HE'S NO GAMBLER

MONTPELIER, Vt. (UPI) — State Sen. Frank Jones received the following letter. "Should the pari-mutuel bill come to your attention, I would appreciate your favorable consideration. As one of your constituents this is my prerogative, is it not?"
"This matter seems to have general approval among the people I have talked to, but then again I have been careful to whom I have talked. This you can understand."

of our fellow Americans has a serious mental problem. You certainly know at least one such person. Maybe it's even someone in your own family.

How can you help? By treating this person with understanding. You see, doctors say the understanding a mentally disturbed person receives can make the difference between further illness or recovery.

And as you give your understanding to others, learn to understand your own emotional tensions, too. Learn how to keep these tensions from making life unhappy for you, and those around you.

Find out what to do. Send for the new free booklet, "How To Deal With Your Tensions". Write: Box 2500, New York 1, N.Y. Do it today!
