

INFORMATION on admission to the Air Force Academy can be obtained locally from Lt. Col. Thell E. Rea, AFRES, assistant manager at Sears, and academy liaison officer in this area. Here, cadets of the Air Force Academy march onto the ramp beside the cadet dormitory. Directly in front of them is the Administration building, and beside it is the Cadet Social Center. The dome-shaped building is a planetarium. The Rampart Range of the Rocky Mountains form a backdrop for the academy campus. Information can also be obtained by writing the Registrar, U.S. Air Force Academy, Colorado. Lt. Col. Rea's number is TU 2-0852.

Noted Pianist Overcomes Major Obstacles

MANHASSET, N.Y. (AP) — If concert pianist Rudolf Firkušny has an artistic headache today, he can certainly blame it on what happened Friday night in the high school auditorium here.

About 700 persons gathered to hear Firkušny in a program sponsored by the Community Concert Assn.

The pianist started playing Beethoven's "Variation on a Theme" and everybody was enjoying it. Then Firkušny fingered an E-flat. It rattled.

The pianist stopped playing, gesturing helplessly. A member of the concert committee rushed on stage and inspected the piano's innards. She triumphantly came up with a match book cover.

Firkušny continued, this time with a Schubert number. All went well until the piano began buzzing when certain keys were struck. Another piano inspection followed. On the strings, under the metal plate of the instrument, was found a metal New York State auto license tab.

How the "foreign objects" got in the piano was a mystery to the concert committee.

Firkušny, Czech-born American citizen, went on to complete his program and added several encores to make up for the interruption.

The audience gave him an extra big hand.

POST BEST RECORD
NEW BRUNSWICK, N.J. (UPI) — The New Jersey Turnpike's 1959 safety record was the best since the superhighway was opened in 1951, it was announced Tuesday. The Turnpike Authority reported 20 persons were killed in 15 accidents during 1959. The best previous record was 24 deaths in 20 accidents in 1957.

Awards Meal Scheduled

The Klamath Reservation Jaycees will hold their fifth annual awards banquet on January 23 at the Masonic Hall in Chiloquin.

Among the awards to be presented that evening are the Distinguished Service Award to an outstanding local man between the ages of 21 and 36; the Outstanding Young Farmer Award, also to a man from 21 to 36; the Senior Citizen Award presented by the PTA; and the Key Man Award to the outstanding Jaycee member chosen by the president.

Main speaker of the evening will be State Sen. Harry D. Boivin of Klamath Falls and emcee for the evening will be Richard Stratton of the Central Point Jaycees. Food (cater) will be prepared by the ladies of the Eastern Star. The banquet is open to the public, but only a limited number of tickets are available. Tickets are two dollars each and can be obtained at the following Chiloquin business houses: Kircher's Hardware, Curries for Drugs, Jerry's Shell Service, the Adult Indian Education Office, or from any Jaycee member.

IRISH SETTERS?
LAFAYETTE, Ind. (AP) — Ronald Johnson is a bit concerned about two of the four puppies born to his dog. The pair is light green in color. A veterinarian couldn't explain it, but he said they'd probably grow out of it and be brown and white like their mother.

WASHINGTON (AP)—The Federal Aviation Agency Saturday tightened the rules for drinking aboard airlines: a passenger can still bring his own bottle, but the stewardess must have control of pouring the drinks. The idea is to prevent passengers getting excessively drunk by belting a bottle at will. Big airlines usually serve drinks from an airborne bar as part of the service. Smaller airlines often have no bars, but will serve set-ups to passengers who bring their own liquor. Under the new rule, such passengers would be required to turn in their bottles as they board to the stewardess, who would then pour the drinks from it.
