The first U.S. patent law was passed by Congress on April 10, 1790.

matter of FACT

The rhea, a South American bird, is like the ostrich in that neither can fly. It differs, however, in structure and forms a distinct family. Its wings are more strongly developed than those of the ostrich. When running, it holds its wings lowered, not raised like the ostrich. Like the Australian emu and ostrich, it is swift of foot. The rhea stands about three feet tall.

© Encyclopedia Britannica

BUDGES 'GRAND SLAM'

FOREST HILLS, N.Y. (UPI)—Don Budge, who turned the feat in 1938, is the only player in history to score a "grand slam" of the four major tennis championships—English, French, Australian and American—in the same year.
