Yreka BPW Adopts Budget

YREKA—The adoption of the 1959-60 budget for the Yreka Business and Professional Women's Club, was one of the major items discussed and action completed at the business session of the organization held Tuesday evening, October 13, in the club room of the Yreka Inn.

Mrs. Betty Dow, president, conducted the session during which time Mrs. Stella (Pat) Bennett, finance chairman for the club, presented the budget.

In order to meet the newly adopted budget, major points of discussion were relative to fund raising projects to cover the obligations of the group, which included a contribution to the American Field Service Program; sponsoring of an all star 4-H girl, and the Woman of the Year award.

Mrs. Bennett announced that the recent food sale the club held in Yreka was successful. As another means of raising funds, Mrs. Bennett suggested a hat sale. Each member is to design a conical hat, which is to be placed in a bag, and at a dinner meeting members will offer a price "sight unseen" for the hat, to be worn during the dinner.

Also suggested was a white elephant sale to be held in conjunction with a dinner meeting. The Yreka Club also plans to hold another food sale, either before Christmas or after the first of the year.
