

**SOUR CREAM TWISTS** are wonderful for a morning coffee break when friends drop in. The recipe is another use of General Mills' Bisquick combined with yeast. We used Red Star Yeast for the recipe because it is a never-fail, quick-acting yeast.

**HOT BREAD**

The arresting aroma of freshly brewed coffee and home-baked yeast rolls just can't be beat. Hospitality and warm feelings will delight your guests or your family. There is so much satisfaction in baking pretty bread rolls, coffee cake and sweet rolls.

This yeast bread recipe is snap-quick and easy, when you combine yeast and biscuit mix. German Sour Cream Twists, a combination of yeast bread, sour cream and touches of cinnamon and icing, will bring compliments from your friends!

So don't waste another minute; gather your friends together and serve this luscious morning bread. You'll be glad you did!

**GERMAN SOUR CREAM TWISTS**  
1/2 cup warm water (not hot—105 to 115 degrees)  
1 package active dry yeast  
1/2 cup lukewarm sour cream  
3 cups plus two tablespoons

**TRAVELER**

Easy-care clothes that pack small are the key to a vacation of pure pleasure, according to Helen Gray of E. I. Du Pont de Nemours and Company, who sent this release from her New York office.

Luggage can be kept to a minimum with an over-arm travel bag that folds practically a weekend wardrobe in fabrics containing Du Pont fibers.

A suggested wardrobe might include knit separates with a dressy sweater and one for spectator sports, a jersey evening dress from which the wrinkles literally drop out, and a shirtwaist dress of "Dacron" polyester fibers and cotton which may be worn for the trip.

For colors, consider white with gold for something new for your wardrobe. The knit skirt and knit jacket may be white, teamed with a choker-collared blouse of dusty gold. A separate white sweater to go with the skirt may be accented with chunky gold costume jewelry for the golden touch seen so much this winter.

**SALAD CUE**  
Some cooks like to marinate cooked vegetables—carrots, snap beans, broccoli—and then add them to a bowl of crisp greens for an interesting salad.

Food just naturally tastes better when you cook with Wyandotte "Mission Variety" olives, tree ripened to natural rich dark brown. Send for your free Wyandotte recipes: Write Wyandotte, 625 Market Street, San Francisco.

FROM DUBARRY comes the Seven Winds Deluxe Gift Set shown. Bath luxuries are arranged in a rose-decorated special design brass wine server that will be a lovely dining accessory long after Christmas has passed. The set holds bath oil, a huge 10-ounce drum of bath powder and a lovely large bottle of cologne mist - all in the famous Seven Winds fragrance that blows up a storm of excitement whenever it is worn.

DuBarry  
New gift ideas this Christmas add sparkle to the season. Seven Winds is DuBarry's exciting blend of rich imported floral essences with a subtle woody undertone. It is a fragrance that is both sentimental and sophisticated; elegant, yet provocative.

Newest of the Seven Winds' items are perfume mist and mist sprays in strikingly handsome jewelry's case atomizers—beautiful for dressing table and ideal as a handbag accessory because they are spill-proof and leak-proof.

Deauville by DuBarry is a different and delightfully feminine fragrance—in an impish mood to make her feel so French. This fresh, spicy bouquet sparkles with laughter and allure and comes in a full line of fragrance gifts, individually and in festive sets. A new quarter-dram of Deauville perfume comes ready to hang on the tree in a tiny red Christmas boot. A holiday sleigh of sparkling sylvan carries a one-ounce bottle of Deauville cologne.

ANGELS from heaven by Dorothy Gray are here in time for Christmas. Cherubs clasp fluted bottles of White Lilac, Nougay and Figurine cologne. These amusing little gifts also make fine table favors and stocking stuffers for Christmas.

Heavenly Angels, a group of colognes in fluted glass bottles, each clasped by a subtly-haired, gold-winged angel. Fragrances are Nougay, Figurine and White Lilac.

"Three to Make Ready," an eye makeup set, combining Beautiful-Lash automatic mascara, iridescent eyeshadow stick and golden eye-dia pencil (an eyebrow pencil at one end and a liner lead for eye liner at the other). All three, tucked into a soft golden purse.  
A golden compact for pressed powder, refillable, along with a brushed silver, refillable lipstick, in a new makeup set. Also available separately.  
A deluxe, refillable lipstick, in gold and silver, vertically-ribbed cases. A deluxe, refillable vanity case, in gold and silver, for pressed powder, lipstick and vanity are packaged in gold and white boxes, singly, and in a set.
