

HUSKY BACKFIELD — Conferring with coach Al Fairchild prior to Friday's 25-18 win over Tulelake is this feared foursome which composed the Merrill backfield. Left to right are halfbacks Bill Beasley and Dean Haskins and fullback Troy Patterson, all seniors. At far right is junior quarterback Denny Salvadori.

KEY FIGURE — Tulelake quarterback Bob Osborne closed out his high school grid career Friday night by completing 13 of 18 passes for 138 yards against defending state B champion Merrill. Osborne, switched from end to QB at midseason, showed no effects of a sprained ankle suffered earlier in the season. Despite Osborne's efforts Merrill won the game, 25-18.

Yreka 13, Weed 7

YREKA (Special) — A rock-ribbed defense and a pair of first half touchdowns earned the Yreka

Miners a 13-7 win over Weed here Friday night. The Miner victory throwing the Siskiyou League final standings into a three-way tie for first place between Weed, Yreka and Dunsuir.

The Cougars, completely outclassed in the first half, used sharp ball handling and running by ace quarterback Bob Zalunardo and fullback Roger Pauletto in rolling to their lone six pointer in the third quarter. End Jon Scribner registered the Weed TD as he took a pass from Zalunardo and stepped into the end zone, the scoring play covering 27 yards. Place-kicking specialist Jim Lemos split the uprights for the PAT.

A booming 42-yard punt by Miner fullback Tom Nelson and a hard-charging defensive line produced the initial Yreka tally in the opening period. Nelson's punt was fumbled on the two-yard line but a Cougar recovered. Three plays netted only three yards and the Weed eleven attempted to kick.

But linebacker Bob Wilcox blocked the punt and tackle Jeff Cameron picked up the loose ball and dove over from three yards out. Shifty halfback Daryl Severns swept end for the point after.

Sophomore quarterback Dick Kinney, filling in for regular QB Dan Behnke who was sidelined with a mild concussion, tossed a scoring aerial to end Vic Grazier in the second stanza, the play covering 45 yards. A smashing block by teammate Dennis McCarthy paved the way for the final 15 yards for Grazier.

Coach Mort Kaer's Cougars ad-

vanced the ball to the Yreka 10-yard line midway in the final quarter but the rugged Miner defensive unit toughened and took over on downs.

Yreka mentor Tom Bice cited backs Kinney, Nelson and Severns for their fine performances, and lineman Jon Meamber for his "outstanding defensive play."

"However," said Bice, "Zalunardo is as fine a quarterback as I have ever seen in high school ball. He mixes up his plays real good and handles that ball beautifully."

Officials Flatten McMurtry

TACOMA (AP) — Indefinite suspension faces Pat McMurtry, Tacoma heavyweight kayaker in the first round by Eddie Machen at Portland last week.

The action was announced Friday by Dr. Charles P. Larson, Tacoma member of the State Athletic Commission. He said it was "in Pat's best interests" physical.

The three-member commission had met in Seattle and considered a letter from the Portland Boxing Commission after the Machen bout, Dr. Larson said. He did not disclose the letter's contents.

McMurtry, once rated among the nation's 10 top heavyweights, received the automatic 30-day suspension given any kayaker fighter and the suspension was extended to an "indefinite period."

Dr. Larson said it was his "considered opinion that Pat should have an extended rest, and that he not attempt to return to the ring until he has undergone an extensive physical, including an electro-encephalographic examination."

The commission was also advised, Dr. Larson said, of the planned sale by Mickey Connolly of the Northwest Boxing Club, which holds a license to promote in Seattle, to Tommy Moyer, Portland. Moyer's application for a Seattle license was turned down some months ago.

Boxing Benefit Nov. 20

The newly-formed Klamath Falls boxing club has issued a call for more boxers. The organization, which numbers 25 at the latest count, is working hard in preparation for the club's initial program, a benefit show for the Mills PTA carnival Friday, November 20, at 8 p.m.

Buck Davidson, the club's business manager, said, "We have quite a few boys working out, but we always have room for more." Davidson also noted that anyone interested in joining the club contact him at TU 4-8736.

Davidson announced that a \$100 donation this past week is being used to buy badly-needed equipment for the young boxers. "The donation really helps," said Davidson. "We're putting it to good use."

The November 20 show, which will include boxers from Klamath Agency, will include eight bouts, mostly between the younger set. Aiding Davidson with the program this year are Jerry Jennings, George Price, Ray Brackman and Hugh Estes. For the second straight year the club is under the sponsorship of the Central Labor Council.

KC Prexy Says Athletics Stay

KANSAS CITY (AP) — The Athletics appear to be in Kansas City to stay.

Arnold Johnson, president of the American League baseball club, informed the City Council Friday the initials "K.C." will be added to the players caps next season. The A's franchise was transferred here from Philadelphia in 1954.

DeJohn Smashes Powell

SYRACUSE, N.Y. (AP) — Big Mike DeJohn's smashing 47-second disposal of Charlie Powell has earned him a bout with slick Eddie Machen and a long-awaited chance to move up in the heavy-weight ranks.

DeJohn caught the ex-footballer cold with a right to the heart and a vicious left hook and dumped Powell three times before referee Joe Palmer called a halt to the nationally televised 10-round Friday night.

Powell sat down after the second blow. He got up and bounced into a flurry of lefts and rights from the aroused hometown boy, who goes for the quick kayo. Powell went down again.

Shaking his head vigorously, Powell arose and walked into a good left-right combination that put him down for the third time.

DeJohn's career soared once before, when he felled bulky Alex Miteff in 1:07 of the opening round two years ago in the same ring.

Big Mike let that chance slip by, waiting six months for a fight and then losing to Nino Valdes. DeJohn, unranked among the heavies, has been so since.

The victory gives DeJohn a Dec. 18 match with Machen in New York's Madison Square Garden. Harry Markson, Garden promoter, said DeJohn was sure to jump into the top 10 among the heavies. Powell, from San Diego, Calif., had been ranked eighth, although DeJohn was a 6-5 favorite.

"I was caught cold," the gloomy Powell remarked in the dressing room.

Powell, 26, one-time defensive end for the San Francisco 49ers, gave up football five years ago for boxing. He now has a 20-5 record.

This was DeJohn's 27th knock-out in 38 victories. DeJohn, who will be 28 next month, has lost seven and drawn once.

The fight drew 1,200 who paid \$2,500. DeJohn weighed 205½. Powell 209.

Tulelake Scares Merrill In Finale

Husky '11' Falters In 25-18 Triumph

By JOHN NOLEN

Herald and News Sports Writer

MERRILL (Special) — "It was definitely our best game of the season, despite the fact that we lost," smiled Tulelake coach George Hanson following his team's 25-18 defeat to Merrill before a large but chilled crowd here Friday night. It was the final game of the season in County B League action for both teams and completed the entire league schedule.

Merrill coach Al Fairchild, obviously disgruntled over his team's showing, said in the dressing room following the game, "After the St. Mary's game last week, the boys naturally let down for this game. I'm not taking anything away from Tulelake, however. They played a real good game, but I don't think we could get any worse."

A pair of transplanted Honker linemen, end Bob Osborne, moved to quarterback at midseason, and guard Wayne Redfield, shifted to halfback also at midyear, were the biggest thorns in the Huskies' sides. Osborne and end Butch King, two of the six seniors on the Honker roster playing their last prep game, collaborated on a stirring passing attack which ripped the Husky defenders throughout the test.

Redfield, a smooth-running junior, spearheaded the Tule ground game as he broke loose for yard-gaining rambles through the Merrill secondary. Junior fullback Cliff Wooten supplied the scoring punch for the Honkers, scoring twice on short plunges over the middle.

A 66-yard scoring pass-run play from Merrill quarterback Denny Salvadori to fleet halfback Bill Beasley on the first play from scrimmage of the game gave the impression the Tulelake eleven was in for a long night. Fullback Troy Patterson blasted over for the conversion.

Midway through the first quarter, Tulelake forced Merrill to punt and took over possession on their own 36-yard line. Osborne, who connected on a phenomenal 13 of 18 aerials, guided Tule to the Merrill five on the strength of a 15-yard pass to King, another 15 yarder to King and a tricky catch of a 25 yarder by end Ron Long.

Wooten pushed it over from three yards out with 30 seconds left in the quarter, but Redfield's PAT kick was no good.

Merrill roared right back as halfback Dean Haskins returned the kickoff 31 yards to his own 41. Patterson roared up the middle for 40 yards to the Tule 19. Beasley scampered for 10, Salvadori for five and Patterson for three before Haskins capped the drive by scoring on a one-yard dive. Confusion prevailed in the Merrill backfield and the PAT failed.

Honker halfback Bill Oehlerich returned the ensuing kickoff 36 yards to the Husky 49 and the Tule offense moved slowly but steadily goalward. Osborne hit King with a short jump pass to put the ball on the eight and Wooten drove to the three. But Osborne and Wooten were thrown for no gain on the next two plays by the stubborn Husky defense and the Merrittites took over.

Patterson moved the ball 30 yards up the middle on the first play and Salvadori hit end Bill Artery with a 42-yard pass play to put the piskin on the 25 with 30 seconds left in the half. Salvadori rolled down the sidelines for 21 yards to the four. Patterson gained but one yard and Salvadori pushed the score to 19-0 with a three-yard scoring sneak.

Four plays into the second half,

Osborne punted 34 yards to the Merrill 40 but the hard-running Haskins took advantage of crisp blocking and sped down the sidelines to paydirt untouched, the entire 60-yard route.

Tulelake came back and moved to the Merrill 20-yard line where the Husky defense stalled the potential scoring drive as the third quarter ended.

But just before the whistle, Tulelake regained possession on a Merrill punt to the 42 and King advanced the ball 33 yards on a short swing pass from Osborne. Eight plays later Wooten dove over from one yard out for the TD.

A Haskins fumble two plays later was pounced on by Honker Mike Pierce. Osborne and King moved the ball to the seven in eight plays and the final TD of the night was registered when King, who was credited with 10 receptions for 92 yards, again took a short one from Osborne and slammed into the end zone.

Score by quarters:
Tulelake 6 0 0 12-18
Merrill 7 12 0 0-25
Scoring for Tulelake: Touchdowns—Wooten 2 (3-run, 1-punt); King (7-pass-run from Osborne).
Conversions—None.
Scoring for Merrill: Touchdowns—Haskins 2 (1-punt, 60-punt return); Beasley 1 (66-pass-run from Salvadori); Salvadori (3-pass).
Conversions—Patterson (run).

Paper Reports LA Transfer

LOS ANGELES (AP) — New York interests still are trying to recapture the Dodgers. The Examiner reported Saturday.

"I am sure it is no secret that we have been approached by New York people over quite a period of time," the newspaper quoted Dodger President Walter O'Malley. "Other than that, I have nothing else to say on this matter."

Columnist Vincent X. Flaherty said it is "more than a coincidence" that New York Mayor Wagner has been in Los Angeles the past three days.

A spokesman for Mayor Wagner laughed off the report, saying Wagner hasn't seen anyone about the Dodgers during his trip and doesn't intend to.

He said Wagner came to Los Angeles primarily to address a series of meetings for the Jewish National Fund. The Los Angeles trip was planned several months ago, he added.

O'Malley was not immediately available for comment.

ONE REDSKIN SIDELINED

WASHINGTON (UPI) — Defensive end Ed Meadows remained the only hospitalized Washington Redskin Saturday, but the team still was below physical playing par for Sunday's game with the Baltimore Colts.

Coach Mike Nixon was concerned over offensive tackle Ray Lemek's bruised shoulder as well as the condition of fullbacks Johnny Oszewski and Don Bosseier and halfback Ed Sutton.

Doctors Operate On Bates

BERKELEY, Calif. (UPI) — Doctors restored Steve Bates' shattered cheekbone in a two-hour operation at Cowell Memorial Hospital Friday.

Bates, a University of California halfback, suffered a fractured cheekbone and nose a week ago because of what school officials termed a deliberate elbow smash by Southern California guard Mike McKeever.

Dr. Henry B. Bruyn, director of the Student Health Service, said the operation was a success. Bates' condition was reported as satisfactory, although he must remain in the hospital for another two weeks.

In Sacramento Friday, Gov. Edmund G. Brown called for the firing of any football coach who teaches dirty football.

Speaking at a press conference, Brown said:

"If any coach is teaching dirty football he ought to be fired forthwith. It's a very serious thing. If coaches are teaching dirty football, it's another step in the direction of cheating."

Brown said he was not making any charges himself because he did not know enough about the case. However, he said later that he was satisfied that "necessary corrective action" was being taken in connection with the roughness charges against McKeever.

In other developments Friday, Chancellor Glen Seaborg of the University of California told the executive committee of the Associated Students that "We should not make further demands (on USC) unless corrective measures fail."

The committee had asked that the Bears refuse to play Southern California again if McKeever was a member of the squad.

"We intend to request that the game pictures be reviewed by the presidents of the Athletic Association of Western Universities," Seaborg said in a letter to the president of the Associated Students.

"I agree with your views that we should ask the AAUW to establish a policy which will provide for suspension from the team of players who persist in violating established rules of good sportsmanship."

Chicago Skain Stretches Out

MONTREAL (AP) — What's happened to the Chicago Black Hawks?

The Hawks finished a strong third in the National Hockey League last season and then gave Montreal a spectacular battle in the Stanley Cup semifinals before bowing out in the sixth of a seven-game set.

This season the Hawks defeated New York in the season's opener and haven't won since. The winless string has reached 10 games.

Coach Rudy Pilous, who leads the Hawks against Montreal tonight, explains it this way:

"This year we're not skating and we're not hitting anybody. We're not determined enough to take out our checks and we're getting beaten to the puck."

"If we could only win a couple of games it would be the greatest tonic in the world for us."
