Two American Satellites Disappear From Heavens

By VERN HAUGHLAND
WASHINGTON (AP)—Two U.S. satellites, Explorer IV and Discoverer VI, disappeared from the skies last week.

Tracking scientists said both artificial moons burned up upon reentering the earth's atmosphere. Explorer IV had been aloft for a year and three months. Discoverer VI for two months.

Their demise left in orbit six

U.S. satellites, three of them actively broadcasting information to the earth, and two Soviet voyagers, both still transmitting.

In addition, two artificial planets, the Soviet Lunik I and the U.S. Pioneer IV, launched early this year are still in orbit around the sun.

The loss of the two satellites became known Monday when reports from the tracking agencies reached headquarters. Their ends had been predicted at about this time.

Fidel Castro Hit By Solon

POCAHONTAS, Ark. (AP)—Sen. J. William Fulbright (D-Ark.), chairman of the Senate Foreign Relations Committee, says Premier Fidel Castro of Cuba is "utterly inadequate as far as his government is concerned."

Fulbright told a civic benefit audience that Castro "can lead a revolution but he doesn't know what to do after he gets in power."

He said Castro's charges that Cuba was being bombed by Florida-based planes were "whipping-boy tactics."

"Castro is floundering around," he said, "using us as a king of whipping boy. All dictators need somebody to blame. Hitler used the Jews, China used us. Now Castro is using us."

Case Rehearing Denied By Court

TALLAHASSEE, Fla. (AP)—The State Supreme Court has refused to rehear the case in which it upheld legality of police roadblocks to check safety equipment and drivers' licenses.

Former Mayor Abe Aronovitz of Miami had challenged the right of Miami police to set up the roadblocks for inspection purposes.

The American Automobile Assn. Inc., also had sought a rehearing. Aronovitz sued after he was stopped at a roadblock. He claimed it amounted to illegal arrest and violated rights of free movement.

Young Teacher Gets Deferment

MONTPELIER, Vt. (AP)—Donald L. Lindsley II, a teacher in the town of Fairlee, has been deferred from the draft since one of his students wrote to President Eisenhower.

The Vermont Selective Service Appeal Board said Tuesday it granted Lindsley an occupational deferment. It said a 12-year-old pupil wrote the President a letter praising the teacher for "his proficiency in duties as principal, teacher and athletic coach."

Civil War Vet Survives Attack

HOUSTON, Tex. (AP)—Walter Williams, 116, only living veteran of the Civil War, survived another pneumonia attack and his physician says he expects the old man to reach his 117th birthday next month.

Dr. Russell S. Wolfe said Williams suffered the attack last Tuesday and was under an oxygen tent for four days and fed by eyedropper.

But he said the Confederate is no longer under the oxygen tent and is in "pretty good" condition.
