NEW from Allstate
Extra 10% Discount on Insurance for Compact Cars
Overall savings with Allstate run as high as \$20...\$30... or more!

Once again Allstate has found a way to further reduce the cost of top-quality auto insurance.

If your compact car is among those listed at the right (or among the 25 other makes on your Allstate Agent's list), you may be eligible for an extra 10% discount off on liability, medical payments, and collision insurance from Allstate. And remember, that's 10% off Allstate's already low rates. Depending on where you live and how your car is used, your total savings may amount to \$30, or even more, compared to rates of most other companies.

Equally important—you get these savings on your family car with no sacrifice in protection whatsoever. You don't get a "stripped-down" policy. You get the protection of Allstate's famous Crusader Policy.

Why the discount? The reasons are quite simple. A careful study has convinced Allstate that the lower horsepower, smaller size, lower weight and greater maneuverability of these cars make them a lot less likely to run into trouble. This, Allstate feels, entitles compact-car drivers to an extra discount on auto insurance.

Naturally, the extra 10% will not apply if your compact car already qualifies for Allstate's 25% multiple car discount.

May we help you? You can talk to an Allstate Agent at Sears, at an Allstate Insurance Center, or phone and ask him to call at your home.

It will pay you to do so, in more ways than one.
