THE PLAN • Parents frequently overlook an obvious truth, even when they are most concerned about their child's progress: *children who love to read do better in school.* To encourage—without pressure—a natural love of reading is the sound educational principle behind the **YOUNG READERS OF AMERICA** plan. It provides—at regular intervals, which is extremely important—authoritative books that are, above all, *fun to read.* As many educators point out, children who learn to love books in this way usually make the best and most interested students. And, of course, the "library-building" habit acquired in childhood will benefit them always.

(1) THE ALLABOUT BOOKS are comprehensive books about SCIENCE. Says *The New York Times*: "They have won an enthusiastic audience among fact-hungry young people. . . . Lively and informal in style, but not superficial." Each of these volumes—from dinosaurs and astronomy to atoms and sputniks—is written by an eminently qualified science writer and is accurately and profusely illustrated.

(2) THE LANDMARK BOOKS about American and world HISTORY "have fired the imaginations and held the attention of tens of thousands of young people" (*N. Y. Times*). These remarkable books are written by outstanding authors whose reputations were made in the field of serious

adult writing — authors like John Gunther, Pearl Buck, Thomas B. Costain, John Mason Brown and many others.

* **A FOUR-MONTH TRIAL SUBSCRIPTION (IT CAN BEGIN CHRISTMAS DAY, IF YOU WISH)** is suggested, in order to see how your own young reader responds to the idea. To excite and inspire him immediately, he will receive, free, the enrollment gifts pictured above. With them he will receive the **ALLABOUT** or **LANDMARK BOOK** you select as the first purchase from the two listed in the coupon. Also included will be fifty handsome bookplates to encourage him to build his own library. At the end of the trial subscription, if you do not feel that the plan is succeeding with your child, you are free to cancel at any time.

* **THE SYSTEM IS SIMPLE** — each month your child will receive a book addressed to him personally, always an exciting moment in any home. The price to subscribers, lower than the regular retail price, is only \$1.75 each, plus a small charge for mailing.

* **IF YOU DECIDE** to subscribe to both series (one **ALLABOUT** and one **LANDMARK BOOK** each month) you will receive a discount of 10%, making the special combined price \$3.15, plus the postage and handling charge. In this case, check both the **ALLABOUT** and **LANDMARK BOOKS** pictured in the coupon as your first purchase.

ALSO GIVEN . . .
50 BOOKPLATES

NOTE ABOUT CHRISTMAS: If you wish the subscription to begin as a Christmas Day surprise, check the proper box in the coupon. The enrollment gifts and the first purchase will be sent in packages plainly labeled "Do not open until Christmas." Enclosed will be a card naming you as the donor. However, because of the limited time, the coupon should be mailed at once (if you are very far from New York it should be sent via air mail), so that it will reach us no later than December 1.
