**OREGON CITY (AP)**—A passing motorist and a barber working nearby raced to a flaming two-story frame house here Wednesday and rescued six children alone inside, firemen here reported.

Firemen said the blaze in the home of Mr. and Mrs. William W. West at 422 Mountain View apparently was started by one of the children playing with matches. The Wests were away at the time.

The motorist, who was not identified, and Raymond Runnells, the barber, saw the fire and brought out the children, ranging in age from a small baby to a 13-year-old girl.

The fire, which started in a shed at the rear of the home, also destroyed two small buildings nearby. It caused heavy damage to the rear and second story of the home.
