Church Ends Latest Stage

CHILQUIN — The Chilquin Methodist Church completed another stage of its long-term remodeling program with the moving of the chancel to the west end of the building and the cutting a large entrance from the sanctuary to the new social hall addition which was built last winter. This arrangement fills a twofold need, more seating space when needed and doing away with steep uncovered stairs at the front of the building. Folding doors will be installed in the new opening.

Volunteer workers including several local carpenters did the remodeling. They also have recently torn down the old fence, installed a new sign, and are planning to bring in logs to mark new parking zones. The city helped on the parking areas.
