AL Contenders Win; Braves Nab 2, LA Blanked

Vacations, summer jobs, and just plain loafing all comes to an end tomorrow for a large number of Oregon high school boys.

King football has called his court to order.

By Oregon School Activities Association decree high schools, A-1 through B, can now buckle down to getting themselves in shape for the coming gridiron season. And so far as I'm concerned, it's time.

Baseball, except for the Dodgers winning the pennant and the ensuing World Series against the Chicago White Sox, is all over.

No . . I wouldn't care to make a small wager, thank you.

Odds and Ends . . .

According to Harold Howard and Estin Kiger, presidents of the Pelican Booster Club and the Owl Hoots, respectively, their individual organizations aren't restricted to, nor meant for, just a chosen few.

Membership to each group is wide open to any and every sport fan in the Basin. The only requirement—they really ought to have a genuine interest in young athletes.

It costs a buck to join either group and from there on just the price of a darned good meal once a week.

Give your wife a break—get out from under foot one night a week. Go to the meetings. In fact you might even bring her along. Ladies are welcome and they are sure to enjoy the sessions. Come to think of it some of the most enthusiastic fans around are women.

Tuesday night a meeting is planned by South Suburban baseball fans, the gist of which is consideration of a brand new Babe Ruth League to be put in operation next season.

The South Suburbanites feel that they have enough 13, 14 and 15-year - old players to form an entire new league.

We're all for them and plan on sitting in on the first session.

Speaking of new leagues . . . another good rumor is circulating. . . . Fred Lawson is behind a movement to solidify American Legion activity next season and from what we gather maybe an additional team is in the offing.

I'm all for this . . . a second legion team would be ideal for taking care of the 16 year olds coming out of Babe Ruth play each year.

Klamath Falls Little League All-Stars will be the recipients, very shortly, of beautiful gold pins commemorating their fine showing in the LL tournament play this year. They came awfully close. Next year they will be just as tough.

An advance notice that crossed the desk the other day came from Little, Brown and Company, a publishing firm.

They speak of a book that I intend to make sure and read. The title, "It's Good To Be Alive," and its written by Roy Campanella.

I've long been a Dodger and Campanella fan.

An excerpt from the book, which will be released October 26 . . . "I feel stronger and every day I try something new.

"It doesn't take too much fight if you have the courage and the faith. All of us want to live and I'm one of them. And I hope to continue to live and maybe to help some others in the same condition who might have given up just a little."

August 27, in Chicago's Soldier Field, a Klamath Union High School coach, new baseball boss Bill Mansfield, will step onto the mound to defend the honor of the United States.

Bill, one of the top Big Ten pitchers before entering the service, is one of the two servicemen to gain a berth on the US Pan-American Games baseball team.

His last name fits genial Jim Cordial, the Owl backfield boss, to a T . . . a real easy gent to know. However, something tells me that he might be a pretty stern taskmaster when the need arises. KF fans will get the opportunity to meet Jim when the Owl Hoots, the OTI boosters, hold their first meeting shortly.

P.S. From where I sit the Techmen figure to win another OCC title this year.

The KUHS Pelicans and new boss, Bob Williams, all get down to work in earnest Monday evening. Bob hasn't exactly suggested that fans come out to take a look at the workout Monday, but neither has he said that we shouldn't . . . But keep to the sidelines.

Rex Hunsaker has cracked out the "crying towel" already, but just between us . . . he's using it to hide a big happy grin.

Always like to inject a bit of humor in my weekly diatribe.

I'm now deep seas-type salmon

REX HUNSAKER
. . . Towel hides grin

fishing at Winchester Bay. . . . Whether I deplete the Pacific's stock of fish any more than I did that of Diamond or Davis Lake remains to be seen.

As the man across the desk, John Nolen, our outdoor expert, notes . . . "Wayne, if you catch even one, it's a 100 per cent improvement."

Have decided against operating my own boat, advisedly.

Back to football. . . . The way I see it, there has always been too short a time between the day when the schools are allowed to start training and the day on which the first game is scheduled.

It has proven out in the past that a boy, no matter how tough he may appear, stands a much better chance of avoiding early season injury if he has had ample time in which to become conditioned.

Time for hard calisthenics, wind sprints, and general physical hardening before he settles down to concentrating on the science of football, is an absolute must for the average player.

From morale and mental conditioning standpoints, the boy who knows he is in shape will go hard, shrug off the knocks and more readily absorb what he is being taught.

In this area our high school boys get a better break than do our collegians, specially in the Oregon Collegiate Conference.

The Pelicans and county schools have approximately three weeks before their schedules start.

OTI's Owls, who may start practice according to OCC directive on September 8, have 11 days before their first game.

This indicates, perhaps, that the college boy is in better shape than the high schooler; at any rate we are forced to assume that the OCC officials know what they are doing and that the short conditioning period is all that is needed on the college level.

Whatever's right.

Personally, I'm just as eager as any coach or player around for the Pigskin Parade to get started. Get your tickets now for a good season.

At the high school coaches' clinic conducted by the OSAA's Fred Ryan last week, a rule change that will undoubtedly cause some debate was brought to the attention of game officials and coaches.

This year a team may never be penalized more than half the distance to the goal line regardless of the situation.

Like every rule, there are pros and cons.

As this is written, the East-West game set for Saturday night in Pendleton had not been played.

I have a hunch, however, that when the dust settled, Al Keck and his East squad have tucked away the victory.

And that is as it should be. I had the good fortune to watch the Merrill Huskies storm their way to a state championship last fall. They were great. Al has three members of that club with him in Pendleton . . . plus another pair of Klamath lads who are powerhouses.

To my way of thinking Al could add a final touch of glory to his Merrill tenure with a win. Although he hardly needs it.

Merrill must hate to lose him . . . and Klamath Union should be highly pleased with his decision to join the Pel staff.

Unsung Giants Lead Triumph Over Phils

PHILADELPHIA (AP) — Three of Manager Bill Rigney's unsung San Francisco heroes collaborated in an 8-1 romp over the Philadelphia Phillies Saturday. It extended the Giants' first place margin in the National League to 3½ games — equalling their longest lead of the year.

Only Friday night, Rigney was saying there were other players on his club besides Willie Mays and Willie McCovey.

"How about some of these unsung guys like Hobie Landrith, Daryl Spencer, Eddie Bressoud and our second line pitchers?" he asked.

The "unsung" answered for themselves Saturday. Landrith walloped a two run homer in the second; relief pitcher Al Worthington in his second start of the season pitched three-hit ball for six innings. His relief, Gordon Jones mopped up. Bressoud batted in a run, Spencer banged out three hits and scored two runs.

Bucs 2, Dodgers 0

PITTSBURGH (AP)—The Pittsburgh Pirates defeated the Los Angeles Dodgers 2-0 Saturday behind the sparkling pitching of Benny Daniels and snappy relief hurling by Don Gross.

The game was played under protest by the Dodgers after Pirate Smoky Burgess was ruled safe in the eighth. The Dodgers claimed he was struck by a hit ball.

Daniels faced only one threat—in the seventh when he gave up two hits—until the ninth inning when he gave up a double to Ron Essegian and issued a walk to Ron Fairly after retiring the first batter. Gross retired the next two batters.

Daniels fanned six in picking up his seventh victory of the season against eight defeats.

CINCINNATI (AP)—Frank Robinson hit three home runs and drove in six tallies Saturday as the Cincinnati Reds unloosed a barrage of homers that brought an 11-4 victory over the St. Louis Cardinals.

The Reds got five home runs during the game and 10 of their 11 runs were driven in by wallops out of the park.

The Pirates scored their first run in the third. Their second run came in the controversial eighth. Burgess opened with a single. Don Hoak followed with another single and Burgess moved to third. But the Dodgers claimed he was hit by Hoak's drive.

MILWAUKEE (AP)—The Milwaukee Braves, battling to keep alive in the National League pennant race, swept a doubleheader blanked the Cubs 7-0 on Carl Willey's six-hitter in the opener and pushed across a ninth inning run for a 3-2 come-from-behind victory in the nightcap.

The triumphs enabled the Braves to pick up a half game on San Francisco, moving to within 4½ of the first place Giants, and one game of runner-up Los Angeles.

A wild pitch by southpaw relief specialist Bill Henry with the bases loaded and none out in the ninth gave the Braves their twin-bill sweep.

Bobby Avila led off the inning by reaching second when third baseman Al Dark's long throw went into the dirt and all the way to the first base stands. Del Crandall laid down a perfect bunt inside the first base line, sending Avila to third.

Bransom Sparks West '11' Victory

PENDLETON, Ore. (AP) — Doyle Bransom took the opening kickoff and ran 90 yards for a touchdown to lead the West to an 8-0 victory over the East in the Oregon prep Class B Shrine all-star football game here Saturday night.

The game's lone touchdown was scored in the first 16 seconds of play.

Al Keck, ex-Merrill coach who is switching to Klamath Union High School beginning this fall, was the East mentor while Ron Anderson of Yoncalla handled the West squad.

Keck's squad went into the contest with a healthy weight advantage over the stars from west of the Cascades. East averaged 189 pounds in the line and 178 in the backfield to West's 178 in the line and 167½ in the backfield.

Bransom, a fleet halfback from Jacksonville, electrified the bumper crowd of 8,500 as he took the East's kickoff, scooted to the right sideline and dashed 90 yards into the end zone.

Bransom got precise blocking for 40 yards and then burst into the clear at midfield en route to the score.

The game then was scoreless until early in the fourth quarter when the West added two points as Bob Pennell of Mapleton knifed through the line to tackle Dick Ruhl, an East fullback, in the end zone for a safety.

The West threatened to score several other times, but the heavier East line managed to hold on the fringe of the goal line.

The East, plagued by fumbles, had trouble mounting an effective offense.

On several occasions, too, the East appeared on the way to the end zone, West defenders made adept thefts of passes

The game was played in perfect weather. The temperature was in the mid-60s.

The victory gave the West a 5-2-1 edge in the series. Proceeds from the game go to the Shrine Hospital for Crippled Children in Portland.

Predicted Swap Draws Denials

ST. LOUIS (AP)—A published prediction of a Stan Musial-for-Yogi Berra trade drew denials from all sides Saturday — none more emphatic than a rebuttal by St. Louis Cardinal owner August A. (Gussie) Busch Jr.

"Stan Musial will never be traded or sold and he will play with the Cardinals as long as he wants to and as long as I am head of the club," Busch declared in commenting about a copyrighted Sporting News story by its Publisher, J.G. Taylor Spink.

"I said that before, nothing has changed my mind and nothing ever will," Busch asserted.

Billings Captures Opener

ROSEBURG, Ore. (AP) — Billings, Mont., the defending champion, beat Fairbanks, Alaska, 5-1 in the opening game of the Northwest American Legion junior baseball tournament here Saturday night.

Ken Miller singled home Bill Bailey in the third for Fairbanks' lone run and lone lead.

Billings came back in the fourth to tie the score as Chuck Stroup singled and raced home on a double by Ed Bayne. Stroup's sacrifice fly in the fifth sent Dick Hawthorne across the plate with what proved to be the winning run.

Billings later got two unearned runs and capped its scoring in the ninth as Stroup lashed a single and trotted home on a sacrifice fly by Dick Letwak.

Pan-Am Games Begin Thursday

CHICAGO (AP)—The greatest international athletic carnival in United States' history, the Third Pan-American Games, Thursday starts taking over this sprawling host city.

A sports army of approximately 2,200 from 25 North and South American nations will march in proud review in huge Soldier Field as dramatic opening day ceremonies are held.

The games will be opened officially by President Eisenhower's brother, Dr. Milton Eisenhower, pinch-hitting for the chief executive.

The next day, Friday, the host of athletes will disperse to 22 widely scattered centers for competition in 20 sports for men and 7 for women extending through Sunday, Sept. 6.

Bowling Meeting

T. C. Griggs, secretary of the Moose Pa's Bowling League, has announced that a special meeting has been called for 8 p.m. Monday at Lucky Lanes Bowling Alley.

All members of the league are urged to attend as new officers will be selected for the coming year. Also on the program is the selecting of teams for next year.

Ted Inches Nearer To Home Run Mark

DETROIT (AP)—Ted Williams inched closer to Lou Gehrig's home run mark Saturday by smashing the 491st of his career and leading the Boston Red Sox to a 7-1 victory over the Detroit Tigers.

Southpaw Frank Baumann pitched his first complete game since May 10 and stopped the Tigers on a six-hitter.

Williams, hitting in the park he always said was his favorite, sent one of Don Mossi's fourth-inning pitches 15 rows deep in the upper right field stands. It left him two short of Gehrig's mark. He also contributed a run-producing single in the sixth inning when the Red Sox blasted Mossi with a five-run explosion.

CHICAGO (AP) — Barry Latman 23-year-old right-hander, won a tense pitchers' duel from Russ Kemmerer Saturday and the Chicago White Sox maintained their 2½ game lead in the American League pennant race with a 1 to 0 victory over the Washington Senators.

It was the 15th victory for the Sox in 20 games with the Senators.

The Sox made only three hits, all singles. They were reciepients of only one walk, but turned it into the winning run.

Latman gave up five hits, three of them by Ken Aspromonte. He had difficulty with his control, walking six, but compensated for it by striking out eight.

The only run of the game came in the second inning.

Sherm Lollar led off with a walk. Earl Torgeson popped out and then as Billy Goodman fanned, the slow-footed Lollar stole second. He moved to third on a wild pitch and scored when Bubba Phillips looped a single over Harmon Killebrew's head into left field.

Only one other Chicago runner reached second base.

Latman was in trouble repeatedly with his control.

KANSAS CITY (AP) — Jerry Lumpe singled home Bill Tuttle with two out in the tenth inning Saturday and gave the Kansas City Athletics an 8-7 victory over the New York Yankees.

The hit came off Bob Turley who was pitching in relief of Rhyne Duren. Turley, who had received a ninth inning assist from Duren in the Yanks victory Friday night, failed to return the favor and was saddled with his eleventh loss of the year. He has won eight. The victory went to young John Tsitouris, who pitched only the last inning.

Dick Williams and Tuttle both hit solo home runs for the A's in the see-saw contest that was tied at 5-5 in the fifth and again in the ninth at 7-all.

CLEVELAND (AP) — Woodie Held hit a bases-loaded home run in the fourth inning for Cleveland and the Indians made it stand up for a 4-2 decision over the Baltimore Orioles Saturday, their fourth straight victory.

Milt Pappas (13-8), who took the loss, started his own trouble with a wild throw in the Indians' big inning. Gary Bell (14-10) was the winner. Both starters went seven innings.

After Held's grand slam smash, Pappas and Billy O'Dell blanked Cleveland without a hit the rest of the way. The Indians had five hits, the Orioles seven.

Tito Francona led off the fourth inning with a single. Rocky Colavito tapped to Pappas, but the young right-hander threw wildly to second base and both runners were safe.

Jim Baxes then attempted to bunt but forced Colavito at second. George Strickland drew a walk and Held drove his 24th home run over the right field fence. it was his third homer in the last five games.

The Orioles scored their first run in the fifth inning on a walk, Billy Klaus' single and Gene Woodling's single to right field.
