

Basin Fluid Milk Sale Up, Says Milk Producers Aide

The sale of fluid milk in the Klamath Basin increased 1.3 per cent in 1959 over 1958, Wilbur Haskins, secretary-manager of Klamath Basin Grade A Milk Producers Association, told dairymen and their guests at the annual meeting held Tuesday at Klamath County Fairgrounds.

The use of antibiotics in treating cattle for mastitis, pneumonia, hoof rot and other diseases was explained by Dr. Fred Wedam, local veterinarian who specializes in large animals. He also discussed the length of time that milk must be held out so that antibiotics can clear the system and reported on the extensive research being conducted on the subject in our state extension laboratories and elsewhere.

The women of the Poe Valley Home Extension Club were given an enthusiastic vote of thanks for their preparation of a hot noon meal.

Because of the absence of two members of the board of directors of Klamath Basin Grade A Milk Producers Association, the board postponed election of officers until Monday evening, a regular meeting date.

HOLDOVER DIRECTORS this year are Lawrence Geraghty, president, Stan Masten and Ed Born, all of Klamath County.

Ted Albert was appointed to the board last summer to fill the unexpired term of George Reiling who resigned when he sold his dairy ranch and moved from Poe Valley to Klamath Falls. Albert was elected to a three-year term on the board.

Ray Hobson were both reelected to three-year terms and Wilbur Reiling to a one-year term. Hobson is currently serving as treasurer and Reiling as vice president of the group. Haskins remains secretary-manager of the group.

Benefit Set For Saturday

SILVER LAKE—A benefit dance for the Jack Pemberton family is scheduled for Saturday night, January 23, in the Silver Lake School gymnasium. Sponsored by the Silver Lake Community Club, the purpose is to help set the family up in housekeeping again.

The Pemberton home was a total loss when fire broke out in the middle of the night December 30 as the family spent the Christmas holidays in Lebanon.

Admission to the dance will be items of household goods or canned goods. The Pembertons and their three small children plan to return to Silver Lake soon.

Plate Change To Be Slow

It will be at least three or four years before all Oregon vehicles display license plates with the new "Pacific Wonderland" slogan.

Vern L. Hill, director of the Department of Motor Vehicles, said his office can not issue the new plates for vehicles with licenses expiring because money was not budgeted for purchasing plates for all 873,000 vehicles in the state.

Hill said some new-type plates are being sold for vehicles being licensed for the first time in Oregon. About 90,000 passenger car plates with the slogan have been acquired by the department.

He emphasized that not all new plates sold this year will carry the slogan because the department must also exhaust the supply of old-style plates.

'Will Not Run,' Says Councilman

DORRIS — Richard Fenwick, Dorris city councilman and fire commissioner, said today he will not be a candidate to succeed himself in April.

Fenwick is a member of the Siskiyou County Juvenile Division of the Probation Board. He was appointed to the board some time ago by Jess Brewer, county probation officer.

He is also an elected member of the Dorris Elementary School Board.

Fenwick said he has too many "irons in the fire" to do justice to all. He feels, too, that someone else should have the opportunity to serve the city of Dorris in the capacity of councilman.

Area Bowmen To Be Guests

Chiloquin Bowmen will be guests of Klamath Archers, Inc., at a Sunday competitive shoot here at the indoor range, 7151 South Sixth Street, according to Dick Hunt, new president of the local archers.

There will be potluck at noon for the guests and members and four or more classes of competition. It is hoped to hold at least one junior event in addition to men's and women's instinctive and men's and women's free style.

Shooting will start at 10 a.m. on Sunday and will continue after the noon meal. This will be the first invitational shoot of the new year.

Final plans for Sunday's shoot will be made at the regular meeting to be held at the indoor range on Thursday evening, starting at 6:30 p.m. and including potluck dinner.
