Etna Women Enjoy Yule Party

ETNA—The Etna Women's Club held its annual Christmas party Wednesday afternoon in the Congregational Church. The church had been attractively decorated by members of the Christmas committee under the chairmanship of Mrs. Audrey Wolford.

A short program was presented at which time Lettie Lewis recited two poems. Mrs. Audrey Wolford presented a poem, her own composition, and Mrs. Myrtle Kellem entertained the group by singing three songs.

Verna Lukensmyer, club president, conducted the business meeting. The members voted to send \$10 to CARE for school kits to be sent to Hong Kong and toward the club's project, a nurse scholarship fund, \$25. A collection was made of Christmas cards with stamped envelopes given by members to be sent to Camp White for use of persons there.

The club welcomed a member, Mrs. Grace Balfrey, who now makes her home in Yreka. Mrs. Balfrey was accompanied by five friends.

The next meeting of the club will be January 13 at which time Mrs. Russell Farrington of Callahan will be guest speaker. Atlanta Adams will be hostess at the next meeting.

EASY DOES IT
One new quick cookery idea involves taking a plastic package of a special chicken dish and immersing it in boiling water for eight minutes. At the end of that time it is removed from the water and opened to reveal a dish of chicken, mushrooms, chestnuts, carrots, peas and parmesan cheese.

DISCARD OLD TRIM
Bedraggled feathers never made any bonnet a thing of beauty to behold. But it's surprising how many women cling to them, along with a torn, limp bit of veiling. Be ruthless about discarding both and applying new trim.

JOT IT DOWN

When you are using a recipe that gives the amount of butter or margarine needed in ounces, remember that an ounce of the fat measures two tablespoons; quarter-pound bars are equivalent to one-half cup.

SOUNDS GOOD

Ever serve a mushroom sauce with omelet or scrambled eggs? This way the eggs will make a pleasant luncheon or supper dish. Have plenty of mushrooms in the sauce!
