# "Radio Free Europe is our link with the Free World"

"Our link with the Free World" —a direct quote in a letter received from Poland. Proof enough that RADIO FREE EUROPE is doing its job . . . winning men's minds in the Cold War. A war in which the only weapon is the truth! A war that goes on in men's minds . . . not on battlefields.

But your dollars are needed to keep RADIO FREE EUROPE on the air! Your dollars pay for transmitters, announcers, trained personnel. So don't let the Reds win the battle for men's minds—don't let them win the Cold War. Keep RADIO FREE EUROPE on the air by sending your dollars to:

**CRUSADE FOR FREEDOM**
**c/o Local Postmaster**

Published as a public service in cooperation with The Advertising Council and the Newspaper Advertising Executives Association.

### HOME STUDY HINTS

NEW YORK (UPI)—Desk tops for home study should be at least two feet by four feet in area and 25 to 30 inches from the floor, depending on the child's size. The chair, straight-backed, should be high enough to bring the eyes 14 inches above the desk top. Lamps should be about two feet high with semi-direct lighting, a high-wattage bulb and a good-sized shade. So reports a pen maker (Sheaffer Pen Co.).

### WELL SHOD

WATERTOWN, Mass. (UPI)—The average teen-age American girl accounts for an average purchase of seven pairs of shoes a year—nearly twice the national average for all persons, according to the B. F. Goodrich footwear division. An increasing portion of this 175 million dollar annual market is going to casual shoes of the canvas-topped, rubber-soled type, a market survey by the company revealed.

### ON-THE-JOB TRAINING

BURLINGTON, Vt. (UPI) — Chief warrant officer Frank Monty, who was in charge of a Navy school for electricians, retired from service after 20 years to earn a degree in electrical engineering at the University of Vermont.
