

CEREALS combine to make excellent gift cookies for the holidays. Shown are Chocolate Peanut Crunch Bars. Make the cookie dough, spread in the pan, then top with the chocolate crunch mixture and bake. Cookies are always a special holiday treat and mighty handy to have on hand for drop-in guests or for a special package for friends leaving on a trip or just for the family to eat.

COOKIES

Much of the real fun of Christmas is in the preparation. Cooking has added pleasures because the good smells of baking please the entire family during the preparation.

Here is a suggestion from the Kellogg Company for Christmas cookie gifts. The delicious treat is called Chocolate Peanut Crunch Bars. They are made with semi-

sweet chocolate, peanut butter and wholesome ready-to-eat high protein cereal. Use them as fillers for the Christmas stocking or mail them to persons far away from home.

CHOCOLATE PEANUT CRUNCH BARS

- 3 cups sifted flour
 - 1 1/4 cups brown sugar, firmly packed
 - 1/2 cup butter or margarine
 - 1/2 cup shortening
 - 1-3/4 cup crunchy peanut butter
 - 1/4 teaspoon salt
 - 1 egg yolk, slightly beaten
 - 1 teaspoon vanilla
- TOPPING**
- 1 cup (6 oz.) semi-sweet chocolate pieces
 - 1 1/2 cups Special K (ready to eat cereal)

SCHLAGOBER WITH COFFEE

A fluffy drift of schlagober (whipped cream in Viennese) floating on a cup of steaming black coffee makes an event something very special. Brew the coffee extra strength and keep it up until serving.

HER BLUE HEAVEN for the holidays can be Milkmaid gifts from your favorite cosmetic counter. There are not only blue Milkmaid gifts, but pink ones as well. Shown are the Milkmaid Duo at right and the Milkmaid Cologne Mist and Dusting Powder at left.

MILKMAID

"Breathes there a gal with soul so dead, she never to herself has said, 'I want fragrances for Christmas?'" Of course she wants them, and if she has fragrances plus charming cosmetics to make her prettier as well as sweet, she'll have a pleasant thought of grateful remembrance for the giver a long time after the holidays are past.

Knowing, as they do, every whim and fancy of the American girl, Milkmaid people have produced some delectable items for Christmas gifting, which combine exquisite packaging with intriguing combinations of perfumed luxuries and beauty helps. In the famous pink, white and blue tradition of Milkmaid packaging, these have very elegant special effects for the holidays, the outside of every gift package being a rosebud pink moire as contrast to the blue and white within.

Completely new this year, and

a matter of love at first sight, is a Cologne of really divine fragrance, aptly termed "heavenly" at first sniff. In its blue bottle, with a matching dusting powder in blue and white plastic box, the two combined in petal-pink outer wrapping, this really exciting set will bring "ooh" and "ah" from recipients of all ages. Smaller gift packages combine the famous Milkmaid Bath Cologne with Hand and Body Lotion (the Duo), or with a Milky Foam Bath (the Duo), to make the bathing ritual one of extreme pleasure.

Other Milkmaid gifts in radiant pink packaging include separate Dusting Powder and Cologne, the fabulous Milkmaid Soap, the popular Pysle Pink Milk Foam Bath. Among the Colognes, Dusting Powders and Bubbling Bath Oils is the traditional Lilac fragrance, which will bring a breath of Spring to the Holly's festivities.

CULINARY TIP

Mash drained canned shrimp and add them to the egg yolk and mayonnaise filling for stuffed eggs. Be sure to drain the shrimp, rinse them in cold water and drain well again before using.

SOUP IT!

When there's no hambone in the house, you can use salt pork with yellow split peas for a hearty soup.
