

HOMECOMING!

O.T.I.

It's a big weekend at Klamath Falls' own Oregon Technical Institute. It's Homecoming! It's the time when we welcome back Alums and give Klamathites a chance to see their local college in action!

Saturday night's game is an important one for the OTI Owls. A victory will give the Blue and Gold an undefeated record in conference play and the championship. Come on out ... watch OTI bewitch the Wolves Saturday night!
