CARPET CARE

CHICAGO (UPI)—The American Carpet Institute suggests two ways to protect stair carpeting, which takes the roughest wear of any rug in the home. One is to lay the carpeting with an extra foot of length folded under against one or two risers at the top of the stairs. When the carpet on the stair edge needs a rest, shift the rug down an inch or two, folding the excess material against the loosest riser. Do this before, not after, signs of wear appear. The second way is to install an underlay of carpet cushion, with particular attention to the edges.

matter of FACT

A number of ex-presidents spent their last years wrestling with money troubles. Thomas Jefferson had to sell his library to the United States. James Monroe was forced to rely on the charity of his family and friends. U. S. Grant pawned his Civil War swords. Until 1958 the United States had no pensions for ex-presidents. Today, they receive \$25,000 a year, free mailing privileges, and expenses for an office and office help.
