A HOLIDAY BRUNCH invites you to feature gay, colorful Christmas cookies and cakes. The Wheat Flour Institute suggests this recipe for Merry Christmas Pattern Cookies. If you don't like vanilla flavoring, substitute 1 teaspoon grated lemon rind. The cookies should not be browned. A quick decorating frosting is made by adding cream or water to sifted confectioner's sugar to bring it to spreading consistency.

COOKIES

1/2 cup light brown sugar
2 eggs, beaten
1/2 cup water
1 teaspoon vanilla extract
1/2 teaspoon lemon extract

Decorating Frosting
Sift together flour, baking powder and salt. Cream together butter or margarine and sugars until light and fluffy. Add eggs and beat well. Combine water and extracts. Add flour mixture to creamed mixture alternately with liquid mixture. Mix well. Cover and chill several hours or overnight. Divide dough into four parts. Roll out one portion at a time, returning remainder to refrigerator. Roll out on floured board or pastry cloth about 1/4 inch thick. Cut with floured cookie cutters or cut around patterns with sharp knife. Bake on lightly greased baking sheets in moderate oven (375 degrees) about 10 minutes. When cool, frost and decorate with Decorating Frosting.

MERRY CHRISTMAS COOKIES
6 cups sifted enriched flour
1 1/2 teaspoons baking powder
1 teaspoon salt
1 cup butter or margarine
1 1/2 cups granulated sugar

Decorating Frosting

1/2 cup soft butter or margarine

4 1/2 cups confectioners' sugar (about)

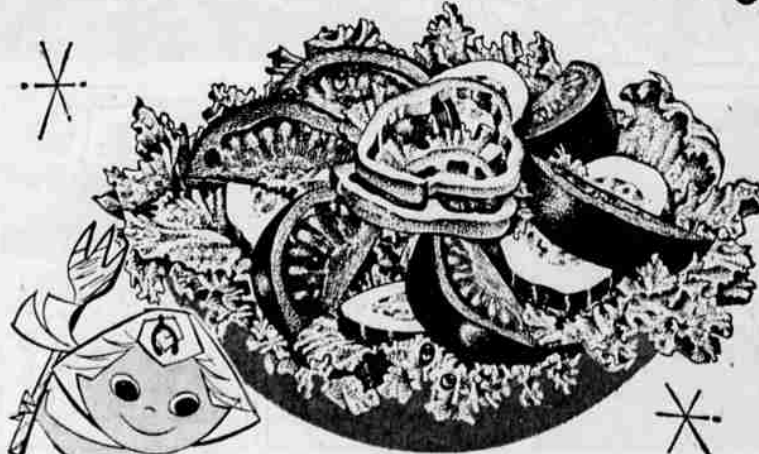

1/4 cup light cream or milk
1 teaspoon vanilla extract
1/4 teaspoon wintergreen extract

Blend about 2 cups confectioners' sugar into butter or margarine. Add cream or milk and extracts and mix thoroughly. Add enough more sugar for desired consistency. Spread on cookies or force through decorating tube. For fancy cookies, sprinkle frosting with colored sugar, silver dragees, multicolored candies, chocolate shot, red cinnamon candies and currants or raisins. Makes about 2 1/2 cups frosting.
