today into the strange "promotional" activities that surrounded the Ingemar Johansson-Floyd Patterson heavyweight title fight, June 26.

Ex-promoter Bill Rosenzohn had another date today at the offices

of the Dist. Atty. Frank Hogan, who disclosed Wednesday night that his men and the "boxing grand jury" had been investigating "the activities of Rosenzohn and his associates" since July 23. Chairman Melvin L. Krulwich of the athletic commission said his investigation was starting with an immediate study of Rosenzohn's charges against some of his associates — charges appearing in Sports Illustrated magazine.

Krulwich was uncertain whether commission hearings would be scheduled before the district attorney and grand jury had finished their inquiry.

However, one thing did seem certain — that the investigations would kill any chance of the return Johansson-Patterson fight being staged this year. Before Rosenzohn resigned as promoter on Monday, the fight had been tentatively scheduled for Yankee Stadium, Sept. 22.

Both Hogan and Krulwich emphasized that they were not investigating the fight itself, in which Johansson wrested the crown from Patterson on a third round knockout. They were exploring only the activities of men connected with the promotion — "in any way."

Rosenzohn, storm center of the most turbulent promotion in heavyweight championship annals, was first questioned on July 23, Hogan explained. "And he's been here four or five times since then," the district attorney said.

John G. Bonomi, the assistant district attorney working with the two-year-old boxing grand jury, had obtained "certain very interesting information" about some of Rosenzohn's associates that "stimulated our curiosity," Hogan recalled. "And so we called him to our office."

Thus far, no one else connected with the promotion has been called in, the district attorney said.

Turk Lown walked in the tying run before Gerry Staley took over. The Orioles scored the clincher when Luis Aparicio couldn't get off a throw after fielding Billy Klaus' grounder. Billy Hoelt was the winner and McBride the loser.

Tigers 4, Yankees 3
Frank Lary worked his usual magic on the Yankees as Detroit made it 11 out of 15 over New York with a 4-3 decision. Lary now has won five in a row over the Yanks this year and holds a 21-5 lifetime edge. Neil Chrissy, who has only nine hits, slammed his sixth homer for the Tigers and Mickey Mantle hit No. 21 and Elston Howard No. 13 for New York.

BoSox 4-6, KC 1-8
Kansas City dropped to fourth place by splitting a two-nighter at Boston. Pete Runnels drove in three runs in Boston's 4-1 opening victory for Tom Brewer. The A's scored six in the sixth to take the second game 8-6. Eleven men batted in the big inning that ruined Al Schroll and gave Murry Dickson his second victory.

Softball Meeting

A special meeting of the Men's Softball Association will be held at the city hall Thursday night at 7 o'clock. President Norm Schaefer noted that the meeting is of special importance to all managers of the top four teams in the league as final arrangements for the upcoming City Playoffs will be made at the meeting.

Graham Unhappy With Win

RENSSELAER, Ind. (AP)—The College All-Stars passed their first test against professional competition Tuesday but Coach Otto Graham wasn't satisfied with his squad's performance.

"We still have a lot of work ahead of us," said Graham after his All-Stars had defeated the Chicago Bears 7-6 in an exhibition scrimmage at St. Joseph's College.

"This game will do us a lot of good," said Graham, "but we face a tough club in Baltimore. We were pretty sloppy out there."

The All-Stars, who meet the Baltimore Colts in Chicago's Soldier Field Aug. 14, put on a 99-yard touchdown drive in the final quarter to nip the Bears.

Lee Grosscup of Utah directed the march which ended when he flipped 33 yards to Buddy Dial of Rice for the score. Sam Williams of Michigan State converted the decisive point.

The Bears scored in the second quarter when they blocked an All-Star punt and Bill George picked up the ball and ran 24 yards for the touchdown.

Meet Snared By Lakeview

BEND — The Lakeview swimming and diving team won its fourth straight meet of the season without a loss here Saturday afternoon in an invitational meet which saw 20 teams entered, including one from Hawaii.

Eugene placed second behind Lakeview while Bend was third and Hawaii fourth. Trophies were awarded to all finalists winners.

With stiff competition going on in every event, the Klamath Falls swimming team placed eight in the finals with four of those placing. John Brooks from KF took a second place in the 17-year division diving for the only KF points in that division.

Only two more meets are scheduled for the local swimmers, one at Lakeview on August 22 and the other at Roseburg on August 29.

Jensen Mulling Baseball Future

BOSTON (AP)—Jackie Jensen, the American League's Most Valuable Player in 1958, will decide about his baseball future after the current season.

Jensen, 32, told Boston Red Sox General Manager Bucky Harris just that late Tuesday in a conference. Harris had called it to find out whether published reports about Jensen's quitting were true.

"I can't tell anybody right now because I don't know myself," Jensen told The Associated Press.

Gold Cup Entrants Qualify For Classic

SEATTLE (AP)—Nearly half the entries in Sunday's Gold Cup race, the classic of speedboat racing, roared through qualifying runs on Lake Washington Tuesday.

Seven of the huge unlimited hydroplanes churned three times around the oval 10-mile Gold Cup course at better than 95 miles an hour, the minimum speed a boat must reach in order to qualify for the race.

That left at least eight, possibly nine more boats to attempt qualification. There has been no word from the Miss Bardahl camp whether that craft would enter the Gold Cup.

The fastest time turned in Tuesday, the first day of qualifying runs, was by Seattle's Miss Wahoo. Mira Slovak piloted Bill Borling's boat through her paces at an average speed of 112.971 m.p.h.

The Wahoo was the fourth unlimited to qualify.

The weather Tuesday was far from ideal. Drivers said other boats probably would have qualified if it had not been for the rain and wind, which swept over the course kicking up waves.

The first craft to qualify Tuesday was the Miss Pay 'n Save of Seattle, driven by Chuck Hickling, at an average speed of 109.216 m.p.h.

The other qualifiers Tuesday included Detroit's Gale V and Gale VI, Wild Bill Cantrell piloted the Gale V around the course at 102.422. Freddie Alter followed in the Gale VI at 107.325.

Les Peden, manager of the Shoreport Sports in the Southern Area, is a graduate of Texas A & M.

Olmedo Not Himself

SOUTH ORANGE, N.J. (UPI)—Play in men's singles in the Eastern Grass Courts tennis championships headed into the third round today with fans still wondering what is wrong with Wimbledon champion Alex Olmedo.

Olmedo, the Peruvian star of the U.S. Davis Cup team, was pitted against Don Rubell today in what seemed a routine match. But the Wimbledon champ was forced to struggle in both of his earlier matches here, and they also were figured to be easy. Tuesday only the weight of his experience carried him to a 10-2, 7-5 victory over 17-year-old newcomer Ramsey Earnhart of Ventura, Calif., who scored frequently against the top-seeded star with angle volleys and placements.

Second-seeded Bernard (Tut) Barten, the National Clay Courts champion from Dallas, Tex., was matched today against Mike Green, while third-seeded Dick

Savitt, the former Wimbledon champion from South Orange, faced promising youngster Chuck McKinley of St. Louis, Mo.

Driver Plans Final Classic

SEATTLE (AP)—The Gold Cup unlimited hydroplane race may be the last for veteran driver Bill Stead of Reno, Nev., and owner Bill Waggoner of Phoenix, Ariz.

Stead, who drove Waggoner's Maverick to victory in the last two Diamond Cup races on Lake Coeur d'Alene, Idaho, said Tuesday the Maverick camp has no plans beyond the Gold Cup.

"I think I've had enough," Stead said. "Besides, I feel that Waggoner may drop hydroplaning. His doctor has warned him against making the whole circuit."

Waggoner, wealthy oil man, was taken ill at Coeur d'Alene last month and flown to Phoenix for treatment.

Stead, a successful cattle rancher, said "I have my business to think of and attend to."

Later Tuesday Stead drove the Maverick at an average of 111.493 miles an hour to qualify for the Gold Cup next Sunday.
