

**BASIN BRIEFS**

**To California** — Mr. and Mrs. Paddy Kenneally and family moved December 2 to their winter home at Cottonwood after spending the season at their Fort Klamath home. Kenneally is employed the year round by Joseph C. McAuliffe.

**Closed** — On December 2 Mrs. Myrtle Copeland closed the kitchen and dining room of the Fort Klamath Hotel which she has been operating for the past few months. Mrs. Copeland did the cooking with Mrs. Eva Nichols, Mrs. Mike Beaulieu and Mrs. Clifford Engle assisting in dining room management. Mr. and Mrs. Clarence Jenkins retained management of the hotel rooms and bar.

**Malin** — Grange No. 707 will meet at the home of Bun Scott instead of the Community Hall on Tuesday evening, December 8, at 8 p.m.

**Receives Training** — Pvt. Donald Micka, son of Mr. and Mrs. George Micka of Malin, is receiving advanced artillery training at the Artillery and Missile Center, Fort Sill, Oklahoma. He will complete this duty December 12.

**Returned** — to their home in Malin after a three-week trip are Mr. and Mrs. Frank Oliva. They visited relatives in Nebraska and points of interest in Wyoming, Kansas, Oklahoma, Arizona and New Mexico.

**In Portland** — last week were Malin residents, Dr. and Mrs. Craig Pearson and children.

**Recovering** — at her home in Malin is Mrs. Bob Victorine. She underwent surgery at Klamath Valley Hospital last week.

**Resident Returns** — After an absence of several months in Salem, Mrs. Dale Bridge has returned to Fort Klamath. Dale Bridge is employed on the Fort Klamath highway maintenance crew.

**Former Residents** — Mr. and Mrs. Lee Ferguson, Prineville, spent Sunday in Fort Klamath as guests of Mr. and Mrs. Richard O. Varnum.

**Damage Repaired** — By working fast, a crew of carpenters and workmen finished the job of cleaning up and repairing the Fort Klamath Garage building to which extensive damage was done by the windstorm November 20. Pete Myre was in charge of the carpenter work and general repair.

**Visiting** — Mrs. Glenn Andross of

Lebanon is with her daughter and family, the Gerald Rabers, at their home at the Klamath Trout Hatchery on Crooked Creek. Linda Raber returned with her grandmother from Lebanon. They welcomed a second daughter in the Raber family, Diana Lynn, born November 23 at Klamath Valley Hospital.

**Home** — Edwin Brewer has returned to his home in Fort Klamath from the Warm Springs Lumber Company woods operations near Madras. Brewer will stay with his brothers, Holley and Marcus, until logging resumes.

**Need For Speed Traps Patient In Ambulance**

KANSAS CITY, Mo. (AP) — A mental patient stole an ambulance and sped around Kansas City with red light flashing and siren screeching for about three hours Sunday night.

"I felt a great need down deep inside of me for speed," Michael Donald Byrd, 19, told police after he parked the ambulance and walked back to General Hospital. Police said Byrd, 6 feet 2, weighing 220 pounds, has been a mental patient at the hospital three years.

He got away in one of the ambulances stationed at the hospital. By turning on the police radio in the vehicle he avoided pursuers. The ambulance was sighted in various parts of the city before officers found it in a parking lot. It was undamaged.

Byrd was held in jail overnight. Police indicated he would be returned to the hospital.

"Of course I'm happy for you, darling, but think how you'd feel if you were about to become a mother-in-law!"

**GRASS FIRE**

A grass fire which broke out shortly after 1:15 p.m. on Saturday destroyed some lumber and the woodpile at the Joe DeGrande residence at Keno. Quick work on the part of some 20 volunteers saved the house from any damage except blistered paint. The county fire department responded to the call.

**Demo Chieftains Launch Attack On Ike Policies**

NEW YORK (AP) — Democratic war chiefs, warning up for 1960, have launched a broad attack on the economic and fiscal policies of the Eisenhower administration. The Democratic Advisory Council also lifted a salvo Sunday against the Republican record on issues ranging from foreign policy to national defense and the race for outer space.

A 10,000-word blueprint for next year's Democratic platform declared: "The Republicans have done a second-rate, second-best job that could cost us more in freedom and national security than can possibly be measured in money."

Charging that the administration has "failed miserably to keep the government's financial house in order," the statement went on to criticize Republicans for lack of "bold and creative leadership," an affinity for "moneyed interests," "deep-rooted hostility to new ideas" and "incompetent administration."

The platform outline, hammered out during a three-day political whiff, also called for federal aid

to education, a stronger civil rights program, a 30 per cent hike in social security benefits and a 25 cent increase in the minimum wage. Additionally, the statement urged increased presidential powers to deal with "national-interest" strikes and federal action to push both water conservation and the production of electric power.

the blueprint dealt with domestic policy and three with foreign relations. There were signs that producing the document was not accomplished without some internal party rumblings.

**New Cigarette Found Lowest in Tar, Nicotine**

Washington, D. C.: The United States Government has just received a special report which shows that a new filter cigarette—today's new Life—has achieved the least tar and nicotine ever attained. This report, filed with the government in the public interest, supersedes all previous ratings.

Achieves Least Tar, Nicotine. Following accepted research practice, the table shown at left omits all brand names except the one lowest in tar and nicotine—new Life. One of the scientists who developed new Life, Mr. Thomas Wade, said in an interview:

"This new advance was largely due to one factor—the super-absorbent Milleed Filter developed for Life Cigarettes. With this new filter, Life has been able to achieve the least tar and nicotine of any cigarette made, as shown by the filter ratings on file with the U.S. Government."

Report to Government Welcomed. Life has set a new standard of tar and nicotine reduction. Life scientists have also developed new taste enrichment which delivers full flavor never before possible in a filter cigarette.

Smokers, acting on the new ratings filed with the U.S. Government, are changing to new Life... for the least tar and nicotine in history.

**HOW TO BE A PERFECT WIFE...**

**WITHOUT OVERWORKING YOUR HUSBAND**

In the average home, over 400 HOURS A YEAR are spent on the thankless drudgery of dishwashing. In many homes, much of this work is done by poor old Dad. (This is so Mom will occasionally have time to do something besides wash dishes.)

Cut it out, girls. Just get poor old Dad to put a sparkling new **ELECTRIC DISHWASHER** in your kitchen. He'll like the idea.

You can remind him, too, that dishes and utensils come from an electric dishwasher sterilized and almost entirely bacteria-free... scalded in water hotter than the hands can touch. The electric way is the happy and healthful way to wash dishes.
