

MAVERICK SQUARE DANCE group gave a benefit dance recently and were able to turn over \$21 to the Hospital Survey Fund. Here caller Leonard Williamson, right, presents the check to Ed Geary, member of the Survey Fund Board of Governors. The Mavericks meet regularly at Summers School.

President Of Borough Under Fire

NEW YORK (UPI) — The borough president of Manhattan makes \$25,000 a year, rides around in Cadillac limousine and enjoys one of the top jobs in the city administration.

It is the highest city post a Negro ever has attained in New York and Hulan E. Jack, West Indian-born, affable Democratic political figure has enjoyed a prestige few residents of Harlem achieve.

Charges such as those that toppled Presidential Assistant Sherman Adams from a pinnacle of power—accusations of accepting gifts from someone doing business with the government—were made Tuesday against Jack.

A grand jury is investigating the charge that Jack allowed a businessman to pay \$5,500 to remodel the borough president's seven-room apartment from glass-enclosed, sunken tub to recessed lighting fixtures.

Jack has refused to say if he would resign in face of the charges.

The businessman, Sidney J. Ungar, was being considered by the city Board of Estimate as sponsor of a federally-aided slum clearance project in Manhattan in 1958 when Jack's home was remodeled. Jack is a member of the board and has an unwritten veto power over any building project in his borough.

Ungar appeared before the grand jury Tuesday and answered all questions concerning the immunity from prosecution based on Frank S. Hogan's office said.

Man Prepares For Death

RALEIGH, N.C. (AP)—John H. Southall, 57, visited a funeral home here Wednesday.

Broadway Star, Mate In Tiff

NEW YORK (AP) — Broadway singer Ethel Merman admits she and her airlines executive husband, Robert F. Six, are at odds. "We have amicably agreed to go our separate ways," Miss Merman said Thursday. "I don't think there is going to be any reconciliation."

Friends believe that long separations due to their work are factors in the parting.

Six is president of Continental Air Lines, which operates west of Chicago. They married six years ago in Mexico.

The United States has more than 7,000 hospitals.

He ordered an ambulance to be sent to his home at 2 p.m. Thursday, saying he was to be taken to a hospital for an examination.

At the same time, Southall arranged for his funeral, even to selecting the ministers. When a member of the funeral home staff expressed the possibility that those ministers might not be available, Southall replied: "Oh, they'll be around all right."

Minutes before the ambulance came to pick up Southall, he was found shot to death on the lawn of his home.

Police said Southall, who was in poor health, had committed suicide.
