Bearcats Top College AP Poll Teams

By THE ASSOCIATED PRESS
The lack of action on college basketball courts last week was reflected in the balloting today as the list of the top ten teams in The Associated Press ranking poll remained unchanged.

The sports writers and broadcasters again picked Cincinnati as the No. 1 team—overwhelmingly on the basis of first-place votes—but made the Bearcats only conqueror, Bradley, a close second in the point totals. About the only differences noted among the top ten were minor changes in the point totals.

Night Ball Gets Stronger

CINCINNATI (AP)—Afternoon baseball, at least the weekday variety, will fade still further out of the picture in the National League this year.

The oldest of the two major leagues announced today a record-breaking 312 night contests.

And that total includes games of the Chicago Cubs, the lone major league holdout against night baseball, who play all of their 77 home contests in the daytime.

Except on Saturdays, Sundays and holidays, St. Louis and Philadelphia will not play any afternoon games. Cincinnati has only one game and Los Angeles and Pittsburgh two each.

As it shapes up, Los Angeles will play a record-breaking 64 night games, including two twilight dates. Philadelphia will have 62 night dates, St. Louis 48, Cincinnati 45, Pittsburgh 42, Milwaukee 38 and San Francisco 23.

Los Angeles will open the season at night April 12 against Chicago. Philadelphia's home opener April 14 against Milwaukee also will be played at night and so will St. Louis' home opener April 19 against Chicago.

The first time the two clubs tangled the Mustangs grabbed off a 32-30 victory but the second time around the Hornets came back with a 49-42 triumph.

Laying out of action tonight are Chiloquin, 7-4 in overall play, and Gilchrist (3-7). Chiloquin is currently tied with Merrill for the number two slot while Gilchrist, 1-4 in league action, is one step

out of the basement.

Malin's Randy Miller is still heading the county scorers with a sound 14.4 per game average. He has collected a total of 202 points in 14 games. Saturday night he counted 20 against Tulelake.

Bonanza's Butch Crume and Chet Schooler are the owners of second and fourth place respectively. Crume has a 12.6 and Schooler an 11.7.

Gilchrist's Gerald Warren is in fifth place with an 11.6 mark although his total in points, 128, is the third highest. Charlie Russell, another Gilchrist shooter, is a seventh place with a 10.4 average.

Bob Andersch and Keith Murray, third and eighth respectively on the list of Klamath County B basketball scorers, lead the Sacred Heart Trojans into action tonight at Merrill in an attempt to keep the Huskies from climbing into the number two slot all alone.

Victories tonight by Sacred Heart and Bonanza, who plays at Bly, would send all three, Merrill, SHA and Bonanza into a tie for third.

In the only other game on the evening's slate, the Malin Mustangs journey to Henley for the third and rubber match between

Joe Foss Convenes Meeting

DALLAS, Tex. (AP)—The American Football League opened a three-day meeting today to pick its eighth member and get the fledgling pro loop squared away for its fall kickoff.

Atlanta, Ga., Oakland, Calif., and Miami, Fla., are the three contenders for the remaining franchise.

Commissioner Joe Foss thinks Oakland or Atlanta may be most likely to win the franchise. A decision by the seven franchise holders will be made soon.

Minneapolis-St. Paul interests recently dropped their franchise in the face of National Football League expansion into that area.

The NFL is meeting now in Miami and has not yet announced any expansion plans.

The AFL delayed its meeting a week hoping the NFL would announce its plans. Foss said "We can't sit around and wait on them."

At today's meeting the AFL will elect officers, hear a report by Bob Dedman, AFL attorney who has been in Miami for the NFL meeting, and listen to the Atlanta and Oakland delegations as well as a report by Foss.

It will also discuss drafting of players, a 1960 schedule, possible agreements with the NFL and the Canadian Football League, rules of play and, finally, the type of football to be used by the league.

Foss said his office will handle all television business for the eight teams.

League rules state that "all television will be handled on a cooperative basis and that all TV income from television shall be paid directly to the league rather than to individual clubs."

Foss said that at the end of each year such money would be divided equally among the teams.

'Ingo' Gets Fight Urge

ROCHESTER, N. Y. (AP)—Heavyweight champion Ingemar Johansson is getting the urge to fight again.

"I got the feeling when I watched the Robinson-Pender fight on television Friday," said the handsome Swede shortly before he was presented with the \$10,000 S. Rae Hickok belt Monday night. Ingo said he will start sharpening up with an exhibition tour here in late February or early March for a fight he hopes will come off in June.

Johansson received the 4-pound gold and jeweled belt for being chosen "professional athlete of the year" in a poll of sports writers and sportscasters.

The undefeated 27-year-old boxer won by a substantial margin over quarterback Johnny Unitas of the pro football champion Baltimore Colts, and Larry Sherry, World Series pitching star of the Los Angeles Dodgers.

Johansson was selected first on 50 of the 112 ballots and collected 228 points.

The fighter said he will go to Milwaukee to receive the Associated Press "male athlete of the year" award Jan. 29 and leave for Switzerland Jan. 31. He expects to return in three weeks for a television show, then start his exhibition tour.

Ailing Dodger Son Arrested

NEW YORK (AP)—Former Dodger catcher Roy Campanella's 16-year-old stepson David was arrested Monday midnight on charges of petty larceny and violation of parole.

It was the third time the Negro boy was arrested in less than a year.

David was seized by police with three other Negro boys on a street corner.

The four were looking over the contents of a large cardboard box—a fresh lobster, cans of sardines, cans of soup, toothpaste, electric light bulbs and cartons of cigarettes.

One of David's companions has been working as a clerk in a grocery store. The owner told police the articles were stolen from the store.

David denied any part in a theft and the other boys absolved him, police said. David said he met the other boys just before the policemen arrived.

David's previous arrests were for breaking into a drugstore and for being in a street fight. He was under 16 then, so the charges were only juvenile delinquency. He was placed on probation.

Georgia Tech Club Humiliates Wildcats

By THE ASSOCIATED PRESS
The engineers of Georgia Tech are building their first championship season in Southeastern Conference basketball since 1938 by literally tearin' down the king, mighty Kentucky.

Faced with a "must game" against the challenging Wildcats at Atlanta Monday night, the Engineers not only beat Kentucky for the second time this season but handed the Wildcats their fourth worst whipping in 729 games under Adolph Rupp's 30-year coaching era, piling up a 65-44 rout to the roars of 7,348 fans.

So harrasing was the touted Tech defense that Kentucky hit only 16.3 per cent of its shots. What Georgia Tech lacked from the field — it outscored Kentucky only 16-13 in field goals — it more than overbalanced at the free throw line, dropping 33 of 40 while the Wildcats hit on 18 of 30.

Since Baron Rupp became the Kentucky coach in 1930 to build basketball's greatest record, only his 80-50 loss to CCNY in 1930, his 101-77 setback by Alabama in 1936, and his 41-20 beating from Notre Dame in 1936 have equaled or topped this one.

To rub it in, Tech's scoring leaders — junior Roger Kaiser, who had 24 points, and senior Dave Denton, who led the playmaking and scored 13 — hail from Kentucky's own backyard. Kaiser is from Dale, Ind., hardly a set shot away from the Kentucky border, and Denton from Bowling Green, Ky. Another Tech starter, 6-7 Jim Riley, is from Russellville, Ky.

It was Tech's sixth straight victory and 15th in 17 games while Kentucky, now 10-5 for the season, is 4-2 in the league it has dominated so long and down to third place, a step behind idle Tulane (3-1). Tech, now ranked sixth nationally, beat Kentucky at Lexington 62-54 in their first meeting Jan. 2.

Streaking Virginia Tech (12-2) won its eighth in a row, 107-77 over Furman, and Minnesota continued its surprising challenge in the Big Ten with a hot-shooting 87-72 rout of Iowa at Iowa City in other key games on the limited Monday schedule.

UPI, now tied with West Virginia for the Southern Conference lead at 6-0, got 28 points from Bob Ayersman and 21 points and 16 rebounds from Chris Smith, although both stars sat out much of the second half. Furman's Tom Conard led all scorers with 34.

Minnesota set a Big Ten record by hitting 72 per cent of its shots — 34 of 47 attempts, for a 4-2 record and second place in the conference race behind Ohio State, 4-0. Sophomore Ray Cronk had 21 points, Paul Lehman 19, Marlo Miller 17, and Ron Johnson 13 for the balanced Gophers, who held Iowa's leading scorer, sophomore Don Nelson, to six points. Iowa (12-5) dropped to sixth in the Big Ten with a 4-3 mark.

Touring Houston, which snapped the 11-game win streak of Miami (Fla.) Saturday night, was the victim of an upset itself Monday night — blowing a 15-point halftime lead to fall before Loyola of New Orleans 63-61. John Flynn, who had 16 points, hit on his last six shots to trigger the Loyola rally.

Touring Oklahoma City also was spilled in Louisiana, losing to tough, little Centenary 65-58. On the West Coast, Stanford defeated Washington State 67-58 in overtime. Hardin-Simmons and North Texas State had a free-shooting winging, with Hardin-Simmons winning 98-96 in overtime.

MAY REVIVE BASKETBALL
WASHINGTON (UPI) — Harry Lynn, new owner of Uline Arena, hopes to revive professional basketball in the nation's capital next year. Lynn, who revealed he has received hundreds of letters about the prospects of Washington rejoining the National Basketball Assn., declared, "The support and the money is here."

Wilt The Stilt Keeping Lead

NEW YORK (AP)—Philadelphia's Wilt Chamberlain continued his lead over Jack Twyman of Cincinnati for National Basketball Assn. scoring honors, according to statistics released today.

Wilt the Stilt, though he trailed off last week in point production, has scored 1,681 points in 45 games for a 37.2 average. Twyman, playing seven more games, has 1,605 points for a 30.9 average. This marks the second consecutive week that Chamberlain, a rookie, has led both in scoring and per game average.

The averages are for games through last Sunday so don't include a whopping 58 points Chamberlain tossed in Monday night as the Warriors beat Detroit 127-117. The game was the only one scheduled.

Ted recently testified under oath that his 1959 baseball earnings amounted to \$60,000 but it never was clarified whether that figure meant gross or net income.

A painful neck ailment was the main reason Williams' batting average fell from .328 to .254 last season.

"Williams is 41 and you can't tell about old ball players," Manager Billy Jurges said later. "How much you play at that age is up to the individual. I do know we can expect to get a lot of use out of him as a pinchhitter. I'll have to see how he does in spring training."

"Ted isn't going to play 154 ball games, let's be realistic," Jurges continued. "We can't say whether he'll play 100 or 75. I'll be happy if he plays 60. I'm leaving it up to him to say when and how much he'll play."
