* We're looking for people who like to draw

IF YOU LIKE TO DRAW, America's 12 Most Famous Artists want to test your art talent. We'd like to help you find out whether you can be trained to be a successful, money-making artist.

This offer is part of a program we began ten years ago. We found that many men and women who could have become artists — and should have become artists — never did. Most of them were unsure of their talent and had no way of finding out whether it was worth developing. Others who were convinced they had talent simply couldn't get top notch professional art training without leaving home or giving up their jobs.

A Plan to Help Others

We decided to do something about this. We decided to make it possible for anyone, anywhere, who likes to draw — and who has talent worth developing — to get the training he needs to become an artist. Taking time off from our busy art careers, we pooled the extensive knowledge of art, the professional know-how, and the priceless trade secrets which we, ourselves, were able to learn only through long and successful experience.

We illustrated this knowledge with 5,000 special drawings; then organized it into a series of lessons covering every aspect of drawing and painting... lessons that anyone could take right in their own homes and in their spare time. Finally — after years of teaching — we perfected what is probably the most personal and effective method ever developed for criticizing a student's drawings and paintings.

Our program of art training is now well known and respected all over America. During the past ten years, we have helped thousands of people find success in art. Here are just a few:

Don Smith lives in New Orleans. Three years ago Don knew nothing about art — even doubted he had talent. Today, he is an illustrator with a leading advertising agency in the South — and has a future as big as he wants to make it.

Father of Three Wins New Career

Stanley Bowen — a married man with three children, unhappy in a "dead-end" job — began studying with us, evenings. Now he's earning a much higher salary as an illustrator for a growing art studio. And his family sees a happy, secure future ahead.

With our training, Wanda Pickulski of Rexford, N. Y., was able to give up her typing job to become fashion artist for a local department store.

Changes His Whole Life

"Your course has been the difference between failure and success for me," writes Robert Meecham of Ontario, Canada. "I've come from an \$18.00 a week apprentice to where I now own my own house, two cars, and hold stock in two companies."

Earns Seven Times As Much

Eric Ericson used to be a clerk in an auto parts department. Thanks to our training, he is now an art director at seven times the salary he was making when he enrolled.

When Kathryn Gorsuch of Mt. Vernon, Ohio found out she was to have a baby — she left her filing job at an aircraft company and studied art at home with us. By the time the baby was seven months old, she went back to work for the same company... this time as a well-paid commercial artist.

John Whitaker of Memphis was an airline clerk when he enrolled with us. Two years later, he won a prize in a national cartooning contest and was signed to do a daily comic strip for a group of newspapers.

Profitable Hobby — at 72

A great-grandmother in Newark, Ohio decided to use her spare time to study painting. Recently, she had her first local "one-man" show — where she sold thirty-two water colors and five oil paintings.

Donald Kern — a cowboy from Miles City, Montana — studied art with us. Now he paints portraits, sells them for \$250 each, and gets all the business he can handle.

Mother Boosts Family's Income

Elizabeth Merriss — busy New York mother — now adds to her family income by designing gift wrappings and greeting cards and illustrating children's books.

In just four months Doris White of Wauwatosa, Wis., has painted and sold \$750 worth of paintings... all in her spare time!
