NARROW-MINDED — Abstract painter Alcolpy (otherwise known as Alfred L. Copley) displays in London, England, his impression of a skyscraper. The painting is nine feet tall and one inch wide.

MILK DRINKING HABITS

NEW YORK (UPI)—Competition from other beverages, primarily coffee, was found to be the chief deterrent to milk drinking among 40 per cent of men and women surveyed recently.

The Pennsylvania Experiment Station of the U.S. Department of Agriculture also reported that the survey showed women are less likely than men to drink and like milk.
