In Hong Kong the lucky refugee youngsters may find a place to sleep in a hallway or on an open rooftop. In Calcutta, the haggard beggar woman may find rest in a dirty, crowded street. It's a staggering task merely to keep these people alive on an emergency basis, let alone improving their lot. But your own Faith's Religious Overseas Aid is doing more than its share to help. Why don't you give more than your share... now in this season of giving? Give now through your faith.

 FACT**

Two thousand screaming women brandishing blunderbusses, flintlock muskets, and bows and arrows swept through the small village. This was a raid by the unique women warriors of the African kingdom of Dahomey. The unhappy captives of these female legions were led away, some of the women to be recruited into the army, others to go with the terrified men of the village to be slaves. As late as 1850, these amazon women were terrorizing surrounding tribes in French West Africa.
