

**HIGH MASS** was celebrated by Msgr. T. P. Casey in Sacred Heart Church Sunday morning, December 20, honoring Mr. and Mrs. Michael Lavenik who celebrated their 50th wedding anniversary on that day. All members of their immediate family and many out of town friends were present for the impressive ceremony. Also present was a longtime friend, E. J. Murray of this city, knighted by Monsignor Casey as a Knight of St. Gregory a few months ago. The honored couple left the church beneath the swords of the Honor Guard of the Fourth Degree, Knights of Columbus, Commander Otto L. Smith, state master, is at the left foreground. **Polish General Flees Country**

LONDON (AP)—Reports reaching Polish emigre circles today said Gen. Frey-Bielecki, air force chief in Communist Poland, has fled to Yugoslavia in his own MIG jet fighter plane.  
In Belgrade, a Yugoslav Foreign Ministry spokesman said: "These reports are not true."  
There was no comment from Warsaw, the Polish capital.  
If true, the defection would be one of the most important from the Soviet bloc since World War II. Frey-Bielecki took command of the Polish air force after Wladyslaw Gomulka had taken over the Polish Communist leadership in October 1956. Previously he had been deputy to a Soviet commander, Gen. Turkiel.

**Latin America Visit Planned**

WASHINGTON (AP)—President Eisenhower, striving personally to improve Free World understanding, carries his "peace with freedom" campaign to four South American nations late next month.  
Warm receptions — perhaps equaling those he received on his December tour of Asia and Africa — seemed assured for him in Brazil, Argentina, Uruguay and Chile, four Argentinean countries.  
Plans for the 10-day trip, which will begin Feb. 23, were announced Wednesday by the White House. Mrs. Eisenhower, Secretary of State Christian A. Herter and the President's brother, Milton S. Eisenhower, will be among those making the trip in the President's jet airliner.  
The White House announcement said the President hopes his trip will "publicly reflect his deep interest in all the countries of the new world, and encourage further development of the inter-American system."  
The President will visit Brazil Feb. 23-26, Argentina Feb. 26-29,

**Reds Crossbreed East West Apples**

MOSCOW, (AP)—Soviet scientists say they have crossed American and Russian apples to produce a new variety that can be "preserved fresh for 370 days." The report did not specify the mode of preservation.  
The Soviet news agency Tass said the variety, called the Gareev hybrid, resulted from a cross between the American Superb, which it said can be preserved 225 days, and the Russian Grushovka Vernenskaya. It said the new apple averaged 4½ ounces.  
Scientists at the Kirghiz Academy of Sciences in the mountainous Kirghiz republic, where the Gareev hybrid was developed, said it can thrive at altitudes up to 6,000 feet.
