

OWLS PLAN RECEPTION — Oregon Tech basketball coach Wally Palmberg gives his ballplayers a chance to rest their hands and feet for a moment during the week's preparations for the two-game weekend stand with the Eastern Oregon Mountaineers, which begins at 8 o'clock tonight on the OTI floor. With the help of freshman Buddy Guill (with ball) Palmberg is outlining some offensive tactics planned to pay off in a league victory or two over the

The Klamath Union High Pelican basketball team headed for Grants Pass this noon for the first game of one of the most important series they will play in Southern Oregon Conference play this season. Tonight they tangle with always tough Cavemen, then Saturday they return as far as Medford where they will seek revenge for the loss handed them by the Black Tornado in the league opener.

'World Series Share' Dealt To San Francisco's McCovey

United Press International Willie McCovey picked up a "World Series share" today, which is quite a trick considering the San Francisco Giants never got in it.

Weekend Schedule Eastern Oregon at Oregon Tech (2) Southern Oregon at Oregon College (2)

Although he is running second to teammate Pasco Arritola in overall season scoring averages, forward Frank Chase leads all the Oregon Collegiate Conference scorers, as he and his Eastern Oregon College teammates invade Oregon Tech tonight for the first of a two-game series. Preliminary action tonight on the Mile High court begins at 6:15 sharp, followed by the main event at 8 o'clock. Saturday night the same schedule will be repeated.

The OTI-EOC series is the second league action for both clubs. The Owls lost their openers with Portland State while the Mountaineers split with Southern Oregon in theirs.

Chase, a 6-1 junior forward, collected 32 points in the two games with the Raiders. His total puts him six points ahead of the number two man, Portland State's Don Powell, who has 26. Arritola, the EOC center, is fifth with 24 points, just ahead of Dennis McKee of OTI who hit 20.

Oregon Tech's Buddy Guill and SOC's Glen Peterson lead the free throw shooters with perfect 2-2s but McKee, with eight successes in nine tries, has an .889 percentage. Arritola and SOC's Gordie Carrigan have the most free throws to their credit, 10-12 each.

The Eastern Oregon cagers boast the best offensive mark with a 62.0 per game average while the Techmen trail the pack with a 35.0 offensive average.

The defensive marks, however, find the Owls ahead of EOC with a 40.0 mark. The Mounts, number three defensively, have allowed 58.0.

West Favored In Pro Bowl Sunday

LOS ANGELES (AP) — Surprisingly, Coach Red Hickey doesn't mind that his Western Division team is favored by 3½ points in the pro bowl football game Sunday.

And to really make a radical departure from the coach's pessimistic tradition, he adds: "We love to be the favorite in any game."

"The fellows who make the odds know what they're doing. I hope they're right again this time."

Hickey was asked Thursday to give his analysis of the game.

"The Pro Bowl is always a passing duel," he replied. "The team that gives its passer the better protection will win."

The San Francisco coach, affiliated as a player and coach with the Los Angeles Rams, also noted he will have another advantage.

"I am well acquainted with the personnel of the other club," Hickey said. "Half of them came from the Rams."

The East squad is sprinkled with Ram castoffs who have made good with other teams, notably quarterback Norm Van Brocklin, tackles Frank Fuller and Ken Panfil, defensive end Andy Robustelli, halfback Jimmy Orr and defensive

halfback Dean Derby.

East Coach Buck Shaw of the Philadelphia Eagles says he plans to loosen up the West defense with passes by Van Brocklin and Bobby Layne and then shoot fullback Jimmy Brown up the middle.

Shaw said he's impressed by his squad's enthusiasm.

"It is amazing," he reflected, "what a pro football player will do for 200 bucks."

The winners will get \$800 apiece, the losers \$200 less.

A crowd of more than 50,000 is expected to see the 10th annual pro classic in Memorial Coliseum. The contest will be televised nationally by NBC, with the Los Angeles area blacked out.

County 'B' Leaders Face Friday Threats

COUNTY B LEAGUE		
	W	L
Malin (8-3)	3	0
Merrill (8-2)	3	1
Bonanza (4-3)	3	2
Chiloquin (5-4)	2	2
Sacred Heart (4-5)	2	2
Gilchrist (3-5)	1	2
Bly (1-8)	0	5

The Huskies, last year's county champs, garnered an unsatisfactory victory over the winless Bly Bobcats while Chiloquin was taking its lumps from Henley the last time out.

Bly, with not one player over 5-9, is itching to get back into the win column, their only victory so far being their season opening conquest of Paisley. Tuesday night the Paisley crew got even, leaving the Cats on the short end of a 1-0 season mark.

Leading the chase for county individual scoring honors is Malin's Randy Miller who has maintained a 14.7 average for a total of 162 points over 11 games. His closest competition is provided by teammate Jim Long who has potted 122; a 12.2 average over 10 tests.

The number three and five spots belong to Gilchrist's Gerald Warren and Charles Russell who have scored 93 and 89 points respectively for 11.6 and 11.1 averages.

Sacred Heart's Bob Andersch, who has garnered 102 points in nine games for 11.4, is holding down the number four position.

County score leaders:

Player	G	TP	Avg.
Miller (Ma.)	11	162	14.7
Long (Ma.)	10	122	12.2
Warren (G.)	8	93	11.6
Andersch (SHA)	9	102	11.4
Russell (G.)	8	89	11.1
Murray (SHA)	9	99	11.0
Schooler (Bon.)	7	75	10.7
Krok (SHA)	9	94	10.5
Hall (Bly)	8	82	10.3
O'Connor (Bon.)	7	72	10.3
Crume (Bon.)	7	72	10.3
Hogarth (C.)	9	91	10.1

The Bly Bobcats put the cap on the night's action when they host the Henley Hornet Jayvees in the only non-conference match slated. Malin, Merrill and Sacred Heart, as well as the Hornets, are all on the road for the scheduled games.

The Mustangs are fresh from a rugged struggle that they won in overtime from the KUHS JV's Tuesday night while the Bonanza five are still smarting from the defeat they suffered at Sacred Heart when they lost all touch with the basket after leading for two frames.

Commission To Probe Fight

PHILADELPHIA (UPI) — The Pennsylvania Boxing Commission scheduled a hearing for today into Thursday night's Willie Greaves-Eddie Bell to-rounder which ended as a TKO when Bell couldn't respond to the third-round buzzer because of an eye irritation.

Greaves, 161½, of Detroit, was awarded the TKO when Dr. Alfred Ayella Jr., boxing commission physician, ordered the bout stopped after examining Bell's left eye and noticing a slight discoloration. It was listed as a third-round TKO.

Seconds at ringside said Bell returned to his corner after the second round, rubbing his eye and complaining of blurred vision.

The 165-pounder from Washington, D.C. said at a weigh-in Thursday morning that he got something in the eye while painting the day before. He said the eye still bothered him during the day, but he was pronounced fit to fight after a physician removed some foreign matter from the eye.

WORTH MORE BECAUSE THEY WORK MORE

Chevy's new torsion springs and Sturdi-Bilt design are changing everybody's ideas about how much work a truck can do. Last year's schedules are out—Chevrolet trucks ride faster over the rough runs to get in more trips a day! Big repair bills are no longer a problem—Chevrolet trucks soak up punishment that means downtime to other makes! And trade-in time's put off for extra thousands of miles—'60 Chevrolet trucks stay new like never before!

New Dollar-Saving Prices
Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Prices have also been reduced on all optional V8's.

New Torsion-Spring Suspension
Eliminates I-beam shimmy and wheel fight! With torsion springs up front there's a brand-new, smoother, easier handling feel behind the wheel. New rear suspensions include wide-based coil springs in most light-duty models; tougher variable-rate leaf springs in medium- and heavy-duty models.

Electronically Balanced Wheels
Front wheels and tires are balanced at the factory. Helps make that new ride revolutionary!

New Cabs—Wider, Safer, More Comfortable
Many models are a whole 7 inches lower (without sacrificing road clearance), so it's easier to hop in and out of cabs. Still there's more space inside; more room for hats and hips, more foot room with suspended pedals. Cabs are safer, too; new build makes them 67% more rigid.

Plus Improvements All Through the Line
A new steering linkage system that cuts vibration, means better control. There's new V8 efficiency. Sixes long famous for saving. New key-turn starting. Higher, wider visibility. Talk to your Chevrolet dealer about the world's most advanced trucks.
