WANTED! FOR MURDER

No doubt about it, shoveling snow is murder. Unnecessary, too, when you can remove it mechanically with a Bolens rotary snow-caster or snow plow. Makes all snow shovels obsolete. You don't strain... Just steer. Year round lawn and garden attachments, too. CASH REWARD for your old shovel when you trade it in on a Bolens snow removal equipment... Low as \$157, tractor and plow. Terms, of course.
