

## January 15 Deadline Near; Last Day For Filing Guess

The deadline for paying the last installment on estimated Federal income tax returns for 1959 is Friday, January 15. A. G. Erickson, Director of Internal Revenue for the Oregon District, reminded taxpayers today.

Taxpayers who filed an estimated return and have a payment due on January 15 should have received a notice by mail, he said.

"If you have previously filed an estimated return and events occurring in the last quarter of 1959 indicate that your income will be substantially more or less than your original estimate, you should file an amended declaration on January 15," he said.

This declaration, he added, should be marked "amended" and filed with the same District Director of Internal Revenue who received the original declaration. (A blank amended declaration is printed on the back of the notice of payment due which the taxpayer received by mail.)

Erickson said an original declaration of estimated tax for the year 1959 should be filed by January 15 on Form 1040ES by taxpayers who first became liable for filing an estimate during the fourth quarter of 1959.

Erickson said there are two exceptions to these rules. If the taxpayer finds it necessary to file an amended declaration on January 15, or if he becomes liable for filing a declaration for the first time on January 15, he need not file or pay on that date if he files his final return for 1959 and pays in full the balance of tax he owes on or before February 1, 1960.

The second exception relates to farmers who have until Friday, January 15, to file their estimated Federal income tax return for the year 1959, unless they plan to file their final return on or before February 15, 1960.

Erickson pointed out that farmers who file an estimated return on January 15 and pay the tax due have until April 15 to file a final return and pay any balance of tax due. Otherwise, he said the law requires they file their final return and pay the full amount of the tax due by February 15. This option is available to farmers only.

The tax law defines a farmer as one who derives two-thirds or more of his gross income from farming.

He advised farmers that if they filed a Federal income tax return last year, the necessary forms for 1959 will be mailed to them. For those who did not file, or for some other reason do not receive forms in the mail, blank forms may be obtained from the nearest Internal Revenue Service office or from local post offices or banks.

## Aqua Supply Now Adequate

SOUTH BEND (AP) — There was plenty of water for drinking, washing and just plain splashing Tuesday after residents of this Southwest Washington community had been on short rations for more than a week.

Late Monday, a team of divers working on the bottom of the Willapa River, managed to replace pipe which broke Dec. 27, cutting off the city's water supply.

Schools, which were closed Sunday until the break could be repaired, were scheduled to reopen Tuesday. Two canneries, closed earlier last week, also were expected to resume operations.

## Nobel Winner Crash Victim

PARIS (UPI) — France mourned today for Nobel-prize writer Albert Camus, killed Monday in a highway accident at the age of 46. Relatives have not yet dared tell ailing, 85-year-old Yvonne Camus of the death of her son.

His mother, who lives in Algiers, is recovering from a serious illness.

The body of the famed novelist, playwright and newspaperman lay in a darkened room in the town hall at Villeneuve-la-Guyard, a few miles from where he died in the wreck of a French-made sports car. Three friends were injured in the crashup.

## Pine Brings Good Price At Oral Timber Auction

Pine brought a fat price during an oral auction Wednesday afternoon in Klamath District headquarters for Rogue River National Forest. Three more sales are due there soon.

There were four bidders. Two, Ellingson Timber Company and Modoc Lumber Company, quit in the early rounds. Paul Wampler and Chilquin Timber Company slugged hard for 78 rounds.

Both have mills close to the Annie Creek area where the 2,500,000 board feet of ponderosa pine and 2,700,000 feet of white fir and other species are located.

The Chilquin firm outbid Wampler, offering \$42.50 per thousand feet of pine and \$15.50 for other species against Wampler's bid of \$42.40 and \$15.55 respectively.

The parcel brought a total of \$148,100. It had been appraised by forest service cruisers at \$29.45 per thousand feet of pine and \$14.95 for other species. Minimum bid acceptable was \$13,900.

Included in the minimum bid was \$2.20 per thousand feet for brush and slash disposal.

Other sales, due January 15, 18 and 22 in the district ranger's office, Post Office Building, Klamath Falls, are located in Lake of the Woods, Sevenmile and Dry Creek

areas, in that order. The Lake of the Woods parcel, just east of the lake, includes an estimated 10,000 feet of Douglas fir, 10,000 feet of pine species, and 150,000 feet of white fir and other species on 12 acres.

Estimated value and minimum acceptable bid is \$34.25 for pine, \$29.15 for Douglas fir and \$17.35 per thousand feet of other species. Auction is scheduled for 2 p.m.

Sevenmile Sale Area 3 contains an estimated one million feet of ponderosa pine and 2,100,000 feet of white fir and other species on about 119 acres due west of Fort Klamath.

Appraised value and minimum bid prices are \$41.45 for ponderosa pine and \$19.20 for other species. The oral auction will begin at 10:30 a.m.

Dry Creek Sale Area 1, also located near Fort Klamath, contains about 1,100,000 feet of pine species and 400,000 feet of white fir and other species on about 100 acres.

Low acceptable bid prices and appraised prices are \$38.10 for pine and \$19.35 for other species. The auction is scheduled for 2 p.m.

Bidders, to be eligible to enter oral offers, must post sealed bids at the ranger's office by the time oral auctioning begins. Sealed bids must be at least as high as appraised prices.

Deposits of at least \$1,500, \$7,000 and \$4,000 payable in money order, bank draft or cashier's or-

tered check on the Lake of the Woods, Sevenmile and Dry Creek sale, respectively, must be included in each sealed bid. Minimum bid prices include \$4.20, \$5 and \$3.45 per thousand feet for slash disposal on sales in the order listed above.

## Lad, 16, Tragedy Victim, Sees World Turn To Ashes

INDIANAPOLIS, Ind. (UPI)—Young Tommy Teel stood orphaned and alone today, an innocent trapped in a tangled web of tragedy.

Only 18 months ago, Tommy was a happy 14-year-old, secure in the love of his foster parents, a wealthy drug company executive and his tiny, pretty wife.

Today his young life lay shattered amid the ruins of a family torn by scandal, murder and death by fire.

Tommy's father, Forrest Teel, handsome, debonair vice president of Eli Lilly & Co., was shot to death July 31, 1958, in a struggle with his secret lover, Mrs. Connie Nicholas.

Tommy's mother, Mrs. Mary Elizabeth Teel, 49, suffered in silence through the months of scandal and Mrs. Nicholas' sensational trial which followed the shooting.

Then, last Saturday, Tommy returned home from a dance to find his mother critically burned by flames which started when she fell asleep while smoking in bed.

For four days Mrs. Teel clung to a life which had treated her

cruelly. Then she died.

Mrs. Teel's epitaph was spoken by the woman who stole her husband's affections.

"Nothing is ever as humans plan it," Connie Nicholas sobbed when told of the death.

Mrs. Nicholas, 44, currently is free while appealing her 2-to-21-year sentence for her manslaughter conviction in Teel's slaying.

An aunt, Mrs. Thelma A. Williams of Fort Worth, Tex., will go with Tommy to his mother's funeral Friday.

And then Tommy Teel, now 16, will be alone.
