DAR, CAR Tour Kingsley Field

By DOROTHY AGER

Members of Eulalona Chapter, DAR, and Sconchin Society, CAR, had a rare treat Saturday, October 10, when they were escorted through the facilities of Kingsley Field and Hamaker Mountain by Lt. Col. John J. Scott, executive officer, 408th Fighter Group.

About 45 members and guests met at the Officers Club at 10 a.m. Moving into the restricted zone, they entered the pilots' domain and through the courtesy of Lt. Col. Carl H. Leo, 32nd Fighter Interceptor Squadron, saw a film on the F-101 Voodoo and then went out on the field to view the planes.

Via Air Force bus the group toured the rest of the field and Falcon Heights. A lunch was served and then the group went on to Hamaker Mountain. The atmosphere was clear and sunny with just a few scattered clouds, and all were entranced with the splendid view from this height — almost like being in an airplane.

The radar operations center at this site was a real thrill to walk through and be a part of for a while. A group of very respectful people walked out of that building. A few hardy souls climbed to the towers which are visible for so many miles and were confronted by a maze of wiring and tubes.

Later coffee and cake served in the mess hall proved most welcome. Fall colors on the hills held attention on the way back. It was a most memorable day.

NOTES were compared by Mrs. Lily Valentine, left, and Mrs. Irma House who came to this country recently from Germany. Mrs. Valentine, whose home was in France, was one of the hostesses for the evening affair honoring the airmen's wives.
