

Kingsley '5' Drops McClellan

The Kingsley Field Air Force Jets returned home from a winning two-game journey into Washington and carved out a narrow 86-83 victory over the McClellan Air Force Base Flyers Friday night on the Kingsley floor.

The Jets, who saw a 37-31 half-time lead to dissolve into a 75-75 tie at the end of the regular game, were forced into a five-minute overtime period to gain the victory.

Clarence Peoples, who took over as the team's playing manager Friday, was the top scorer of the contest with 29 important counters. Crowding close on Peoples' heels was teammate Billy Martin who potted 28. Martin took over for Sammy Bell, Kingsley high-pointeer discharged from the service upon his return from Washington. Bell is expected to return to Klamath Falls to attend school at Oregon Tech.

Jack Tucker and Bob Anderson were high for the McClellan quintet, registering 17 and 16 respectively.

Kingsley overcame an early 13-1 lead to go ahead for the win.

Earning special mention for their performances off the backboards were Kingsley's Chauncey Scott, LaVerne Brown and Wade Gordon. McClellan's zone defense coupled with soft spots in the Kingsley defense to create some problems for the Jets.

The next action for the Kingsley Field cagers comes on Friday and Saturday of next week when they invade California for a pair of games with Hamilton Air Force Base.

Kingsley AFB (86)—Gordon 11, J. Brown, Scott 13, Chessnut, D. Brown, Paine, Compton 2, Peoples 29, Martin 28.
McClellan AFB (83)—Davis 10, Boyce, Clock 11, League 10, Tucker 17, Johnson 11, B. Anderson 16, R. Anderson 20.

Jerry Barber Yorba Linda Open Leader

YORBA LINDA, Calif. (AP)—Veteran Jerry Barber of Los Angeles took the lead in the \$20,000 Yorba Linda Open Golf Tournament Saturday, shooting a 70 for his second successive sub-par round and a mid-way mark of 137.

Barber, 43, a former regular on the tournament circuit but now primarily a teaching pro, toured the par 36-36-72 Yorba Linda Country Club course in 35-35-70.

One stroke back was Jack Burke Jr., of Klamath Lake, N.Y., who wound up with a 68 for 138.

Tied at 139 were Julius Boros of Mid Pines, N.C., with a 72, and Harry Weetman, a member of the British Ryder Cup team five times, with a 71.

Scores of 146 and under for 36 holes qualified for the final two rounds as the field was trimmed to 60 and ties.

Biggest shock was the failure of Gene Littler to survive the cut. Littler had 73-74-147. It was the first time he had failed to qualify since the Pensacola Open last March.

Tony Lama, the surprise leader in the first round with a 66, wound up with a 75 for 141.

Tied at 140, three strokes off the pace, were Don Finsterwald, winner of the Los Angeles Open last Tuesday, who had a 69; Don Fairfield, 71; and Lionel Hebert and Bo Winger, with 72s.

Olympic Entrants Now Number 33

SQUAW VALLEY, Calif. (UPI)—Total number of nations entered in the 1960 Olympic winter games stood at 33 nations today after officials here announced the withdrawal of Yugoslavia from competition.

A cablegram was received here yesterday from Belgrade which said the Yugoslav athletes were not in top condition and had not completed enough against the top athletes from other nations.

Yugoslavia had planned to enter athletes in the men's and ladies' alpine and cross-country competition, plus jumping.

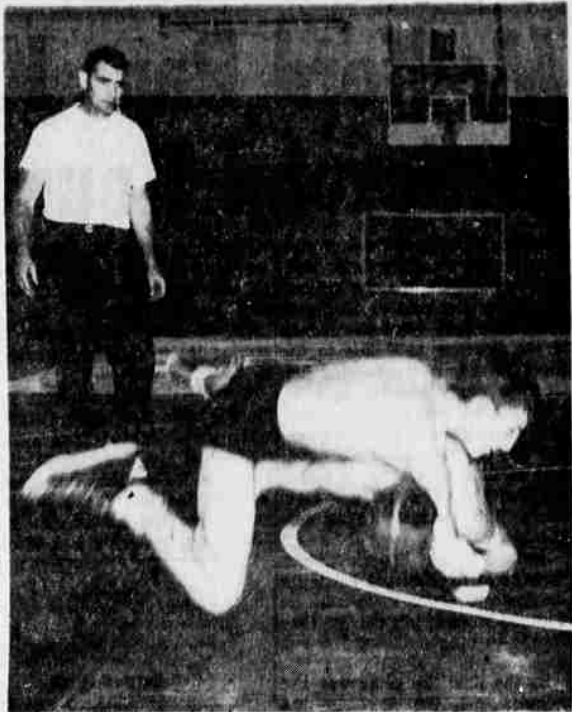

Earlier in the week Roumania was refused admission into the games because of failure to send in an entry in time.

Giants Waiver Catcher Hegan

SAN FRANCISCO (UPI)—The San Francisco Giants placed Jim Hegan on waivers today with the intention of granting the veteran catcher his unconditional release.

"There still is a chance he might be picked up by another team," said vice president Charles "Club" Feeney. "But if not, he probably will go into radio or television work."

Hegan, who is best remembered for the 12 straight seasons in which he starred as regular catcher with the Cleveland Indians, batted .173 last season for the Giants and Philadelphia Phillies.

BUT YOU GOTTA BE QUICK—Typical of the action on the Klamath Union wrestling mats Friday and Saturday, Pelican Gary Head, on the bottom temporarily, moves fast to launch the first win for the KU squad's pair of victories. Head decided his man, Jim Spetz, (Medford) 3-2. The Pels whipped the Medford Black Tornado 35-13 Friday and topped Prineville 27-17 Saturday afternoon. In the background is referee Jim Cordial.

Pelican Wrestlers Collect Two Wins

The Klamath Union Pelican wrestling team stretched its 1960 win string to three this weekend, by dealing Medford a 35-13 whipping Friday afternoon and subduing Prineville 27-17 on Saturday.

The Pel Jayvees handed the young Tornado a 50-39 defeat and on Saturday in exhibitions the Pels added a 16-0 conquest of a Prineville squad.

Despite the two victories each DeLance Duncan was dissatisfied with the Saturday matches with the Cowboys. He said, "I believe this is the worst wrestling I've ever seen on the part of KU boys. Several failed to show for matches. The attitude expressed and the lack of conditioning on the part of several of the wrestlers made for a poor showing. I feel that unless some squad members take a more serious attitude, we are in for some tough times in the future."

In the Medford match the Pelicans at one time had a 32-8 spread as Pelicans Milo Crumrine, Fred Tracy and Bill O'Neill each gained pin victories. Bob Mitchell and Joe Cox each scored impressive decisions over the Tornado. Heavyweight John Hancock decided his man.

Friday Jayvee winners included Ross Griggs, Gary Bishop, Gary Leavitt, Sherd Duncan, Eric Peterson, Dale Crumrine, Ken Lewis, Loren Ambers and Larry Wishart, who wrestled and won two bouts.

Against the Prineville team Gary Head opened with a decision and Milo Crumrine won by forfeit. Fred Tracy and Joe Cox each added pins while John Hancock, Dan Ross and Dave Gonzales each won decisions.

For the second time this season the Klamath Frosh squad has seen a scheduled match canceled because of road conditions. This time it was the North Grants Pass Junior High that failed to show up.

Chicago was granted a franchise in the Western Division last September. According to Podoloff, the team will be ready to operate next year. The franchise is headed by Max Winter, former general manager and part owner of the Minneapolis Lakers.

Both the Western and Eastern divisions now have four teams each.

Podoloff said he didn't expect any other expansion matters to come up.

The NBA playoffs will be the same as last year, Podoloff said. The No. 2 and 3 teams in each division will meet in the best of three series. Winners will play the No. 1 club in best-of-seven series. Then the two division finalists will meet for the world championship in a best-of-seven. Boston captured the crown last year.

Philadelphia Crowds Celts

By THE ASSOCIATED PRESS
The Philadelphia Warriors were getting too close for comfort so the world champion Boston Celtics took matters into their own hands Friday night and came up with a 124-112 victory.

The victory snapped the Warriors' 10-game winning streak and boosted the Celtics' lead to 3½ games in the Eastern Division of the National Basketball Assn.

In the other two games Friday night, Jack Twyman came up with a Cincinnati floor record to 50 points in leading the Royals to a 122-118 victory over Minneapolis and St. Louis downed Syracuse 141-140 in overtime.

Bob Cousy was the big gun in the Celtics' triumph. He scored 20 points as they broke out of a 35-35 halftime deadlock with a 40-27 advantage in the third period.

Wilt Chamberlain led Philadelphia with 44 points.

Galaxy Of Great Athletes Get New Accolades, Cups

COLUMBUS, Ohio (AP)—A galaxy of great athletes, past and present, held new accolades and awards today.

From all parts of the country they came to receive recognition at the Columbus Touchdown Club's fifth annual banquet Friday night.

The star-studded array paraded to the podium from 6:30 p.m. until midnight receiving trophies ranging from pint-size cups to a huge 4-foot extravaganza which Sammy Baugh, coach of the New York Titans of the new professional football league, presented to Dick Norman, Stanford's star quarterback.

The touchdown club presented a check for \$3,000 to the Olympic Fund Committee from the receipts as some 700 paid \$10 each to see the stars on parade.

Syracuse University, collegiate grid champion, walked off with multiple honors as Floyd (Ben) Schwartzwalder was honored as coach of the year, his team was named the outstanding collegiate combination in the land, and Roger Davis was lauded as the best lineman of the season.

Major awards went to Heisman Trophy winner Billy Cannon of Louisiana State as the best college football player of the year; to Harvey Haddix, Pittsburgh pitcher, for his 12-inning stint of perfect pitching against Milwaukee; to Johnny Unitas of Baltimore as the outstanding professional footballer; to Ted Williams of the Boston Red Sox as athlete of the decade, and to track star Jesse Owens as tops for the century.

Unitas and Williams were among the few who didn't receive their awards in person.

From out of the past were Benny Friedman and Bennie Oosterbaan, Michigan's great passing combination of the 20s; Notre Dame's four horsemen, Jim Crowley, Don Miller, Elmer Layden and Harry Stuhldreher; and broadcaster Tom Harmon, named the best Big Ten back of the last quarter-century for his deeds at Michigan.

Phil Gregory hit 22 points for Dick Reeder's as they downed Merrill 54-41. Bud Maupin counted 11 points to lead the Merrill cagers.

NFL Meets To Choose New Leader

PHILADELPHIA (AP)—The National Football League opens one of its most important meetings at Miami Beach Wednesday with election of a commissioner and the vital problem of expansion heading the agenda.

Election of a commissioner to succeed the late Bert Bell probably will be the first order of business. Bell died last Oct. 11. The battle over expansion between the forces of Washington owner George Preston Marshall and Chicago Bears' owner George Halas figures to come later with a permanent commissioner on deck to arbitrate.

Of many names mentioned in recent weeks as possible successors to Bell, present acting commissioner, Austin H. Gunsel, seems to lead the field.

The subject of expansion seems sure to produce fireworks. Marshall, determined opponent of any effort to increase the 12 team league to 13 or 14 teams, already is in Miami and last week fired the first shot in the battle. He said NFL expansionists are only trying to destroy the new American Football League. He promised to carry the issue to court if necessary.

Halas, like Marshall a veteran pro football executive, is in the opposite corner and according to an informal vote in Philadelphia after Bell's funeral, has the owners with him. The Chicago owner would admit Dallas and Minneapolis-St. Paul to the NFL. Other cities seeking a franchise are St. Louis and Miami.

NY Governor Gets Feet Wet

ALBANY, N.Y. (AP)—Gov. Nelson Rockefeller waded into the troubled waters of Buffalo baseball today and urged the Continental League to give the city a franchise.

The governor's office announced he had written Branch Rickey, president of the new league, recommending Buffalo as the site for the league's eighth and last remaining franchise.

In Buffalo, the baseball situation was confused. Apparently, the difficulty is over who is to run the Buffalo team.

Reginald B. Taylor, the financial backer, said Friday it was his understanding that he was to be named chairman of the board of the Buffalo Baseball Club and that he would handle financial details of the new club.

But John C. Stiglmeier, president of the community-held company that operates Buffalo's International League Bisons, said Taylor's understanding was impossible because there was no such position as board chairman.

Bill Shea, founder of the Continental League, charged that the situation was an undercover effort by the major leagues to ruin the Continental.

Michigan State's football team drew an average of 37,685 fans for five home games this season, the third best home average on record.

Lions Slate Cage Meet In Dunsmuir

DUNSMUIR — Proceeds of the Dunsmuir Lions Club Invitational Basketball Tournament February 27-28 will be used for the March of Dimes campaign this year, Roger Ellis, Lions Club president, announced after the club's Monday luncheon meeting.

"This annual event offers wholesome community entertainment and allows Dunsmuir to be host to out-of-town visitors also," Ellis said. "Rather than have a separate event for the March of Dimes, Lions Club members decided to pool their efforts to make the tournament a financial success as well as a popular athletic feature."

Pat Murphy, tournament director, and Dan Decker, March of Dimes campaign chairman, will work together on this year's event. Town teams from nearby communities will be invited to participate in the double elimination tournament. This is Dunsmuir's fourth annual tournament.

Lions Club members also expect to have the community center under construction this summer. Dave Anderson is chairman of this committee and he reported only a few details of the land use remain to be ironed out between the city council and recreation commission. The club proposes to build a community center adjacent to the baseball park with funds derived from sale of the Scout Hut. The Scout Hut, owned by the Lions Club, was in the path of the Highway 99 Freeway. Assisting Anderson in the community center project are Paul Alcounie, Ray Striker, Harold Baughman and Jim Lockart.

Roman Col. Wins Opener At Hialeah

MIAMI, Fla. (AP)—Roman Colonel displayed his blistering speed for an opening day crowd of 25,033 at Hialeah Park Saturday, winning the \$29,850 Royal Poinciana Handicap for his seventh straight triumph.

Roman Colonel ran the six furlongs under a burden of 130 pounds in 1:09 1-5, only 1-5 slower than the track record and defeated Fred W. Hooper's Alhambra by a head. Claiborne Farm's Duncie was third and Calumet Farm's Kentucky Pride finished fourth in the field of seven sprinters.

Roman Colonel, owned by Mr. and Mrs. Ed Wartin of Caseyville, Ill., earned \$18,852.50 and paid \$4.10, \$3.20 and \$2.60 in the \$2 mutuel.

The four-year-old son of Ky Colonel out of Roman Grace by Roman, made it five stakes in a row and continued undefeated in Florida, having won three at Tropical Park earlier this winter.

"This was his toughest race with all that weight up," said Roman Colonel's regular rider, Lois C. Cook. "Alhambra broke better and I just took back off him early. I thought I was going to win it a furlong from home."

The crowd was Hialeah's biggest opening day turnout since Jan. 17, 1946 and the second largest in the 33-year history of the track.

The race was televised nationally by NBC.

Ft. Jones Winner

An intercepted pass and some cool shooting from the foul line spelled out a 35-34 win for the Fort Jones five over the Butte Valley A squad. In the preliminary game Butte Valley came through with a 37-33 victory.

Timely scoring by Tom Dedrick and John LaMar sparked a 14-point fourth period for the winners; enough to overcome earlier game deficits of 9-4 at the quarter, 17-12 at the half and 29-21 at the third stop.

A portion of the BV loss was credited to the fact that they hit only four of 18 tries from the foul line. Gary Longmore led the losers with nine points.

Don Smith was high in the B game with 12 for the Bulldogs.

The box score:
Fort Jones (35) — Frazer 5, Dedrick 3, LaMar 11, Petrich 11, Klump 3, Butte Valley (34) — Copeland 4, Hanks 4, Longmore 9, Bell 2, Krouse 3, Barnett 2, Crutchfield 4.

Huskies Lose Briggs, Owens To Take Over

SEATTLE (AP)—George Briggs, for four years director of athletics at the University of Washington resigned Saturday to accept a position with the California Bank of Los Angeles.

Dr. Charles Odegaard, university president, announced that football coach Jim Owens would assume double duty as coach and director of athletics.

Both actions are effective Feb. 1. "We shall expect Mr. Owens to make some administrative rearrangements within the office of director of athletics to enable him to carry this merger of responsibilities," Dr. Odegaard said.

He did not detail the rearrangements, but it was understood Owens may employ an assistant.

Briggs revealed he had planned to leave the university for the California position since October. The move was to have been made at the end of the regular football season, but was postponed when the Washington football team earned a bid to the Jan. 1 Rose Bowl game.

Dr. Odegaard said he was "accepting this resignation with extreme regret — a regret that I am sure is shared by members of the university community and by the community at large. I am taking this opportunity to express publicly to Mr. Briggs the warmest thanks for his contributions to the development of the university's athletic program."

Briggs came to the university in February, 1956, when the school's athletic department was in turmoil.

A revolt by football players at the close of the 1955 season had brought the resignation of Coach John Cherberg and Athletic Director Harvey Cassill. The Pacific Coast Conference had placed the University on probation for

three years for unauthorized payment of athletes.

Briggs hired Darrell Royal as football coach. He served in 1956 and resigned to become head coach at the University of Texas. The following year Briggs hired Owens on a three-year contract. In 1958, despite a losing football season, Briggs tore up the Owens contract and wrote a new three-year pact for the coach, who this year took his team to the Rose Bowl.

Salary terms for Owens were not announced by Dr. Odegaard. His coaching contract called for \$15,000 last year with a \$1,000 raise this May. Briggs received in excess of \$12,000 annually.

Laker Baylor Not For Sale At Any Price

MINNEAPOLIS (AP)—The Minneapolis Lakers, \$60,000 in the red this season, said today star Elgin Baylor isn't for sale—even for \$250,000.

Laker owner Bob Short reportedly refused a New York Knickerbockers' offer of \$100,000 for Baylor some weeks ago. Since then the Lakers have switched coaches, dismissing John Castellani and hiring ex-Laker star Jim Pollard, and lost more money.

The National Basketball Assn. club's shaky financial situation has led to increasing speculation that it is headed for a new home next season. Short admits this is a definite possibility.

"But I said the same thing a year ago and we came on sprinting in the last months and got into the final playoffs, and made \$50,000," Short said.

In Minneapolis and neighboring St. Paul, the Lakers have been averaging about 2,500 spectators a game, a little more than half of what they need to show a profit.

"I realize a Laker team as it's presently constituted, and that means with Baylor on it, would do better for me in San Francisco, Los Angeles, Pittsburgh, Cleveland, Kansas City, Houston and Miami," Short said. He added: "I would consider moving the team to any of those cities if we suffer a serious financial setback this season. But as of now we're staying here. And I wouldn't accept a quarter of a million dollars as a fair sum for Baylor."
