DREAM COME TRUE — For 20 years, Robert A. Kempke, Dorris, dreamed of a chance to see in person the annual East-West Shrine football game in Kezar Stadium in San Francisco. Last week Kempke's dream came true as he was named winner of the Herald and News Football Contest, the first place prize being two tickets to the East-West tilt, this year scheduled for January 2. Kempke is shown receiving the ducaats and a \$50 check for travel expenses from Arne Migliaccio of the Herald and News advertising department.

Segregation Draws Blast From Gibson

NORFOLK, Va. (AP)—"This is a sport, an international thing. And yet you have some people sitting here and some people sitting there."

Indignant over the segregated seating of an audience at the City Arena Sunday was Althea Gibson, 32, who recently turned professional after a reign as queen of the world's lady amateur tennis players.

"I don't like it," exclaimed the Negro star. "I didn't know this sort of thing still existed."

Miss Gibson played an exhibition match with Karol Fageros, white, of Miami, prior to a basketball game featuring the Harlem Globetrotters. Miss Gibson is on tour with the Globetrotter troupe.

After her match, she appeared calmer as she said: "There's only one difference between us—our color. Our eyes are the same; our mouths are the same."

"Do these people (the white spectators) think there is such a big difference that they have to sit by themselves?"

"I don't want to skirt the law, but there must be something wrong with the law. Just think—adults acting like this."

Virginia law requires segregated seating of spectators at public functions. The law is being challenged in a U.S. District Court suit here.

Somebody Goofed

GRANTS PASS (AP)—A 52-52 tie resulted in a Saturday high school basketball game between Roseburg and Grants Pass.

When the final buzzer sounded the scoreboard showed 52-51 in favor of Grants Pass. The crowd and most of the players left.

A recheck of scoring table figures showed a mistake. Press, radio and team scorers all agreed on a 52-point total for Roseburg.

The official scorer finally agreed he had failed to enter a fourth quarter free throw by Roseburg's Bill Mundt.

Since most players were gone and the teams do not meet again this season, the game was ruled a tie — a basketball rarity.

The previous night Roseburg shaded Grants Pass 55-54. This two-game series left Roseburg 4-1 and Grants Pass 1-4 so far this season.

Warren Spahn and Lew Burdette of Milwaukee ranked one, two in innings pitched in the National League last season. Spahn worked 292 innings, Burdette 290.

Liberty Bowl Said Success

PHILADELPHIA (AP) — The inaugural Liberty Bowl football game here Saturday could be considered a financial if not an artistic success.

Unofficial figures indicate that Penn State and Alabama each are getting about \$105,000. The promoters of the East's first major bowl game saw the test break records and turn a small profit.

Bud Dudley, who with his partner, George Kerrigan, nursed the Liberty Bowl from a brain storm about three years ago to a live spectacle before 36,211 fans, was enthusiastic about the future of the event.

"It was a wonderful start, better than the first effort of such bowls as the Sugar and Orange," said Dudley. This vigorous man of ideas pointed out that the initial Orange Bowl game drew less than 6,000, while the first Sugar Bowl effort entertained about 25,000.

Schayes, who wound up with 32 points, drew two successive charging fouls with the Celtics in front, 120-119, and two minutes remaining. He fouled out at that point and Boston quickly widened its margin to win going away.

Bill Sharman, who contributed some key points late in the game, was Boston's top scorer with 30, while Bob Cousy had 23 and Tom Heinsohn chipped in with 20.

In Sunday's other games, the New York Knickerbockers helped new Coach Carl Braun celebrate his home debut by whipping the Cincinnati Royals, 132-118, and the St. Louis Hawks widened their Western Division lead to 2½ games by defeating the Detroit Pistons, 102-86.

Syndicate Raises Hopes In Promotion

NEW YORK (AP)—A 10-man syndicate headed by Roy M. Cohn appeared today to be gaining ground in its efforts to promote a return heavyweight title fight between champion Ingemar Johansson and challenger Floyd Patterson in New York next June.

Cohn, a former assistant U.S. attorney general who once served as counsel to a Senate investigating subcommittee headed by the late Senator Joseph R. McCarthy, confirmed that his group has purchased two thirds stock interest in the now defunct Rosensohn Enterprises, Inc., from Vincent J. Vellella.

He said he hoped to obtain the one third interest held by William P. Rosensohn and insure a title fight at Yankee Stadium next summer.

Cohn said the purchase price was "substantial" but declined to name the figure. Vellella reportedly had sought \$150,000 for his stock. Vellella is a New York lawyer who has been barred from promoting fights in this state by the New York State Athletic Commission.

He is under indictment for perjury as an aftermath of the first Johansson - Patterson fight last summer in which the Swedish fighter won the world championship by knocking out Patterson in three rounds.

With his \$25,000 earnest money check to league headquarters went an application that bore the signature, among others in the combine, of Ernie Nevers of San Francisco, one of football's all-time greats and a member of the old Eskimos.

Haugrud's application, and the apparent encouragement it received from several NFL owners, signaled another collision between forces of the National League and the new American Football League over the Twin Cities territory.

The AFL evidently is set to operate here, H. P. Skoglund, part owner of the Minneapolis-St. Paul AFL team, said "We intend to go right down the line with the American League no matter what happens."

Reports that he and fellow owners might be planning a shift to the NFL themselves have no foundation, he said.

Haugrud said he has talked with seven or eight National League owners and was advised to make his application. "I was told the National League definitely will add two teams in 1960," he said.

An estimated million dollars would be needed to get an NFL team going in the Twin Cities, Haugrud said. He claimed to have enough backing from area businessmen to raise the money.

Some of the awards will be presented at the 1960 Olympic Games in Rome.

Australia — John Konrads, young Aussie swimming sensation.

Europe — Germany's all-around track athlete, Karl Martin Lauer.

South America — Maria Bueno, tennis beauty from Brazil.

The board, composed largely of sports writers, will present each athlete with a silver trophy. The athletes' names will be inscribed on the huge Helms World Trophy at the sports shrine here.

Cagers Look To Tourneys; 27 Slated Over Holidays

By THE ASSOCIATED PRESS

The nation's cage-conscious colleges will be up to their ears in basketball during the long holiday spell starting Saturday. There will be no fewer than 27 tournaments and they will be played in every section of the country.

Greatest interest, from the fans' viewpoint, should stem from New York and Los Angeles, which will

hold separate eight-team Holiday Festivals featuring some of the top quintets of the nation.

New York's Madison Square Garden boasts unbeaten Cincinnati with its great Oscar Robertson, regarded as perhaps the outstanding college player today. The new Los Angeles Sports Arena will highlight unbeaten West Virginia, winner of the recent Ken-

tucky Invitation, with its All-America Jerry West.

The New York Festival, eighth of its kind, starts Saturday and will extend through Wednesday, Dec. 30. The Los Angeles Festival, its first, runs from Monday through Wednesday.

Other top flight tournaments include the Far West Classic at Corvallis, Ore.; Big Eight at Kansas City, Southwest at Houston; All College at Oklahoma City; Blue Grass at Louisville; Sugar Bowl at New Orleans; Dixie Classic at Raleigh, N.C.; Hurricane Classic at Miami; and Queen City at Buffalo.

Six currently undefeated teams are entered in the two Festivals. In addition to Cincinnati, the New York unbeaten are Dartmouth and New York U. The pairings list Manhattan (4-1) vs. St. Joseph's of Phila. (5-1), Iowa (5-1) vs. St. John's of Brooklyn (5-2), NYU (5-0) vs. Dartmouth (2-0) and Cincinnati (5-0) vs. St. Bonaventure (2-2).

Illinois and California, the defending national collegiate champion now riding a 21-game winning streak, join West Virginia in the Los Angeles unbeaten contestants. The pairings are Southern California (3-2) vs. Northwestern (2-2), West Virginia (8-0) vs. Stanford (3-1), UCLA (3-4) vs. Michigan (1-3), and California (5-0) vs. Illinois (4-0).

Cincinnati and West Virginia must be ranked 1-2 in the nation, followed by California, Ohio State (6-0) and Bradley (6-0). The Bearcats of Ohio smashed a highly rated Louisville team 97-74 Saturday night. Cincinnati has a Tuesday home date with Bradley before moving to New York for the tournament.

West Virginia, whipped Kentucky 79-70 to capture the Kentucky Invitation Saturday. California won its 20th and 21st straight by beating Colorado, 81-47, on Friday and 79-46 on Saturday.

Utah has three games this week before competing in the Dixie Classic Dec. 28. Others in that tournament include Duke, North Carolina, North Carolina State, Wake Forest, Dayton, Holy Cross and Minnesota.

Challenge From Twin Cities Facing New Pro Grid Loop

MINNEAPOLIS (AP)—The new pro football league was confronted today with a fresh challenge in Minneapolis-St. Paul by loyalists of the National League and a man from out of the sport's frontier days.

"If the National League extends us a franchise we expect to be operating in 1960," said Ole Haugrud, Duluth sportsman and tobacco wholesaler who owned the Duluth Eskimos in the NFL more than three decades ago.

With his \$25,000 earnest money check to league headquarters went an application that bore the signature, among others in the combine, of Ernie Nevers of San Francisco, one of football's all-time greats and a member of the old Eskimos.

Huskies Have Full Schedule

LONG BEACH, Calif. (UPI)—Coach Jim Owens of the University of Washington led his Huskies through a secret drill session today before sending them off to visit a Hollywood television studio.

The football squad from Washington reviewed its entire bag of tricks Sunday at Veterans Stadium in a 90-minute session which concentrated on signal calling and punt coverage.

Owens, proud of the fact his squad has led the nation in punt coverage the past two years, labeled Sunday's session, "one of our better workouts this year."

He predicted that the Washington squad would be ready to put up a good scrap against the Wisconsin Badgers when the two teams collide on New Year's Day in the Rose Bowl.

Speaking of Sunday's session, Owens said, "I had a lot of tongues hanging out when we finished, but that's what I wanted to do."

He said he was extremely pleased that the weather Sunday was cool and cloudy. He said it reminded him of the winter conditions usually found at home.

Owens had the Huskies run through a one-and-one blocking exercise in which guard is pitted against guard; end against end, tackle against tackle and so forth right down the line.

All but the players for the first and second squads were kept on the field by Owens for an extra 20 minutes of rugged catsthenics.

Owens jovially referred to the session as a "short course drill."

Badgers Hold Offense Drills

PASADENA, Calif. (UPI) — The Badger football squad from Wisconsin today held a closed workout in the morning, posed for photographers in the afternoon and then held another workout following the photo session.

The 44-man squad, coached by Milt Bruhn, concentrated on offense today.

The players took a bus tour Sunday of the Rose Bowl where they will clash with the University of Washington New Year's Day.

The team also visited East Los Angeles Junior College stadium where today's workouts were held.
